KARATINA UNIVERSITY

B.A. POLITICAL SCIENCE AND PUBLIC ADMINISTRATION

YEAR ONE — SEMESTER ONE

COMPREHENSIVE EXAMINATION QUESTION BANK

Target length: 300–500 pages | **Purpose:** CAT, end-semester revision, tutorials and self-assessment

Important note: The official KarU e-learning listings currently show the programme's 2026/27 Year 1 Semester 1 courses used here: PSA 110, PSA 111, PSA 114, SOC 111, SSC 110, UCC 100 and SSC 111. The question bank is original practice material, not an official past examination paper.

How to use: Attempt short questions first, then structured questions, essays, comparative questions, application/case questions and full mock examinations. Always follow your lecturer's current course outline if it differs.

CONTENTS

PSA 110 — Introduction to Political Science

PSA 111 — Introduction to Public Administration

PSA 114 — Fundamentals of Political Theories

SOC 111 — Introduction to Social Sciences

SSC 110 — Communication Skills

UCC 100 — Information Literacy

SSC 111 — Contemporary Health Issues

Question formats included

Definitions; short-answer questions; structured questions; essay questions; compare/contrast; critical analysis; application and case-study questions; Kenya-focused questions; revision tests; CAT-style papers; end-semester mock papers.

PSA 110: Introduction to Political Science

This section provides a broad examination bank covering the major themes associated with Introduction to Political Science.

1. Meaning, Nature And Scope Of Political Science

1. Define and explain meaning, nature and scope of political science. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2. Discuss meaning, nature and scope of political science. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3. Examine critically meaning, nature and scope of political science. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4. Explain the importance of meaning, nature and scope of political science. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

5. Describe the major features of meaning, nature and scope of political science. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

6. Differentiate between meaning, nature and scope of political science and a closely related concept, giving at least five clear distinctions.

7. Compare and contrast meaning, nature and scope of political science with another major concept studied in the same topic area.

8. Assess the relevance of meaning, nature and scope of political science. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

9. Evaluate the strengths and limitations of meaning, nature and scope of political science. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

10. Analyse the relationship between meaning, nature and scope of political science and effective governance, administration, society or political development.

11. Discuss the challenges facing meaning, nature and scope of political science. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

12. Explain the causes and consequences of meaning, nature and scope of political science. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

13. Suggest measures for improving meaning, nature and scope of political science. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

14. With relevant examples, discuss meaning, nature and scope of political science. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

15. To what extent does meaning, nature and scope of political science influence political, administrative or social outcomes? Justify your answer.

16. Critically assess meaning, nature and scope of political science. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

17. Examine the role of meaning, nature and scope of political science. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

18. Discuss the advantages and disadvantages of meaning, nature and scope of political science. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

19. Explain how meaning, nature and scope of political science. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

20. Illustrate with examples meaning, nature and scope of political science. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2. Politics And Political Science

21. Define and explain politics and political science. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

22. Discuss politics and political science. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

23. Examine critically politics and political science. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

24. Explain the importance of politics and political science. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

25. Describe the major features of politics and political science. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

26. Differentiate between politics and political science and a closely related concept, giving at least five clear distinctions.

27. Compare and contrast politics and political science with another major concept studied in the same topic area.

28. Assess the relevance of politics and political science. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

29. Evaluate the strengths and limitations of politics and political science. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

30. Analyse the relationship between politics and political science and effective governance, administration, society or political development.

31. Discuss the challenges facing politics and political science. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

32. Explain the causes and consequences of politics and political science. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

33. Suggest measures for improving politics and political science. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

34. With relevant examples, discuss politics and political science. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

35. To what extent does politics and political science influence political, administrative or social outcomes? Justify your answer.

36. Critically assess politics and political science. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

37. Examine the role of politics and political science. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

38. Discuss the advantages and disadvantages of politics and political science. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

39. Explain how politics and political science. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

40. Illustrate with examples politics and political science. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3. Political Concepts And Terminology

41. Define and explain political concepts and terminology. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

42. Discuss political concepts and terminology. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

43. Examine critically political concepts and terminology. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

44. Explain the importance of political concepts and terminology. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

45. Describe the major features of political concepts and terminology. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

46. Differentiate between political concepts and terminology and a closely related concept, giving at least five clear distinctions.

47. Compare and contrast political concepts and terminology with another major concept studied in the same topic area.

48. Assess the relevance of political concepts and terminology. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

49. Evaluate the strengths and limitations of political concepts and terminology. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

50. Analyse the relationship between political concepts and terminology and effective governance, administration, society or political development.

51. Discuss the challenges facing political concepts and terminology. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

52. Explain the causes and consequences of political concepts and terminology. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

53. Suggest measures for improving political concepts and terminology. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

54. With relevant examples, discuss political concepts and terminology. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

55. To what extent does political concepts and terminology influence political, administrative or social outcomes? Justify your answer.

56. Critically assess political concepts and terminology. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

57. Examine the role of political concepts and terminology. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

58. Discuss the advantages and disadvantages of political concepts and terminology. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

59. Explain how political concepts and terminology. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

60. Illustrate with examples political concepts and terminology. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4. State And Its Characteristics

61. Define and explain state and its characteristics. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

62. Discuss state and its characteristics. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

63. Examine critically state and its characteristics. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

64. Explain the importance of state and its characteristics. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

65. Describe the major features of state and its characteristics. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

66. Differentiate between state and its characteristics and a closely related concept, giving at least five clear distinctions.

67. Compare and contrast state and its characteristics with another major concept studied in the same topic area.

68. Assess the relevance of state and its characteristics. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

69. Evaluate the strengths and limitations of state and its characteristics. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

70. Analyse the relationship between state and its characteristics and effective governance, administration, society or political development.

71. Discuss the challenges facing state and its characteristics. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

72. Explain the causes and consequences of state and its characteristics. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

73. Suggest measures for improving state and its characteristics. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

74. With relevant examples, discuss state and its characteristics. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

75. To what extent does state and its characteristics influence political, administrative or social outcomes? Justify your answer.

76. Critically assess state and its characteristics. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

77. Examine the role of state and its characteristics. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

78. Discuss the advantages and disadvantages of state and its characteristics. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

79. Explain how state and its characteristics. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

80. Illustrate with examples state and its characteristics. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

Mini Revision Test

81. Write a well-organized answer on *state and its characteristics*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

82. Write a well-organized answer on *nation, nationality and nationalism*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

83. Write a well-organized answer on *sovereignty*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

84. Write a well-organized answer on *power, authority and legitimacy*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

85. Write a well-organized answer on *government and its forms*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

86. Write a well-organized answer on *democracy and democratic principles*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

87. Write a well-organized answer on *political participation*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

88. Write a well-organized answer on *political socialization*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

89. Write a well-organized answer on *political culture*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

90. Write a well-organized answer on *political parties and party systems*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

5. Nation, Nationality And Nationalism

91. Define and explain nation, nationality and nationalism. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

92. Discuss nation, nationality and nationalism. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

93. Examine critically nation, nationality and nationalism. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

94. Explain the importance of nation, nationality and nationalism. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

95. Describe the major features of nation, nationality and nationalism. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

96. Differentiate between nation, nationality and nationalism and a closely related concept, giving at least five clear distinctions.

97. Compare and contrast nation, nationality and nationalism with another major concept studied in the same topic area.

98. Assess the relevance of nation, nationality and nationalism. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

99. Evaluate the strengths and limitations of nation, nationality and nationalism. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

100. Analyse the relationship between nation, nationality and nationalism and effective governance, administration, society or political development.

101. Discuss the challenges facing nation, nationality and nationalism. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

102. Explain the causes and consequences of nation, nationality and nationalism. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

103. Suggest measures for improving nation, nationality and nationalism. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

104. With relevant examples, discuss nation, nationality and nationalism. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

105. To what extent does nation, nationality and nationalism influence political, administrative or social outcomes? Justify your answer.

106. Critically assess nation, nationality and nationalism. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

107. Examine the role of nation, nationality and nationalism. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

108. Discuss the advantages and disadvantages of nation, nationality and nationalism. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

109. Explain how nation, nationality and nationalism. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

110. Illustrate with examples nation, nationality and nationalism. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

6. Sovereignty

111. Define and explain sovereignty. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

112. Discuss sovereignty. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

113. Examine critically sovereignty. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

114. Explain the importance of sovereignty. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

115. Describe the major features of sovereignty. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

116. Differentiate between sovereignty and a closely related concept, giving at least five clear distinctions.

117. Compare and contrast sovereignty with another major concept studied in the same topic area.

118. Assess the relevance of sovereignty. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

119. Evaluate the strengths and limitations of sovereignty. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

120. Analyse the relationship between sovereignty and effective governance, administration, society or political development.

121. Discuss the challenges facing sovereignty. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

122. Explain the causes and consequences of sovereignty. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

123. Suggest measures for improving sovereignty. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

124. With relevant examples, discuss sovereignty. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

125. To what extent does sovereignty influence political, administrative or social outcomes? Justify your answer.

126. Critically assess sovereignty. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

127. Examine the role of sovereignty. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

128. Discuss the advantages and disadvantages of sovereignty. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

129. Explain how sovereignty. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

130. Illustrate with examples sovereignty. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

7. Power, Authority And Legitimacy

131. Define and explain power, authority and legitimacy. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

132. Discuss power, authority and legitimacy. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

133. Examine critically power, authority and legitimacy. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

134. Explain the importance of power, authority and legitimacy. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

135. Describe the major features of power, authority and legitimacy. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

136. Differentiate between power, authority and legitimacy and a closely related concept, giving at least five clear distinctions.

137. Compare and contrast power, authority and legitimacy with another major concept studied in the same topic area.

138. Assess the relevance of power, authority and legitimacy. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

139. Evaluate the strengths and limitations of power, authority and legitimacy. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

140. Analyse the relationship between power, authority and legitimacy and effective governance, administration, society or political development.

141. Discuss the challenges facing power, authority and legitimacy. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

142. Explain the causes and consequences of power, authority and legitimacy. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

143. Suggest measures for improving power, authority and legitimacy. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

144. With relevant examples, discuss power, authority and legitimacy. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

145. To what extent does power, authority and legitimacy influence political, administrative or social outcomes? Justify your answer.

146. Critically assess power, authority and legitimacy. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

147. Examine the role of power, authority and legitimacy. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

148. Discuss the advantages and disadvantages of power, authority and legitimacy. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

149. Explain how power, authority and legitimacy. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

150. Illustrate with examples power, authority and legitimacy. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

8. Government And Its Forms

151. Define and explain government and its forms. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

152. Discuss government and its forms. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

153. Examine critically government and its forms. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

154. Explain the importance of government and its forms. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

155. Describe the major features of government and its forms. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

156. Differentiate between government and its forms and a closely related concept, giving at least five clear distinctions.

157. Compare and contrast government and its forms with another major concept studied in the same topic area.

158. Assess the relevance of government and its forms. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

159. Evaluate the strengths and limitations of government and its forms. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

160. Analyse the relationship between government and its forms and effective governance, administration, society or political development.

161. Discuss the challenges facing government and its forms. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

162. Explain the causes and consequences of government and its forms. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

163. Suggest measures for improving government and its forms. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

164. With relevant examples, discuss government and its forms. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

165. To what extent does government and its forms influence political, administrative or social outcomes? Justify your answer.

166. Critically assess government and its forms. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

167. Examine the role of government and its forms. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

168. Discuss the advantages and disadvantages of government and its forms. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

169. Explain how government and its forms. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

170. Illustrate with examples government and its forms. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

Mini Revision Test

171. Write a well-organized answer on *government and its forms*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

172. Write a well-organized answer on *democracy and democratic principles*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

173. Write a well-organized answer on *political participation*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

174. Write a well-organized answer on *political socialization*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

175. Write a well-organized answer on *political culture*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

176. Write a well-organized answer on *political parties and party systems*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

177. Write a well-organized answer on *pressure groups and civil society*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

178. Write a well-organized answer on *elections and electoral systems*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

179. Write a well-organized answer on *representation*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

180. Write a well-organized answer on *public opinion*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

9. Democracy And Democratic Principles

181. Define and explain democracy and democratic principles. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

182. Discuss democracy and democratic principles. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

183. Examine critically democracy and democratic principles. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

184. Explain the importance of democracy and democratic principles. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

185. Describe the major features of democracy and democratic principles. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

186. Differentiate between democracy and democratic principles and a closely related concept, giving at least five clear distinctions.

187. Compare and contrast democracy and democratic principles with another major concept studied in the same topic area.

188. Assess the relevance of democracy and democratic principles. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

189. Evaluate the strengths and limitations of democracy and democratic principles. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

190. Analyse the relationship between democracy and democratic principles and effective governance, administration, society or political development.

191. Discuss the challenges facing democracy and democratic principles. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

192. Explain the causes and consequences of democracy and democratic principles. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

193. Suggest measures for improving democracy and democratic principles. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

194. With relevant examples, discuss democracy and democratic principles. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

195. To what extent does democracy and democratic principles influence political, administrative or social outcomes? Justify your answer.

196. Critically assess democracy and democratic principles. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

197. Examine the role of democracy and democratic principles. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

198. Discuss the advantages and disadvantages of democracy and democratic principles. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

199. Explain how democracy and democratic principles. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

200. Illustrate with examples democracy and democratic principles. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

10. Political Participation

201. Define and explain political participation. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

202. Discuss political participation. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

203. Examine critically political participation. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

204. Explain the importance of political participation. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

205. Describe the major features of political participation. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

206. Differentiate between political participation and a closely related concept, giving at least five clear distinctions.

207. Compare and contrast political participation with another major concept studied in the same topic area.

208. Assess the relevance of political participation. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

209. Evaluate the strengths and limitations of political participation. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

210. Analyse the relationship between political participation and effective governance, administration, society or political development.

211. Discuss the challenges facing political participation. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

212. Explain the causes and consequences of political participation. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

213. Suggest measures for improving political participation. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

214. With relevant examples, discuss political participation. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

215. To what extent does political participation influence political, administrative or social outcomes? Justify your answer.

216. Critically assess political participation. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

217. Examine the role of political participation. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

218. Discuss the advantages and disadvantages of political participation. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

219. Explain how political participation. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

220. Illustrate with examples political participation. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

11. Political Socialization

221. Define and explain political socialization. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

222. Discuss political socialization. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

223. Examine critically political socialization. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

224. Explain the importance of political socialization. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

225. Describe the major features of political socialization. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

226. Differentiate between political socialization and a closely related concept, giving at least five clear distinctions.

227. Compare and contrast political socialization with another major concept studied in the same topic area.

228. Assess the relevance of political socialization. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

229. Evaluate the strengths and limitations of political socialization. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

230. Analyse the relationship between political socialization and effective governance, administration, society or political development.

231. Discuss the challenges facing political socialization. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

232. Explain the causes and consequences of political socialization. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

233. Suggest measures for improving political socialization. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

234. With relevant examples, discuss political socialization. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

235. To what extent does political socialization influence political, administrative or social outcomes? Justify your answer.

236. Critically assess political socialization. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

237. Examine the role of political socialization. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

238. Discuss the advantages and disadvantages of political socialization. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

239. Explain how political socialization. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

240. Illustrate with examples political socialization. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

12. Political Culture

241. Define and explain political culture. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

242. Discuss political culture. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

243. Examine critically political culture. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

244. Explain the importance of political culture. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

245. Describe the major features of political culture. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

246. Differentiate between political culture and a closely related concept, giving at least five clear distinctions.

247. Compare and contrast political culture with another major concept studied in the same topic area.

248. Assess the relevance of political culture. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

249. Evaluate the strengths and limitations of political culture. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

250. Analyse the relationship between political culture and effective governance, administration, society or political development.

251. Discuss the challenges facing political culture. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

252. Explain the causes and consequences of political culture. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

253. Suggest measures for improving political culture. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

254. With relevant examples, discuss political culture. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

255. To what extent does political culture influence political, administrative or social outcomes? Justify your answer.

256. Critically assess political culture. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

257. Examine the role of political culture. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

258. Discuss the advantages and disadvantages of political culture. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

259. Explain how political culture. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

260. Illustrate with examples political culture. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

Mini Revision Test

261. Write a well-organized answer on *political culture*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

262. Write a well-organized answer on *political parties and party systems*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

263. Write a well-organized answer on *pressure groups and civil society*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

264. Write a well-organized answer on *elections and electoral systems*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

265. Write a well-organized answer on *representation*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

266. Write a well-organized answer on *public opinion*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

267. Write a well-organized answer on *political leadership*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

268. Write a well-organized answer on *constitutionalism and rule of law*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

269. Write a well-organized answer on *human rights and citizenship*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

270. Write a well-organized answer on *comparative politics*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

13. Political Parties And Party Systems

271. Define and explain political parties and party systems. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

272. Discuss political parties and party systems. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

273. Examine critically political parties and party systems. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

274. Explain the importance of political parties and party systems. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

275. Describe the major features of political parties and party systems. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

276. Differentiate between political parties and party systems and a closely related concept, giving at least five clear distinctions.

277. Compare and contrast political parties and party systems with another major concept studied in the same topic area.

278. Assess the relevance of political parties and party systems. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

279. Evaluate the strengths and limitations of political parties and party systems. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

280. Analyse the relationship between political parties and party systems and effective governance, administration, society or political development.

281. Discuss the challenges facing political parties and party systems. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

282. Explain the causes and consequences of political parties and party systems. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

283. Suggest measures for improving political parties and party systems. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

284. With relevant examples, discuss political parties and party systems. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

285. To what extent does political parties and party systems influence political, administrative or social outcomes? Justify your answer.

286. Critically assess political parties and party systems. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

287. Examine the role of political parties and party systems. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

288. Discuss the advantages and disadvantages of political parties and party systems. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

289. Explain how political parties and party systems. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

290. Illustrate with examples political parties and party systems. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

14. Pressure Groups And Civil Society

291. Define and explain pressure groups and civil society. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

292. Discuss pressure groups and civil society. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

293. Examine critically pressure groups and civil society. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

294. Explain the importance of pressure groups and civil society. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

295. Describe the major features of pressure groups and civil society. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

296. Differentiate between pressure groups and civil society and a closely related concept, giving at least five clear distinctions.

297. Compare and contrast pressure groups and civil society with another major concept studied in the same topic area.

298. Assess the relevance of pressure groups and civil society. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

299. Evaluate the strengths and limitations of pressure groups and civil society. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

300. Analyse the relationship between pressure groups and civil society and effective governance, administration, society or political development.

301. Discuss the challenges facing pressure groups and civil society. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

302. Explain the causes and consequences of pressure groups and civil society. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

303. Suggest measures for improving pressure groups and civil society. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

304. With relevant examples, discuss pressure groups and civil society. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

305. To what extent does pressure groups and civil society influence political, administrative or social outcomes? Justify your answer.

306. Critically assess pressure groups and civil society. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

307. Examine the role of pressure groups and civil society. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

308. Discuss the advantages and disadvantages of pressure groups and civil society. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

309. Explain how pressure groups and civil society. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

310. Illustrate with examples pressure groups and civil society. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

15. Elections And Electoral Systems

311. Define and explain elections and electoral systems. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

312. Discuss elections and electoral systems. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

313. Examine critically elections and electoral systems. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

314. Explain the importance of elections and electoral systems. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

315. Describe the major features of elections and electoral systems. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

316. Differentiate between elections and electoral systems and a closely related concept, giving at least five clear distinctions.

317. Compare and contrast elections and electoral systems with another major concept studied in the same topic area.

318. Assess the relevance of elections and electoral systems. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

319. Evaluate the strengths and limitations of elections and electoral systems. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

320. Analyse the relationship between elections and electoral systems and effective governance, administration, society or political development.

321. Discuss the challenges facing elections and electoral systems. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

322. Explain the causes and consequences of elections and electoral systems. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

323. Suggest measures for improving elections and electoral systems. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

324. With relevant examples, discuss elections and electoral systems. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

325. To what extent does elections and electoral systems influence political, administrative or social outcomes? Justify your answer.

326. Critically assess elections and electoral systems. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

327. Examine the role of elections and electoral systems. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

328. Discuss the advantages and disadvantages of elections and electoral systems. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

329. Explain how elections and electoral systems. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

330. Illustrate with examples elections and electoral systems. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

16. Representation

331. Define and explain representation. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

332. Discuss representation. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

333. Examine critically representation. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

334. Explain the importance of representation. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

335. Describe the major features of representation. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

336. Differentiate between representation and a closely related concept, giving at least five clear distinctions.

337. Compare and contrast representation with another major concept studied in the same topic area.

338. Assess the relevance of representation. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

339. Evaluate the strengths and limitations of representation. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

340. Analyse the relationship between representation and effective governance, administration, society or political development.

341. Discuss the challenges facing representation. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

342. Explain the causes and consequences of representation. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

343. Suggest measures for improving representation. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

344. With relevant examples, discuss representation. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

345. To what extent does representation influence political, administrative or social outcomes? Justify your answer.

346. Critically assess representation. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

347. Examine the role of representation. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

348. Discuss the advantages and disadvantages of representation. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

349. Explain how representation. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

350. Illustrate with examples representation. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

Mini Revision Test

351. Write a well-organized answer on *representation*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

352. Write a well-organized answer on *public opinion*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

353. Write a well-organized answer on *political leadership*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

354. Write a well-organized answer on *constitutionalism and rule of law*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

355. Write a well-organized answer on *human rights and citizenship*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

356. Write a well-organized answer on *comparative politics*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

357. Write a well-organized answer on *political institutions*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

358. Write a well-organized answer on *executive, legislature and judiciary*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

359. Write a well-organized answer on *local government and devolution*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

360. Write a well-organized answer on *Kenyan political system*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

17. Public Opinion

361. Define and explain public opinion. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

362. Discuss public opinion. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

363. Examine critically public opinion. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

364. Explain the importance of public opinion. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

365. Describe the major features of public opinion. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

366. Differentiate between public opinion and a closely related concept, giving at least five clear distinctions.

367. Compare and contrast public opinion with another major concept studied in the same topic area.

368. Assess the relevance of public opinion. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

369. Evaluate the strengths and limitations of public opinion. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

370. Analyse the relationship between public opinion and effective governance, administration, society or political development.

371. Discuss the challenges facing public opinion. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

372. Explain the causes and consequences of public opinion. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

373. Suggest measures for improving public opinion. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

374. With relevant examples, discuss public opinion. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

375. To what extent does public opinion influence political, administrative or social outcomes? Justify your answer.

376. Critically assess public opinion. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

377. Examine the role of public opinion. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

378. Discuss the advantages and disadvantages of public opinion. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

379. Explain how public opinion. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

380. Illustrate with examples public opinion. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

18. Political Leadership

381. Define and explain political leadership. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

382. Discuss political leadership. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

383. Examine critically political leadership. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

384. Explain the importance of political leadership. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

385. Describe the major features of political leadership. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

386. Differentiate between political leadership and a closely related concept, giving at least five clear distinctions.

387. Compare and contrast political leadership with another major concept studied in the same topic area.

388. Assess the relevance of political leadership. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

389. Evaluate the strengths and limitations of political leadership. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

390. Analyse the relationship between political leadership and effective governance, administration, society or political development.

391. Discuss the challenges facing political leadership. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

392. Explain the causes and consequences of political leadership. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

393. Suggest measures for improving political leadership. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

394. With relevant examples, discuss political leadership. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

395. To what extent does political leadership influence political, administrative or social outcomes? Justify your answer.

396. Critically assess political leadership. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

397. Examine the role of political leadership. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

398. Discuss the advantages and disadvantages of political leadership. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

399. Explain how political leadership. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

400. Illustrate with examples political leadership. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

19. Constitutionalism And Rule Of Law

401. Define and explain constitutionalism and rule of law. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

402. Discuss constitutionalism and rule of law. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

403. Examine critically constitutionalism and rule of law. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

404. Explain the importance of constitutionalism and rule of law. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

405. Describe the major features of constitutionalism and rule of law. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

406. Differentiate between constitutionalism and rule of law and a closely related concept, giving at least five clear distinctions.

407. Compare and contrast constitutionalism and rule of law with another major concept studied in the same topic area.

408. Assess the relevance of constitutionalism and rule of law. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

409. Evaluate the strengths and limitations of constitutionalism and rule of law. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

410. Analyse the relationship between constitutionalism and rule of law and effective governance, administration, society or political development.

411. Discuss the challenges facing constitutionalism and rule of law. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

412. Explain the causes and consequences of constitutionalism and rule of law. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

413. Suggest measures for improving constitutionalism and rule of law. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

414. With relevant examples, discuss constitutionalism and rule of law. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

415. To what extent does constitutionalism and rule of law influence political, administrative or social outcomes? Justify your answer.

416. Critically assess constitutionalism and rule of law. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

417. Examine the role of constitutionalism and rule of law. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

418. Discuss the advantages and disadvantages of constitutionalism and rule of law. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

419. Explain how constitutionalism and rule of law. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

420. Illustrate with examples constitutionalism and rule of law. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

20. Human Rights And Citizenship

421. Define and explain human rights and citizenship. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

422. Discuss human rights and citizenship. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

423. Examine critically human rights and citizenship. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

424. Explain the importance of human rights and citizenship. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

425. Describe the major features of human rights and citizenship. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

426. Differentiate between human rights and citizenship and a closely related concept, giving at least five clear distinctions.

427. Compare and contrast human rights and citizenship with another major concept studied in the same topic area.

428. Assess the relevance of human rights and citizenship. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

429. Evaluate the strengths and limitations of human rights and citizenship. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

430. Analyse the relationship between human rights and citizenship and effective governance, administration, society or political development.

431. Discuss the challenges facing human rights and citizenship. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

432. Explain the causes and consequences of human rights and citizenship. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

433. Suggest measures for improving human rights and citizenship. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

434. With relevant examples, discuss human rights and citizenship. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

435. To what extent does human rights and citizenship influence political, administrative or social outcomes? Justify your answer.

436. Critically assess human rights and citizenship. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

437. Examine the role of human rights and citizenship. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

438. Discuss the advantages and disadvantages of human rights and citizenship. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

439. Explain how human rights and citizenship. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

440. Illustrate with examples human rights and citizenship. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

Mini Revision Test

441. Write a well-organized answer on *human rights and citizenship*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

442. Write a well-organized answer on *comparative politics*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

443. Write a well-organized answer on *political institutions*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

444. Write a well-organized answer on *executive, legislature and judiciary*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

445. Write a well-organized answer on *local government and devolution*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

446. Write a well-organized answer on *Kenyan political system*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

447. Write a well-organized answer on *gender and politics*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

448. Write a well-organized answer on *youth and political participation*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

449. Write a well-organized answer on *media and politics*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

450. Write a well-organized answer on *globalization and politics*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

21. Comparative Politics

451. Define and explain comparative politics. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

452. Discuss comparative politics. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

453. Examine critically comparative politics. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

454. Explain the importance of comparative politics. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

455. Describe the major features of comparative politics. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

456. Differentiate between comparative politics and a closely related concept, giving at least five clear distinctions.

457. Compare and contrast comparative politics with another major concept studied in the same topic area.

458. Assess the relevance of comparative politics. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

459. Evaluate the strengths and limitations of comparative politics. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

460. Analyse the relationship between comparative politics and effective governance, administration, society or political development.

461. Discuss the challenges facing comparative politics. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

462. Explain the causes and consequences of comparative politics. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

463. Suggest measures for improving comparative politics. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

464. With relevant examples, discuss comparative politics. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

465. To what extent does comparative politics influence political, administrative or social outcomes? Justify your answer.

466. Critically assess comparative politics. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

467. Examine the role of comparative politics. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

468. Discuss the advantages and disadvantages of comparative politics. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

469. Explain how comparative politics. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

470. Illustrate with examples comparative politics. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

22. Political Institutions

471. Define and explain political institutions. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

472. Discuss political institutions. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

473. Examine critically political institutions. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

474. Explain the importance of political institutions. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

475. Describe the major features of political institutions. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

476. Differentiate between political institutions and a closely related concept, giving at least five clear distinctions.

477. Compare and contrast political institutions with another major concept studied in the same topic area.

478. Assess the relevance of political institutions. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

479. Evaluate the strengths and limitations of political institutions. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

480. Analyse the relationship between political institutions and effective governance, administration, society or political development.

481. Discuss the challenges facing political institutions. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

482. Explain the causes and consequences of political institutions. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

483. Suggest measures for improving political institutions. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

484. With relevant examples, discuss political institutions. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

485. To what extent does political institutions influence political, administrative or social outcomes? Justify your answer.

486. Critically assess political institutions. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

487. Examine the role of political institutions. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

488. Discuss the advantages and disadvantages of political institutions. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

489. Explain how political institutions. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

490. Illustrate with examples political institutions. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

23. Executive, Legislature And Judiciary

491. Define and explain executive, legislature and judiciary. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

492. Discuss executive, legislature and judiciary. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

493. Examine critically executive, legislature and judiciary. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

494. Explain the importance of executive, legislature and judiciary. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

495. Describe the major features of executive, legislature and judiciary. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

496. Differentiate between executive, legislature and judiciary and a closely related concept, giving at least five clear distinctions.

497. Compare and contrast executive, legislature and judiciary with another major concept studied in the same topic area.

498. Assess the relevance of executive, legislature and judiciary. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

499. Evaluate the strengths and limitations of executive, legislature and judiciary. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

500. Analyse the relationship between executive, legislature and judiciary and effective governance, administration, society or political development.

501. Discuss the challenges facing executive, legislature and judiciary. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

502. Explain the causes and consequences of executive, legislature and judiciary. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

503. Suggest measures for improving executive, legislature and judiciary. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

504. With relevant examples, discuss executive, legislature and judiciary. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

505. To what extent does executive, legislature and judiciary influence political, administrative or social outcomes? Justify your answer.

506. Critically assess executive, legislature and judiciary. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

507. Examine the role of executive, legislature and judiciary. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

508. Discuss the advantages and disadvantages of executive, legislature and judiciary. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

509. Explain how executive, legislature and judiciary. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

510. Illustrate with examples executive, legislature and judiciary. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

24. Local Government And Devolution

511. Define and explain local government and devolution. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

512. Discuss local government and devolution. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

513. Examine critically local government and devolution. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

514. Explain the importance of local government and devolution. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

515. Describe the major features of local government and devolution. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

516. Differentiate between local government and devolution and a closely related concept, giving at least five clear distinctions.

517. Compare and contrast local government and devolution with another major concept studied in the same topic area.

518. Assess the relevance of local government and devolution. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

519. Evaluate the strengths and limitations of local government and devolution. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

520. Analyse the relationship between local government and devolution and effective governance, administration, society or political development.

521. Discuss the challenges facing local government and devolution. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

522. Explain the causes and consequences of local government and devolution. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

523. Suggest measures for improving local government and devolution. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

524. With relevant examples, discuss local government and devolution. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

525. To what extent does local government and devolution influence political, administrative or social outcomes? Justify your answer.

526. Critically assess local government and devolution. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

527. Examine the role of local government and devolution. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

528. Discuss the advantages and disadvantages of local government and devolution. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

529. Explain how local government and devolution. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

530. Illustrate with examples local government and devolution. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

Mini Revision Test

531. Write a well-organized answer on *local government and devolution*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

532. Write a well-organized answer on *Kenyan political system*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

533. Write a well-organized answer on *gender and politics*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

534. Write a well-organized answer on *youth and political participation*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

535. Write a well-organized answer on *media and politics*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

536. Write a well-organized answer on *globalization and politics*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

537. Write a well-organized answer on *political development*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

538. Write a well-organized answer on *political stability and conflict*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

539. Write a well-organized answer on *good governance and accountability*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

540. Write a well-organized answer on *meaning, nature and scope of political science*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

25. Kenyan Political System

541. Define and explain Kenyan political system. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

542. Discuss Kenyan political system. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

543. Examine critically Kenyan political system. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

544. Explain the importance of Kenyan political system. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

545. Describe the major features of Kenyan political system. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

546. Differentiate between Kenyan political system and a closely related concept, giving at least five clear distinctions.

547. Compare and contrast Kenyan political system with another major concept studied in the same topic area.

548. Assess the relevance of Kenyan political system. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

549. Evaluate the strengths and limitations of Kenyan political system. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

550. Analyse the relationship between Kenyan political system and effective governance, administration, society or political development.

551. Discuss the challenges facing Kenyan political system. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

552. Explain the causes and consequences of Kenyan political system. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

553. Suggest measures for improving Kenyan political system. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

554. With relevant examples, discuss Kenyan political system. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

555. To what extent does Kenyan political system influence political, administrative or social outcomes? Justify your answer.

556. Critically assess Kenyan political system. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

557. Examine the role of Kenyan political system. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

558. Discuss the advantages and disadvantages of Kenyan political system. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

559. Explain how Kenyan political system. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

560. Illustrate with examples Kenyan political system. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

26. Gender And Politics

561. Define and explain gender and politics. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

562. Discuss gender and politics. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

563. Examine critically gender and politics. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

564. Explain the importance of gender and politics. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

565. Describe the major features of gender and politics. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

566. Differentiate between gender and politics and a closely related concept, giving at least five clear distinctions.

567. Compare and contrast gender and politics with another major concept studied in the same topic area.

568. Assess the relevance of gender and politics. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

569. Evaluate the strengths and limitations of gender and politics. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

570. Analyse the relationship between gender and politics and effective governance, administration, society or political development.

571. Discuss the challenges facing gender and politics. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

572. Explain the causes and consequences of gender and politics. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

573. Suggest measures for improving gender and politics. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

574. With relevant examples, discuss gender and politics. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

575. To what extent does gender and politics influence political, administrative or social outcomes? Justify your answer.

576. Critically assess gender and politics. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

577. Examine the role of gender and politics. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

578. Discuss the advantages and disadvantages of gender and politics. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

579. Explain how gender and politics. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

580. Illustrate with examples gender and politics. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

27. Youth And Political Participation

581. Define and explain youth and political participation. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

582. Discuss youth and political participation. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

583. Examine critically youth and political participation. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

584. Explain the importance of youth and political participation. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

585. Describe the major features of youth and political participation. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

586. Differentiate between youth and political participation and a closely related concept, giving at least five clear distinctions.

587. Compare and contrast youth and political participation with another major concept studied in the same topic area.

588. Assess the relevance of youth and political participation. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

589. Evaluate the strengths and limitations of youth and political participation. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

590. Analyse the relationship between youth and political participation and effective governance, administration, society or political development.

591. Discuss the challenges facing youth and political participation. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

592. Explain the causes and consequences of youth and political participation. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

593. Suggest measures for improving youth and political participation. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

594. With relevant examples, discuss youth and political participation. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

595. To what extent does youth and political participation influence political, administrative or social outcomes? Justify your answer.

596. Critically assess youth and political participation. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

597. Examine the role of youth and political participation. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

598. Discuss the advantages and disadvantages of youth and political participation. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

599. Explain how youth and political participation. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

600. Illustrate with examples youth and political participation. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

28. Media And Politics

601. Define and explain media and politics. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

602. Discuss media and politics. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

603. Examine critically media and politics. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

604. Explain the importance of media and politics. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

605. Describe the major features of media and politics. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

606. Differentiate between media and politics and a closely related concept, giving at least five clear distinctions.

607. Compare and contrast media and politics with another major concept studied in the same topic area.

608. Assess the relevance of media and politics. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

609. Evaluate the strengths and limitations of media and politics. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

610. Analyse the relationship between media and politics and effective governance, administration, society or political development.

611. Discuss the challenges facing media and politics. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

612. Explain the causes and consequences of media and politics. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

613. Suggest measures for improving media and politics. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

614. With relevant examples, discuss media and politics. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

615. To what extent does media and politics influence political, administrative or social outcomes? Justify your answer.

616. Critically assess media and politics. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

617. Examine the role of media and politics. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

618. Discuss the advantages and disadvantages of media and politics. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

619. Explain how media and politics. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

620. Illustrate with examples media and politics. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

Mini Revision Test

621. Write a well-organized answer on *media and politics*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

622. Write a well-organized answer on *globalization and politics*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

623. Write a well-organized answer on *political development*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

624. Write a well-organized answer on *political stability and conflict*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

625. Write a well-organized answer on *good governance and accountability*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

626. Write a well-organized answer on *meaning, nature and scope of political science*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

627. Write a well-organized answer on *politics and political science*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

628. Write a well-organized answer on *political concepts and terminology*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

629. Write a well-organized answer on *state and its characteristics*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

630. Write a well-organized answer on *nation, nationality and nationalism*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

29. Globalization And Politics

631. Define and explain globalization and politics. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

632. Discuss globalization and politics. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

633. Examine critically globalization and politics. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

634. Explain the importance of globalization and politics. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

635. Describe the major features of globalization and politics. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

636. Differentiate between globalization and politics and a closely related concept, giving at least five clear distinctions.

637. Compare and contrast globalization and politics with another major concept studied in the same topic area.

638. Assess the relevance of globalization and politics. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

639. Evaluate the strengths and limitations of globalization and politics. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

640. Analyse the relationship between globalization and politics and effective governance, administration, society or political development.

641. Discuss the challenges facing globalization and politics. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

642. Explain the causes and consequences of globalization and politics. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

643. Suggest measures for improving globalization and politics. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

644. With relevant examples, discuss globalization and politics. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

645. To what extent does globalization and politics influence political, administrative or social outcomes? Justify your answer.

646. Critically assess globalization and politics. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

647. Examine the role of globalization and politics. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

648. Discuss the advantages and disadvantages of globalization and politics. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

649. Explain how globalization and politics. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

650. Illustrate with examples globalization and politics. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

30. Political Development

651. Define and explain political development. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

652. Discuss political development. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

653. Examine critically political development. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

654. Explain the importance of political development. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

655. Describe the major features of political development. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

656. Differentiate between political development and a closely related concept, giving at least five clear distinctions.

657. Compare and contrast political development with another major concept studied in the same topic area.

658. Assess the relevance of political development. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

659. Evaluate the strengths and limitations of political development. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

660. Analyse the relationship between political development and effective governance, administration, society or political development.

661. Discuss the challenges facing political development. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

662. Explain the causes and consequences of political development. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

663. Suggest measures for improving political development. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

664. With relevant examples, discuss political development. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

665. To what extent does political development influence political, administrative or social outcomes? Justify your answer.

666. Critically assess political development. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

667. Examine the role of political development. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

668. Discuss the advantages and disadvantages of political development. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

669. Explain how political development. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

670. Illustrate with examples political development. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

31. Political Stability And Conflict

671. Define and explain political stability and conflict. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

672. Discuss political stability and conflict. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

673. Examine critically political stability and conflict. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

674. Explain the importance of political stability and conflict. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

675. Describe the major features of political stability and conflict. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

676. Differentiate between political stability and conflict and a closely related concept, giving at least five clear distinctions.

677. Compare and contrast political stability and conflict with another major concept studied in the same topic area.

678. Assess the relevance of political stability and conflict. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

679. Evaluate the strengths and limitations of political stability and conflict. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

680. Analyse the relationship between political stability and conflict and effective governance, administration, society or political development.

681. Discuss the challenges facing political stability and conflict. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

682. Explain the causes and consequences of political stability and conflict. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

683. Suggest measures for improving political stability and conflict. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

684. With relevant examples, discuss political stability and conflict. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

685. To what extent does political stability and conflict influence political, administrative or social outcomes? Justify your answer.

686. Critically assess political stability and conflict. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

687. Examine the role of political stability and conflict. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

688. Discuss the advantages and disadvantages of political stability and conflict. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

689. Explain how political stability and conflict. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

690. Illustrate with examples political stability and conflict. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

32. Good Governance And Accountability

691. Define and explain good governance and accountability. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

692. Discuss good governance and accountability. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

693. Examine critically good governance and accountability. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

694. Explain the importance of good governance and accountability. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

695. Describe the major features of good governance and accountability. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

696. Differentiate between good governance and accountability and a closely related concept, giving at least five clear distinctions.

697. Compare and contrast good governance and accountability with another major concept studied in the same topic area.

698. Assess the relevance of good governance and accountability. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

699. Evaluate the strengths and limitations of good governance and accountability. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

700. Analyse the relationship between good governance and accountability and effective governance, administration, society or political development.

701. Discuss the challenges facing good governance and accountability. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

702. Explain the causes and consequences of good governance and accountability. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

703. Suggest measures for improving good governance and accountability. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

704. With relevant examples, discuss good governance and accountability. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

705. To what extent does good governance and accountability influence political, administrative or social outcomes? Justify your answer.

706. Critically assess good governance and accountability. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

707. Examine the role of good governance and accountability. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

708. Discuss the advantages and disadvantages of good governance and accountability. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

709. Explain how good governance and accountability. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

710. Illustrate with examples good governance and accountability. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

Mini Revision Test

711. Write a well-organized answer on *good governance and accountability*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

712. Write a well-organized answer on *meaning, nature and scope of political science*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

713. Write a well-organized answer on *politics and political science*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

714. Write a well-organized answer on *political concepts and terminology*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

715. Write a well-organized answer on *state and its characteristics*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

716. Write a well-organized answer on *nation, nationality and nationalism*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

717. Write a well-organized answer on *sovereignty*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

718. Write a well-organized answer on *power, authority and legitimacy*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

719. Write a well-organized answer on *government and its forms*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

720. Write a well-organized answer on *democracy and democratic principles*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

PSA 111: Introduction to Public Administration

This section provides a broad examination bank covering the major themes associated with Introduction to Public Administration.

1. Meaning, Nature And Scope Of Public Administration

721. Define and explain meaning, nature and scope of public administration. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

722. Discuss meaning, nature and scope of public administration. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

723. Examine critically meaning, nature and scope of public administration. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

724. Explain the importance of meaning, nature and scope of public administration. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

725. Describe the major features of meaning, nature and scope of public administration. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

726. Differentiate between meaning, nature and scope of public administration and a closely related concept, giving at least five clear distinctions.

727. Compare and contrast meaning, nature and scope of public administration with another major concept studied in the same topic area.

728. Assess the relevance of meaning, nature and scope of public administration. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

729. Evaluate the strengths and limitations of meaning, nature and scope of public administration. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

730. Analyse the relationship between meaning, nature and scope of public administration and effective governance, administration, society or political development.

731. Discuss the challenges facing meaning, nature and scope of public administration. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

732. Explain the causes and consequences of meaning, nature and scope of public administration. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

733. Suggest measures for improving meaning, nature and scope of public administration. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

734. With relevant examples, discuss meaning, nature and scope of public administration. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

735. To what extent does meaning, nature and scope of public administration influence political, administrative or social outcomes? Justify your answer.

736. Critically assess meaning, nature and scope of public administration. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

737. Examine the role of meaning, nature and scope of public administration. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

738. Discuss the advantages and disadvantages of meaning, nature and scope of public administration. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

739. Explain how meaning, nature and scope of public administration. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

740. Illustrate with examples meaning, nature and scope of public administration. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2. Public Administration And Private Administration

741. Define and explain public administration and private administration. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

742. Discuss public administration and private administration. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

743. Examine critically public administration and private administration. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

744. Explain the importance of public administration and private administration. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

745. Describe the major features of public administration and private administration. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

746. Differentiate between public administration and private administration and a closely related concept, giving at least five clear distinctions.

747. Compare and contrast public administration and private administration with another major concept studied in the same topic area.

748. Assess the relevance of public administration and private administration. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

749. Evaluate the strengths and limitations of public administration and private administration. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

750. Analyse the relationship between public administration and private administration and effective governance, administration, society or political development.

751. Discuss the challenges facing public administration and private administration. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

752. Explain the causes and consequences of public administration and private administration. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

753. Suggest measures for improving public administration and private administration. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

754. With relevant examples, discuss public administration and private administration. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

755. To what extent does public administration and private administration influence political, administrative or social outcomes? Justify your answer.

756. Critically assess public administration and private administration. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

757. Examine the role of public administration and private administration. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

758. Discuss the advantages and disadvantages of public administration and private administration. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

759. Explain how public administration and private administration. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

760. Illustrate with examples public administration and private administration. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3. Evolution Of Public Administration

761. Define and explain evolution of public administration. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

762. Discuss evolution of public administration. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

763. Examine critically evolution of public administration. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

764. Explain the importance of evolution of public administration. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

765. Describe the major features of evolution of public administration. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

766. Differentiate between evolution of public administration and a closely related concept, giving at least five clear distinctions.

767. Compare and contrast evolution of public administration with another major concept studied in the same topic area.

768. Assess the relevance of evolution of public administration. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

769. Evaluate the strengths and limitations of evolution of public administration. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

770. Analyse the relationship between evolution of public administration and effective governance, administration, society or political development.

771. Discuss the challenges facing evolution of public administration. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

772. Explain the causes and consequences of evolution of public administration. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

773. Suggest measures for improving evolution of public administration. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

774. With relevant examples, discuss evolution of public administration. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

775. To what extent does evolution of public administration influence political, administrative or social outcomes? Justify your answer.

776. Critically assess evolution of public administration. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

777. Examine the role of evolution of public administration. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

778. Discuss the advantages and disadvantages of evolution of public administration. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

779. Explain how evolution of public administration. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

780. Illustrate with examples evolution of public administration. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4. Politics-Administration Relationship

781. Define and explain politics-administration relationship. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

782. Discuss politics-administration relationship. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

783. Examine critically politics-administration relationship. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

784. Explain the importance of politics-administration relationship. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

785. Describe the major features of politics-administration relationship. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

786. Differentiate between politics-administration relationship and a closely related concept, giving at least five clear distinctions.

787. Compare and contrast politics-administration relationship with another major concept studied in the same topic area.

788. Assess the relevance of politics-administration relationship. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

789. Evaluate the strengths and limitations of politics-administration relationship. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

790. Analyse the relationship between politics-administration relationship and effective governance, administration, society or political development.

791. Discuss the challenges facing politics-administration relationship. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

792. Explain the causes and consequences of politics-administration relationship. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

793. Suggest measures for improving politics-administration relationship. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

794. With relevant examples, discuss politics-administration relationship. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

795. To what extent does politics-administration relationship influence political, administrative or social outcomes? Justify your answer.

796. Critically assess politics-administration relationship. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

797. Examine the role of politics-administration relationship. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

798. Discuss the advantages and disadvantages of politics-administration relationship. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

799. Explain how politics-administration relationship. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

800. Illustrate with examples politics-administration relationship. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

Mini Revision Test

801. Write a well-organized answer on *politics-administration relationship*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

802. Write a well-organized answer on *public bureaucracy*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

803. Write a well-organized answer on *principles of organization*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

804. Write a well-organized answer on *division of labour and specialization*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

805. Write a well-organized answer on *hierarchy and span of control*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

806. Write a well-organized answer on *unity of command and coordination*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

807. Write a well-organized answer on *delegation and decentralization*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

808. Write a well-organized answer on *centralization and deconcentration*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

809. Write a well-organized answer on *merit system and civil service*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

810. Write a well-organized answer on *public personnel administration*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

5. Public Bureaucracy

811. Define and explain public bureaucracy. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

812. Discuss public bureaucracy. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

813. Examine critically public bureaucracy. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

814. Explain the importance of public bureaucracy. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

815. Describe the major features of public bureaucracy. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

816. Differentiate between public bureaucracy and a closely related concept, giving at least five clear distinctions.

817. Compare and contrast public bureaucracy with another major concept studied in the same topic area.

818. Assess the relevance of public bureaucracy. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

819. Evaluate the strengths and limitations of public bureaucracy. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

820. Analyse the relationship between public bureaucracy and effective governance, administration, society or political development.

821. Discuss the challenges facing public bureaucracy. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

822. Explain the causes and consequences of public bureaucracy. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

823. Suggest measures for improving public bureaucracy. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

824. With relevant examples, discuss public bureaucracy. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

825. To what extent does public bureaucracy influence political, administrative or social outcomes? Justify your answer.

826. Critically assess public bureaucracy. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

827. Examine the role of public bureaucracy. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

828. Discuss the advantages and disadvantages of public bureaucracy. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

829. Explain how public bureaucracy. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

830. Illustrate with examples public bureaucracy. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

6. Principles Of Organization

831. Define and explain principles of organization. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

832. Discuss principles of organization. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

833. Examine critically principles of organization. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

834. Explain the importance of principles of organization. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

835. Describe the major features of principles of organization. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

836. Differentiate between principles of organization and a closely related concept, giving at least five clear distinctions.

837. Compare and contrast principles of organization with another major concept studied in the same topic area.

838. Assess the relevance of principles of organization. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

839. Evaluate the strengths and limitations of principles of organization. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

840. Analyse the relationship between principles of organization and effective governance, administration, society or political development.

841. Discuss the challenges facing principles of organization. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

842. Explain the causes and consequences of principles of organization. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

843. Suggest measures for improving principles of organization. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

844. With relevant examples, discuss principles of organization. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

845. To what extent does principles of organization influence political, administrative or social outcomes? Justify your answer.

846. Critically assess principles of organization. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

847. Examine the role of principles of organization. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

848. Discuss the advantages and disadvantages of principles of organization. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

849. Explain how principles of organization. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

850. Illustrate with examples principles of organization. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

7. Division Of Labour And Specialization

851. Define and explain division of labour and specialization. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

852. Discuss division of labour and specialization. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

853. Examine critically division of labour and specialization. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

854. Explain the importance of division of labour and specialization. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

855. Describe the major features of division of labour and specialization. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

856. Differentiate between division of labour and specialization and a closely related concept, giving at least five clear distinctions.

857. Compare and contrast division of labour and specialization with another major concept studied in the same topic area.

858. Assess the relevance of division of labour and specialization. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

859. Evaluate the strengths and limitations of division of labour and specialization. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

860. Analyse the relationship between division of labour and specialization and effective governance, administration, society or political development.

861. Discuss the challenges facing division of labour and specialization. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

862. Explain the causes and consequences of division of labour and specialization. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

863. Suggest measures for improving division of labour and specialization. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

864. With relevant examples, discuss division of labour and specialization. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

865. To what extent does division of labour and specialization influence political, administrative or social outcomes? Justify your answer.

866. Critically assess division of labour and specialization. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

867. Examine the role of division of labour and specialization. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

868. Discuss the advantages and disadvantages of division of labour and specialization. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

869. Explain how division of labour and specialization. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

870. Illustrate with examples division of labour and specialization. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

8. Hierarchy And Span Of Control

871. Define and explain hierarchy and span of control. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

872. Discuss hierarchy and span of control. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

873. Examine critically hierarchy and span of control. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

874. Explain the importance of hierarchy and span of control. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

875. Describe the major features of hierarchy and span of control. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

876. Differentiate between hierarchy and span of control and a closely related concept, giving at least five clear distinctions.

877. Compare and contrast hierarchy and span of control with another major concept studied in the same topic area.

878. Assess the relevance of hierarchy and span of control. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

879. Evaluate the strengths and limitations of hierarchy and span of control. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

880. Analyse the relationship between hierarchy and span of control and effective governance, administration, society or political development.

881. Discuss the challenges facing hierarchy and span of control. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

882. Explain the causes and consequences of hierarchy and span of control. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

883. Suggest measures for improving hierarchy and span of control. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

884. With relevant examples, discuss hierarchy and span of control. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

885. To what extent does hierarchy and span of control influence political, administrative or social outcomes? Justify your answer.

886. Critically assess hierarchy and span of control. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

887. Examine the role of hierarchy and span of control. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

888. Discuss the advantages and disadvantages of hierarchy and span of control. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

889. Explain how hierarchy and span of control. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

890. Illustrate with examples hierarchy and span of control. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

Mini Revision Test

891. Write a well-organized answer on *hierarchy and span of control*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

892. Write a well-organized answer on *unity of command and coordination*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

893. Write a well-organized answer on *delegation and decentralization*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

894. Write a well-organized answer on *centralization and deconcentration*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

895. Write a well-organized answer on *merit system and civil service*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

896. Write a well-organized answer on *public personnel administration*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

897. Write a well-organized answer on *leadership and motivation in public organizations*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

898. Write a well-organized answer on *decision-making in public administration*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

899. Write a well-organized answer on *communication in public organizations*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

900. Write a well-organized answer on *public budgeting*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

9. Unity Of Command And Coordination

901. Define and explain unity of command and coordination. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

902. Discuss unity of command and coordination. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

903. Examine critically unity of command and coordination. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

904. Explain the importance of unity of command and coordination. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

905. Describe the major features of unity of command and coordination. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

906. Differentiate between unity of command and coordination and a closely related concept, giving at least five clear distinctions.

907. Compare and contrast unity of command and coordination with another major concept studied in the same topic area.

908. Assess the relevance of unity of command and coordination. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

909. Evaluate the strengths and limitations of unity of command and coordination. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

910. Analyse the relationship between unity of command and coordination and effective governance, administration, society or political development.

911. Discuss the challenges facing unity of command and coordination. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

912. Explain the causes and consequences of unity of command and coordination. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

913. Suggest measures for improving unity of command and coordination. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

914. With relevant examples, discuss unity of command and coordination. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

915. To what extent does unity of command and coordination influence political, administrative or social outcomes? Justify your answer.

916. Critically assess unity of command and coordination. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

917. Examine the role of unity of command and coordination. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

918. Discuss the advantages and disadvantages of unity of command and coordination. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

919. Explain how unity of command and coordination. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

920. Illustrate with examples unity of command and coordination. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

10. Delegation And Decentralization

921. Define and explain delegation and decentralization. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

922. Discuss delegation and decentralization. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

923. Examine critically delegation and decentralization. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

924. Explain the importance of delegation and decentralization. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

925. Describe the major features of delegation and decentralization. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

926. Differentiate between delegation and decentralization and a closely related concept, giving at least five clear distinctions.

927. Compare and contrast delegation and decentralization with another major concept studied in the same topic area.

928. Assess the relevance of delegation and decentralization. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

929. Evaluate the strengths and limitations of delegation and decentralization. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

930. Analyse the relationship between delegation and decentralization and effective governance, administration, society or political development.

931. Discuss the challenges facing delegation and decentralization. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

932. Explain the causes and consequences of delegation and decentralization. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

933. Suggest measures for improving delegation and decentralization. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

934. With relevant examples, discuss delegation and decentralization. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

935. To what extent does delegation and decentralization influence political, administrative or social outcomes? Justify your answer.

936. Critically assess delegation and decentralization. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

937. Examine the role of delegation and decentralization. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

938. Discuss the advantages and disadvantages of delegation and decentralization. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

939. Explain how delegation and decentralization. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

940. Illustrate with examples delegation and decentralization. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

11. Centralization And Deconcentration

941. Define and explain centralization and deconcentration. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

942. Discuss centralization and deconcentration. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

943. Examine critically centralization and deconcentration. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

944. Explain the importance of centralization and deconcentration. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

945. Describe the major features of centralization and deconcentration. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

946. Differentiate between centralization and deconcentration and a closely related concept, giving at least five clear distinctions.

947. Compare and contrast centralization and deconcentration with another major concept studied in the same topic area.

948. Assess the relevance of centralization and deconcentration. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

949. Evaluate the strengths and limitations of centralization and deconcentration. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

950. Analyse the relationship between centralization and deconcentration and effective governance, administration, society or political development.

951. Discuss the challenges facing centralization and deconcentration. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

952. Explain the causes and consequences of centralization and deconcentration. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

953. Suggest measures for improving centralization and deconcentration. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

954. With relevant examples, discuss centralization and deconcentration. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

955. To what extent does centralization and deconcentration influence political, administrative or social outcomes? Justify your answer.

956. Critically assess centralization and deconcentration. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

957. Examine the role of centralization and deconcentration. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

958. Discuss the advantages and disadvantages of centralization and deconcentration. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

959. Explain how centralization and deconcentration. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

960. Illustrate with examples centralization and deconcentration. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

12. Merit System And Civil Service

961. Define and explain merit system and civil service. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

962. Discuss merit system and civil service. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

963. Examine critically merit system and civil service. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

964. Explain the importance of merit system and civil service. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

965. Describe the major features of merit system and civil service. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

966. Differentiate between merit system and civil service and a closely related concept, giving at least five clear distinctions.

967. Compare and contrast merit system and civil service with another major concept studied in the same topic area.

968. Assess the relevance of merit system and civil service. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

969. Evaluate the strengths and limitations of merit system and civil service. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

970. Analyse the relationship between merit system and civil service and effective governance, administration, society or political development.

971. Discuss the challenges facing merit system and civil service. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

972. Explain the causes and consequences of merit system and civil service. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

973. Suggest measures for improving merit system and civil service. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

974. With relevant examples, discuss merit system and civil service. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

975. To what extent does merit system and civil service influence political, administrative or social outcomes? Justify your answer.

976. Critically assess merit system and civil service. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

977. Examine the role of merit system and civil service. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

978. Discuss the advantages and disadvantages of merit system and civil service. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

979. Explain how merit system and civil service. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

980. Illustrate with examples merit system and civil service. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

Mini Revision Test

981. Write a well-organized answer on *merit system and civil service*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

982. Write a well-organized answer on *public personnel administration*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

983. Write a well-organized answer on *leadership and motivation in public organizations*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

984. Write a well-organized answer on *decision-making in public administration*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

985. Write a well-organized answer on *communication in public organizations*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

986. Write a well-organized answer on *public budgeting*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

987. Write a well-organized answer on *public finance and accountability*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

988. Write a well-organized answer on *policy formulation and implementation*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

989. Write a well-organized answer on *monitoring and evaluation*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

990. Write a well-organized answer on *ethics in public service*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

13. Public Personnel Administration

991. Define and explain public personnel administration. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

992. Discuss public personnel administration. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

993. Examine critically public personnel administration. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

994. Explain the importance of public personnel administration. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

995. Describe the major features of public personnel administration. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

996. Differentiate between public personnel administration and a closely related concept, giving at least five clear distinctions.

997. Compare and contrast public personnel administration with another major concept studied in the same topic area.

998. Assess the relevance of public personnel administration. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

999. Evaluate the strengths and limitations of public personnel administration. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1000. Analyse the relationship between public personnel administration and effective governance, administration, society or political development.

1001. Discuss the challenges facing public personnel administration. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1002. Explain the causes and consequences of public personnel administration. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1003. Suggest measures for improving public personnel administration. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1004. With relevant examples, discuss public personnel administration. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1005. To what extent does public personnel administration influence political, administrative or social outcomes? Justify your answer.

1006. Critically assess public personnel administration. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1007. Examine the role of public personnel administration. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1008. Discuss the advantages and disadvantages of public personnel administration. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1009. Explain how public personnel administration. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1010. Illustrate with examples public personnel administration. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

14. Leadership And Motivation In Public Organizations

1011. Define and explain leadership and motivation in public organizations. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1012. Discuss leadership and motivation in public organizations. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1013. Examine critically leadership and motivation in public organizations. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1014. Explain the importance of leadership and motivation in public organizations. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1015. Describe the major features of leadership and motivation in public organizations. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1016. Differentiate between leadership and motivation in public organizations and a closely related concept, giving at least five clear distinctions.

1017. Compare and contrast leadership and motivation in public organizations with another major concept studied in the same topic area.

1018. Assess the relevance of leadership and motivation in public organizations. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1019. Evaluate the strengths and limitations of leadership and motivation in public organizations. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1020. Analyse the relationship between leadership and motivation in public organizations and effective governance, administration, society or political development.

1021. Discuss the challenges facing leadership and motivation in public organizations. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1022. Explain the causes and consequences of leadership and motivation in public organizations. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1023. Suggest measures for improving leadership and motivation in public organizations. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1024. With relevant examples, discuss leadership and motivation in public organizations. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1025. To what extent does leadership and motivation in public organizations influence political, administrative or social outcomes? Justify your answer.

1026. Critically assess leadership and motivation in public organizations. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1027. Examine the role of leadership and motivation in public organizations. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1028. Discuss the advantages and disadvantages of leadership and motivation in public organizations. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1029. Explain how leadership and motivation in public organizations. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1030. Illustrate with examples leadership and motivation in public organizations. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

15. Decision-Making In Public Administration

1031. Define and explain decision-making in public administration. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1032. Discuss decision-making in public administration. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1033. Examine critically decision-making in public administration. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1034. Explain the importance of decision-making in public administration. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1035. Describe the major features of decision-making in public administration. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1036. Differentiate between decision-making in public administration and a closely related concept, giving at least five clear distinctions.

1037. Compare and contrast decision-making in public administration with another major concept studied in the same topic area.

1038. Assess the relevance of decision-making in public administration. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1039. Evaluate the strengths and limitations of decision-making in public administration. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1040. Analyse the relationship between decision-making in public administration and effective governance, administration, society or political development.

1041. Discuss the challenges facing decision-making in public administration. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1042. Explain the causes and consequences of decision-making in public administration. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1043. Suggest measures for improving decision-making in public administration. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1044. With relevant examples, discuss decision-making in public administration. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1045. To what extent does decision-making in public administration influence political, administrative or social outcomes? Justify your answer.

1046. Critically assess decision-making in public administration. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1047. Examine the role of decision-making in public administration. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1048. Discuss the advantages and disadvantages of decision-making in public administration. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1049. Explain how decision-making in public administration. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1050. Illustrate with examples decision-making in public administration. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

16. Communication In Public Organizations

1051. Define and explain communication in public organizations. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1052. Discuss communication in public organizations. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1053. Examine critically communication in public organizations. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1054. Explain the importance of communication in public organizations. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1055. Describe the major features of communication in public organizations. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1056. Differentiate between communication in public organizations and a closely related concept, giving at least five clear distinctions.

1057. Compare and contrast communication in public organizations with another major concept studied in the same topic area.

1058. Assess the relevance of communication in public organizations. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1059. Evaluate the strengths and limitations of communication in public organizations. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1060. Analyse the relationship between communication in public organizations and effective governance, administration, society or political development.

1061. Discuss the challenges facing communication in public organizations. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1062. Explain the causes and consequences of communication in public organizations. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1063. Suggest measures for improving communication in public organizations. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1064. With relevant examples, discuss communication in public organizations. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1065. To what extent does communication in public organizations influence political, administrative or social outcomes? Justify your answer.

1066. Critically assess communication in public organizations. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1067. Examine the role of communication in public organizations. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1068. Discuss the advantages and disadvantages of communication in public organizations. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1069. Explain how communication in public organizations. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1070. Illustrate with examples communication in public organizations. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

Mini Revision Test

1071. Write a well-organized answer on *communication in public organizations*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

1072. Write a well-organized answer on *public budgeting*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

1073. Write a well-organized answer on *public finance and accountability*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

1074. Write a well-organized answer on *policy formulation and implementation*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

1075. Write a well-organized answer on *monitoring and evaluation*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

1076. Write a well-organized answer on *ethics in public service*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

1077. Write a well-organized answer on *corruption and anti-corruption*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

1078. Write a well-organized answer on *citizen participation and service delivery*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

1079. Write a well-organized answer on *e-government and digital public services*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

1080. Write a well-organized answer on *devolution and county administration in Kenya*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

17. Public Budgeting

1081. Define and explain public budgeting. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1082. Discuss public budgeting. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1083. Examine critically public budgeting. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1084. Explain the importance of public budgeting. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1085. Describe the major features of public budgeting. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1086. Differentiate between public budgeting and a closely related concept, giving at least five clear distinctions.

1087. Compare and contrast public budgeting with another major concept studied in the same topic area.

1088. Assess the relevance of public budgeting. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1089. Evaluate the strengths and limitations of public budgeting. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1090. Analyse the relationship between public budgeting and effective governance, administration, society or political development.

1091. Discuss the challenges facing public budgeting. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1092. Explain the causes and consequences of public budgeting. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1093. Suggest measures for improving public budgeting. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1094. With relevant examples, discuss public budgeting. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1095. To what extent does public budgeting influence political, administrative or social outcomes? Justify your answer.

1096. Critically assess public budgeting. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1097. Examine the role of public budgeting. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1098. Discuss the advantages and disadvantages of public budgeting. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1099. Explain how public budgeting. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1100. Illustrate with examples public budgeting. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

18. Public Finance And Accountability

1101. Define and explain public finance and accountability. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1102. Discuss public finance and accountability. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1103. Examine critically public finance and accountability. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1104. Explain the importance of public finance and accountability. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1105. Describe the major features of public finance and accountability. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1106. Differentiate between public finance and accountability and a closely related concept, giving at least five clear distinctions.

1107. Compare and contrast public finance and accountability with another major concept studied in the same topic area.

1108. Assess the relevance of public finance and accountability. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1109. Evaluate the strengths and limitations of public finance and accountability. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1110. Analyse the relationship between public finance and accountability and effective governance, administration, society or political development.

1111. Discuss the challenges facing public finance and accountability. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1112. Explain the causes and consequences of public finance and accountability. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1113. Suggest measures for improving public finance and accountability. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1114. With relevant examples, discuss public finance and accountability. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1115. To what extent does public finance and accountability influence political, administrative or social outcomes? Justify your answer.

1116. Critically assess public finance and accountability. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1117. Examine the role of public finance and accountability. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1118. Discuss the advantages and disadvantages of public finance and accountability. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1119. Explain how public finance and accountability. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1120. Illustrate with examples public finance and accountability. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

19. Policy Formulation And Implementation

1121. Define and explain policy formulation and implementation. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1122. Discuss policy formulation and implementation. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1123. Examine critically policy formulation and implementation. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1124. Explain the importance of policy formulation and implementation. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1125. Describe the major features of policy formulation and implementation. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1126. Differentiate between policy formulation and implementation and a closely related concept, giving at least five clear distinctions.

1127. Compare and contrast policy formulation and implementation with another major concept studied in the same topic area.

1128. Assess the relevance of policy formulation and implementation. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1129. Evaluate the strengths and limitations of policy formulation and implementation. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1130. Analyse the relationship between policy formulation and implementation and effective governance, administration, society or political development.

1131. Discuss the challenges facing policy formulation and implementation. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1132. Explain the causes and consequences of policy formulation and implementation. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1133. Suggest measures for improving policy formulation and implementation. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1134. With relevant examples, discuss policy formulation and implementation. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1135. To what extent does policy formulation and implementation influence political, administrative or social outcomes? Justify your answer.

1136. Critically assess policy formulation and implementation. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1137. Examine the role of policy formulation and implementation. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1138. Discuss the advantages and disadvantages of policy formulation and implementation. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1139. Explain how policy formulation and implementation. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1140. Illustrate with examples policy formulation and implementation. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

20. Monitoring And Evaluation

1141. Define and explain monitoring and evaluation. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1142. Discuss monitoring and evaluation. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1143. Examine critically monitoring and evaluation. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1144. Explain the importance of monitoring and evaluation. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1145. Describe the major features of monitoring and evaluation. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1146. Differentiate between monitoring and evaluation and a closely related concept, giving at least five clear distinctions.

1147. Compare and contrast monitoring and evaluation with another major concept studied in the same topic area.

1148. Assess the relevance of monitoring and evaluation. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1149. Evaluate the strengths and limitations of monitoring and evaluation. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1150. Analyse the relationship between monitoring and evaluation and effective governance, administration, society or political development.

1151. Discuss the challenges facing monitoring and evaluation. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1152. Explain the causes and consequences of monitoring and evaluation. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1153. Suggest measures for improving monitoring and evaluation. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1154. With relevant examples, discuss monitoring and evaluation. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1155. To what extent does monitoring and evaluation influence political, administrative or social outcomes? Justify your answer.

1156. Critically assess monitoring and evaluation. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1157. Examine the role of monitoring and evaluation. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1158. Discuss the advantages and disadvantages of monitoring and evaluation. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1159. Explain how monitoring and evaluation. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1160. Illustrate with examples monitoring and evaluation. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

Mini Revision Test

1161. Write a well-organized answer on *monitoring and evaluation*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

1162. Write a well-organized answer on *ethics in public service*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

1163. Write a well-organized answer on *corruption and anti-corruption*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

1164. Write a well-organized answer on *citizen participation and service delivery*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

1165. Write a well-organized answer on *e-government and digital public services*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

1166. Write a well-organized answer on *devolution and county administration in Kenya*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

1167. Write a well-organized answer on *public sector reform*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

1168. Write a well-organized answer on *New Public Management*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

1169. Write a well-organized answer on *good governance*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

1170. Write a well-organized answer on *accountability and transparency*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

21. Ethics In Public Service

1171. Define and explain ethics in public service. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1172. Discuss ethics in public service. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1173. Examine critically ethics in public service. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1174. Explain the importance of ethics in public service. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1175. Describe the major features of ethics in public service. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1176. Differentiate between ethics in public service and a closely related concept, giving at least five clear distinctions.

1177. Compare and contrast ethics in public service with another major concept studied in the same topic area.

1178. Assess the relevance of ethics in public service. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1179. Evaluate the strengths and limitations of ethics in public service. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1180. Analyse the relationship between ethics in public service and effective governance, administration, society or political development.

1181. Discuss the challenges facing ethics in public service. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1182. Explain the causes and consequences of ethics in public service. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1183. Suggest measures for improving ethics in public service. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1184. With relevant examples, discuss ethics in public service. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1185. To what extent does ethics in public service influence political, administrative or social outcomes? Justify your answer.

1186. Critically assess ethics in public service. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1187. Examine the role of ethics in public service. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1188. Discuss the advantages and disadvantages of ethics in public service. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1189. Explain how ethics in public service. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1190. Illustrate with examples ethics in public service. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

22. Corruption And Anti-Corruption

1191. Define and explain corruption and anti-corruption. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1192. Discuss corruption and anti-corruption. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1193. Examine critically corruption and anti-corruption. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1194. Explain the importance of corruption and anti-corruption. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1195. Describe the major features of corruption and anti-corruption. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1196. Differentiate between corruption and anti-corruption and a closely related concept, giving at least five clear distinctions.

1197. Compare and contrast corruption and anti-corruption with another major concept studied in the same topic area.

1198. Assess the relevance of corruption and anti-corruption. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1199. Evaluate the strengths and limitations of corruption and anti-corruption. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1200. Analyse the relationship between corruption and anti-corruption and effective governance, administration, society or political development.

1201. Discuss the challenges facing corruption and anti-corruption. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1202. Explain the causes and consequences of corruption and anti-corruption. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1203. Suggest measures for improving corruption and anti-corruption. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1204. With relevant examples, discuss corruption and anti-corruption. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1205. To what extent does corruption and anti-corruption influence political, administrative or social outcomes? Justify your answer.

1206. Critically assess corruption and anti-corruption. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1207. Examine the role of corruption and anti-corruption. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1208. Discuss the advantages and disadvantages of corruption and anti-corruption. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1209. Explain how corruption and anti-corruption. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1210. Illustrate with examples corruption and anti-corruption. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

23. Citizen Participation And Service Delivery

1211. Define and explain citizen participation and service delivery. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1212. Discuss citizen participation and service delivery. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1213. Examine critically citizen participation and service delivery. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1214. Explain the importance of citizen participation and service delivery. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1215. Describe the major features of citizen participation and service delivery. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1216. Differentiate between citizen participation and service delivery and a closely related concept, giving at least five clear distinctions.

1217. Compare and contrast citizen participation and service delivery with another major concept studied in the same topic area.

1218. Assess the relevance of citizen participation and service delivery. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1219. Evaluate the strengths and limitations of citizen participation and service delivery. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1220. Analyse the relationship between citizen participation and service delivery and effective governance, administration, society or political development.

1221. Discuss the challenges facing citizen participation and service delivery. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1222. Explain the causes and consequences of citizen participation and service delivery. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1223. Suggest measures for improving citizen participation and service delivery. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1224. With relevant examples, discuss citizen participation and service delivery. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1225. To what extent does citizen participation and service delivery influence political, administrative or social outcomes? Justify your answer.

1226. Critically assess citizen participation and service delivery. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1227. Examine the role of citizen participation and service delivery. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1228. Discuss the advantages and disadvantages of citizen participation and service delivery. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1229. Explain how citizen participation and service delivery. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1230. Illustrate with examples citizen participation and service delivery. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

24. E-Government And Digital Public Services

1231. Define and explain e-government and digital public services. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1232. Discuss e-government and digital public services. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1233. Examine critically e-government and digital public services. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1234. Explain the importance of e-government and digital public services. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1235. Describe the major features of e-government and digital public services. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1236. Differentiate between e-government and digital public services and a closely related concept, giving at least five clear distinctions.

1237. Compare and contrast e-government and digital public services with another major concept studied in the same topic area.

1238. Assess the relevance of e-government and digital public services. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1239. Evaluate the strengths and limitations of e-government and digital public services. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1240. Analyse the relationship between e-government and digital public services and effective governance, administration, society or political development.

1241. Discuss the challenges facing e-government and digital public services. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1242. Explain the causes and consequences of e-government and digital public services. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1243. Suggest measures for improving e-government and digital public services. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1244. With relevant examples, discuss e-government and digital public services. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1245. To what extent does e-government and digital public services influence political, administrative or social outcomes? Justify your answer.

1246. Critically assess e-government and digital public services. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1247. Examine the role of e-government and digital public services. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1248. Discuss the advantages and disadvantages of e-government and digital public services. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1249. Explain how e-government and digital public services. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1250. Illustrate with examples e-government and digital public services. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

Mini Revision Test

1251. Write a well-organized answer on *e-government and digital public services*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

1252. Write a well-organized answer on *devolution and county administration in Kenya*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

1253. Write a well-organized answer on *public sector reform*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

1254. Write a well-organized answer on *New Public Management*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

1255. Write a well-organized answer on *good governance*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

1256. Write a well-organized answer on *accountability and transparency*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

1257. Write a well-organized answer on *public complaints and ombudsman*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

1258. Write a well-organized answer on *performance management*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

1259. Write a well-organized answer on *crisis and disaster administration*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

1260. Write a well-organized answer on *meaning, nature and scope of public administration*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

25. Devolution And County Administration In Kenya

1261. Define and explain devolution and county administration in Kenya. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1262. Discuss devolution and county administration in Kenya. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1263. Examine critically devolution and county administration in Kenya. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1264. Explain the importance of devolution and county administration in Kenya. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1265. Describe the major features of devolution and county administration in Kenya. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1266. Differentiate between devolution and county administration in Kenya and a closely related concept, giving at least five clear distinctions.

1267. Compare and contrast devolution and county administration in Kenya with another major concept studied in the same topic area.

1268. Assess the relevance of devolution and county administration in Kenya. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1269. Evaluate the strengths and limitations of devolution and county administration in Kenya. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1270. Analyse the relationship between devolution and county administration in Kenya and effective governance, administration, society or political development.

1271. Discuss the challenges facing devolution and county administration in Kenya. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1272. Explain the causes and consequences of devolution and county administration in Kenya. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1273. Suggest measures for improving devolution and county administration in Kenya. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1274. With relevant examples, discuss devolution and county administration in Kenya. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1275. To what extent does devolution and county administration in Kenya influence political, administrative or social outcomes? Justify your answer.

1276. Critically assess devolution and county administration in Kenya. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1277. Examine the role of devolution and county administration in Kenya. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1278. Discuss the advantages and disadvantages of devolution and county administration in Kenya. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1279. Explain how devolution and county administration in Kenya. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1280. Illustrate with examples devolution and county administration in Kenya. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

26. Public Sector Reform

1281. Define and explain public sector reform. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1282. Discuss public sector reform. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1283. Examine critically public sector reform. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1284. Explain the importance of public sector reform. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1285. Describe the major features of public sector reform. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1286. Differentiate between public sector reform and a closely related concept, giving at least five clear distinctions.

1287. Compare and contrast public sector reform with another major concept studied in the same topic area.

1288. Assess the relevance of public sector reform. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1289. Evaluate the strengths and limitations of public sector reform. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1290. Analyse the relationship between public sector reform and effective governance, administration, society or political development.

1291. Discuss the challenges facing public sector reform. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1292. Explain the causes and consequences of public sector reform. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1293. Suggest measures for improving public sector reform. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1294. With relevant examples, discuss public sector reform. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1295. To what extent does public sector reform influence political, administrative or social outcomes? Justify your answer.

1296. Critically assess public sector reform. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1297. Examine the role of public sector reform. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1298. Discuss the advantages and disadvantages of public sector reform. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1299. Explain how public sector reform. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1300. Illustrate with examples public sector reform. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

27. New Public Management

1301. Define and explain New Public Management. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1302. Discuss New Public Management. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1303. Examine critically New Public Management. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1304. Explain the importance of New Public Management. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1305. Describe the major features of New Public Management. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1306. Differentiate between New Public Management and a closely related concept, giving at least five clear distinctions.

1307. Compare and contrast New Public Management with another major concept studied in the same topic area.

1308. Assess the relevance of New Public Management. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1309. Evaluate the strengths and limitations of New Public Management. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1310. Analyse the relationship between New Public Management and effective governance, administration, society or political development.

1311. Discuss the challenges facing New Public Management. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1312. Explain the causes and consequences of New Public Management. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1313. Suggest measures for improving New Public Management. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1314. With relevant examples, discuss New Public Management. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1315. To what extent does New Public Management influence political, administrative or social outcomes? Justify your answer.

1316. Critically assess New Public Management. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1317. Examine the role of New Public Management. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1318. Discuss the advantages and disadvantages of New Public Management. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1319. Explain how New Public Management. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1320. Illustrate with examples New Public Management. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

28. Good Governance

1321. Define and explain good governance. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1322. Discuss good governance. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1323. Examine critically good governance. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1324. Explain the importance of good governance. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1325. Describe the major features of good governance. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1326. Differentiate between good governance and a closely related concept, giving at least five clear distinctions.

1327. Compare and contrast good governance with another major concept studied in the same topic area.

1328. Assess the relevance of good governance. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1329. Evaluate the strengths and limitations of good governance. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1330. Analyse the relationship between good governance and effective governance, administration, society or political development.

1331. Discuss the challenges facing good governance. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1332. Explain the causes and consequences of good governance. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1333. Suggest measures for improving good governance. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1334. With relevant examples, discuss good governance. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1335. To what extent does good governance influence political, administrative or social outcomes? Justify your answer.

1336. Critically assess good governance. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1337. Examine the role of good governance. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1338. Discuss the advantages and disadvantages of good governance. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1339. Explain how good governance. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1340. Illustrate with examples good governance. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

Mini Revision Test

1341. Write a well-organized answer on *good governance*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

1342. Write a well-organized answer on *accountability and transparency*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

1343. Write a well-organized answer on *public complaints and ombudsman*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

1344. Write a well-organized answer on *performance management*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

1345. Write a well-organized answer on *crisis and disaster administration*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

1346. Write a well-organized answer on *meaning, nature and scope of public administration*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

1347. Write a well-organized answer on *public administration and private administration*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

1348. Write a well-organized answer on *evolution of public administration*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

1349. Write a well-organized answer on *politics-administration relationship*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

1350. Write a well-organized answer on *public bureaucracy*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

29. Accountability And Transparency

1351. Define and explain accountability and transparency. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1352. Discuss accountability and transparency. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1353. Examine critically accountability and transparency. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1354. Explain the importance of accountability and transparency. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1355. Describe the major features of accountability and transparency. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1356. Differentiate between accountability and transparency and a closely related concept, giving at least five clear distinctions.

1357. Compare and contrast accountability and transparency with another major concept studied in the same topic area.

1358. Assess the relevance of accountability and transparency. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1359. Evaluate the strengths and limitations of accountability and transparency. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1360. Analyse the relationship between accountability and transparency and effective governance, administration, society or political development.

1361. Discuss the challenges facing accountability and transparency. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1362. Explain the causes and consequences of accountability and transparency. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1363. Suggest measures for improving accountability and transparency. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1364. With relevant examples, discuss accountability and transparency. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1365. To what extent does accountability and transparency influence political, administrative or social outcomes? Justify your answer.

1366. Critically assess accountability and transparency. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1367. Examine the role of accountability and transparency. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1368. Discuss the advantages and disadvantages of accountability and transparency. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1369. Explain how accountability and transparency. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1370. Illustrate with examples accountability and transparency. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

30. Public Complaints And Ombudsman

1371. Define and explain public complaints and ombudsman. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1372. Discuss public complaints and ombudsman. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1373. Examine critically public complaints and ombudsman. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1374. Explain the importance of public complaints and ombudsman. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1375. Describe the major features of public complaints and ombudsman. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1376. Differentiate between public complaints and ombudsman and a closely related concept, giving at least five clear distinctions.

1377. Compare and contrast public complaints and ombudsman with another major concept studied in the same topic area.

1378. Assess the relevance of public complaints and ombudsman. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1379. Evaluate the strengths and limitations of public complaints and ombudsman. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1380. Analyse the relationship between public complaints and ombudsman and effective governance, administration, society or political development.

1381. Discuss the challenges facing public complaints and ombudsman. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1382. Explain the causes and consequences of public complaints and ombudsman. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1383. Suggest measures for improving public complaints and ombudsman. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1384. With relevant examples, discuss public complaints and ombudsman. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1385. To what extent does public complaints and ombudsman influence political, administrative or social outcomes? Justify your answer.

1386. Critically assess public complaints and ombudsman. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1387. Examine the role of public complaints and ombudsman. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1388. Discuss the advantages and disadvantages of public complaints and ombudsman. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1389. Explain how public complaints and ombudsman. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1390. Illustrate with examples public complaints and ombudsman. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

31. Performance Management

1391. Define and explain performance management. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1392. Discuss performance management. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1393. Examine critically performance management. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1394. Explain the importance of performance management. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1395. Describe the major features of performance management. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1396. Differentiate between performance management and a closely related concept, giving at least five clear distinctions.

1397. Compare and contrast performance management with another major concept studied in the same topic area.

1398. Assess the relevance of performance management. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1399. Evaluate the strengths and limitations of performance management. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1400. Analyse the relationship between performance management and effective governance, administration, society or political development.

1401. Discuss the challenges facing performance management. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1402. Explain the causes and consequences of performance management. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1403. Suggest measures for improving performance management. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1404. With relevant examples, discuss performance management. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1405. To what extent does performance management influence political, administrative or social outcomes? Justify your answer.

1406. Critically assess performance management. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1407. Examine the role of performance management. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1408. Discuss the advantages and disadvantages of performance management. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1409. Explain how performance management. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1410. Illustrate with examples performance management. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

32. Crisis And Disaster Administration

1411. Define and explain crisis and disaster administration. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1412. Discuss crisis and disaster administration. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1413. Examine critically crisis and disaster administration. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1414. Explain the importance of crisis and disaster administration. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1415. Describe the major features of crisis and disaster administration. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1416. Differentiate between crisis and disaster administration and a closely related concept, giving at least five clear distinctions.

1417. Compare and contrast crisis and disaster administration with another major concept studied in the same topic area.

1418. Assess the relevance of crisis and disaster administration. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1419. Evaluate the strengths and limitations of crisis and disaster administration. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1420. Analyse the relationship between crisis and disaster administration and effective governance, administration, society or political development.

1421. Discuss the challenges facing crisis and disaster administration. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1422. Explain the causes and consequences of crisis and disaster administration. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1423. Suggest measures for improving crisis and disaster administration. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1424. With relevant examples, discuss crisis and disaster administration. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1425. To what extent does crisis and disaster administration influence political, administrative or social outcomes? Justify your answer.

1426. Critically assess crisis and disaster administration. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1427. Examine the role of crisis and disaster administration. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1428. Discuss the advantages and disadvantages of crisis and disaster administration. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1429. Explain how crisis and disaster administration. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1430. Illustrate with examples crisis and disaster administration. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

Mini Revision Test

1431. Write a well-organized answer on *crisis and disaster administration*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

1432. Write a well-organized answer on *meaning, nature and scope of public administration*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

1433. Write a well-organized answer on *public administration and private administration*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

1434. Write a well-organized answer on *evolution of public administration*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

1435. Write a well-organized answer on *politics-administration relationship*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

1436. Write a well-organized answer on *public bureaucracy*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

1437. Write a well-organized answer on *principles of organization*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

1438. Write a well-organized answer on *division of labour and specialization*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

1439. Write a well-organized answer on *hierarchy and span of control*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

1440. Write a well-organized answer on *unity of command and coordination*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

PSA 114: Fundamentals of Political Theories

This section provides a broad examination bank covering the major themes associated with Fundamentals of Political Theories.

1. Meaning And Relevance Of Political Theory

1441. Define and explain meaning and relevance of political theory. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1442. Discuss meaning and relevance of political theory. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1443. Examine critically meaning and relevance of political theory. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1444. Explain the importance of meaning and relevance of political theory. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1445. Describe the major features of meaning and relevance of political theory. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1446. Differentiate between meaning and relevance of political theory and a closely related concept, giving at least five clear distinctions.

1447. Compare and contrast meaning and relevance of political theory with another major concept studied in the same topic area.

1448. Assess the relevance of meaning and relevance of political theory. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1449. Evaluate the strengths and limitations of meaning and relevance of political theory. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1450. Analyse the relationship between meaning and relevance of political theory and effective governance, administration, society or political development.

1451. Discuss the challenges facing meaning and relevance of political theory. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1452. Explain the causes and consequences of meaning and relevance of political theory. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1453. Suggest measures for improving meaning and relevance of political theory. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1454. With relevant examples, discuss meaning and relevance of political theory. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1455. To what extent does meaning and relevance of political theory influence political, administrative or social outcomes? Justify your answer.

1456. Critically assess meaning and relevance of political theory. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1457. Examine the role of meaning and relevance of political theory. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1458. Discuss the advantages and disadvantages of meaning and relevance of political theory. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1459. Explain how meaning and relevance of political theory. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1460. Illustrate with examples meaning and relevance of political theory. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2. Classical Political Thought

1461. Define and explain classical political thought. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1462. Discuss classical political thought. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1463. Examine critically classical political thought. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1464. Explain the importance of classical political thought. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1465. Describe the major features of classical political thought. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1466. Differentiate between classical political thought and a closely related concept, giving at least five clear distinctions.

1467. Compare and contrast classical political thought with another major concept studied in the same topic area.

1468. Assess the relevance of classical political thought. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1469. Evaluate the strengths and limitations of classical political thought. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1470. Analyse the relationship between classical political thought and effective governance, administration, society or political development.

1471. Discuss the challenges facing classical political thought. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1472. Explain the causes and consequences of classical political thought. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1473. Suggest measures for improving classical political thought. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1474. With relevant examples, discuss classical political thought. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1475. To what extent does classical political thought influence political, administrative or social outcomes? Justify your answer.

1476. Critically assess classical political thought. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1477. Examine the role of classical political thought. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1478. Discuss the advantages and disadvantages of classical political thought. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1479. Explain how classical political thought. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1480. Illustrate with examples classical political thought. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3. Socrates And Political Thought

1481. Define and explain Socrates and political thought. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1482. Discuss Socrates and political thought. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1483. Examine critically Socrates and political thought. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1484. Explain the importance of Socrates and political thought. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1485. Describe the major features of Socrates and political thought. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1486. Differentiate between Socrates and political thought and a closely related concept, giving at least five clear distinctions.

1487. Compare and contrast Socrates and political thought with another major concept studied in the same topic area.

1488. Assess the relevance of Socrates and political thought. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1489. Evaluate the strengths and limitations of Socrates and political thought. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1490. Analyse the relationship between Socrates and political thought and effective governance, administration, society or political development.

1491. Discuss the challenges facing Socrates and political thought. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1492. Explain the causes and consequences of Socrates and political thought. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1493. Suggest measures for improving Socrates and political thought. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1494. With relevant examples, discuss Socrates and political thought. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1495. To what extent does Socrates and political thought influence political, administrative or social outcomes? Justify your answer.

1496. Critically assess Socrates and political thought. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1497. Examine the role of Socrates and political thought. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1498. Discuss the advantages and disadvantages of Socrates and political thought. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1499. Explain how Socrates and political thought. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1500. Illustrate with examples Socrates and political thought. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4. Plato'S Ideal State

1501. Define and explain Plato's ideal state. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1502. Discuss Plato's ideal state. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1503. Examine critically Plato's ideal state. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1504. Explain the importance of Plato's ideal state. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1505. Describe the major features of Plato's ideal state. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1506. Differentiate between Plato's ideal state and a closely related concept, giving at least five clear distinctions.

1507. Compare and contrast Plato's ideal state with another major concept studied in the same topic area.

1508. Assess the relevance of Plato's ideal state. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1509. Evaluate the strengths and limitations of Plato's ideal state. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1510. Analyse the relationship between Plato's ideal state and effective governance, administration, society or political development.

1511. Discuss the challenges facing Plato's ideal state. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1512. Explain the causes and consequences of Plato's ideal state. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1513. Suggest measures for improving Plato's ideal state. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1514. With relevant examples, discuss Plato's ideal state. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1515. To what extent does Plato's ideal state influence political, administrative or social outcomes? Justify your answer.

1516. Critically assess Plato's ideal state. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1517. Examine the role of Plato's ideal state. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1518. Discuss the advantages and disadvantages of Plato's ideal state. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1519. Explain how Plato's ideal state. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1520. Illustrate with examples Plato's ideal state. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

Mini Revision Test

1521. Write a well-organized answer on *Plato's ideal state*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

1522. Write a well-organized answer on *Aristotle's classification of governments*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

1523. Write a well-organized answer on *social contract theory*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

1524. Write a well-organized answer on *Thomas Hobbes*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

1525. Write a well-organized answer on *John Locke*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

1526. Write a well-organized answer on *Jean-Jacques Rousseau*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

1527. Write a well-organized answer on *natural rights*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

1528. Write a well-organized answer on *liberalism*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

1529. Write a well-organized answer on *conservatism*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

1530. Write a well-organized answer on *socialism*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

5. Aristotle'S Classification Of Governments

1531. Define and explain Aristotle's classification of governments. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1532. Discuss Aristotle's classification of governments. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1533. Examine critically Aristotle's classification of governments. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1534. Explain the importance of Aristotle's classification of governments. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1535. Describe the major features of Aristotle's classification of governments. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1536. Differentiate between Aristotle's classification of governments and a closely related concept, giving at least five clear distinctions.

1537. Compare and contrast Aristotle's classification of governments with another major concept studied in the same topic area.

1538. Assess the relevance of Aristotle's classification of governments. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1539. Evaluate the strengths and limitations of Aristotle's classification of governments. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1540. Analyse the relationship between Aristotle's classification of governments and effective governance, administration, society or political development.

1541. Discuss the challenges facing Aristotle's classification of governments. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1542. Explain the causes and consequences of Aristotle's classification of governments. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1543. Suggest measures for improving Aristotle's classification of governments. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1544. With relevant examples, discuss Aristotle's classification of governments. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1545. To what extent does Aristotle's classification of governments influence political, administrative or social outcomes? Justify your answer.

1546. Critically assess Aristotle's classification of governments. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1547. Examine the role of Aristotle's classification of governments. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1548. Discuss the advantages and disadvantages of Aristotle's classification of governments. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1549. Explain how Aristotle's classification of governments. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1550. Illustrate with examples Aristotle's classification of governments. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

6. Social Contract Theory

1551. Define and explain social contract theory. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1552. Discuss social contract theory. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1553. Examine critically social contract theory. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1554. Explain the importance of social contract theory. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1555. Describe the major features of social contract theory. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1556. Differentiate between social contract theory and a closely related concept, giving at least five clear distinctions.

1557. Compare and contrast social contract theory with another major concept studied in the same topic area.

1558. Assess the relevance of social contract theory. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1559. Evaluate the strengths and limitations of social contract theory. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1560. Analyse the relationship between social contract theory and effective governance, administration, society or political development.

1561. Discuss the challenges facing social contract theory. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1562. Explain the causes and consequences of social contract theory. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1563. Suggest measures for improving social contract theory. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1564. With relevant examples, discuss social contract theory. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1565. To what extent does social contract theory influence political, administrative or social outcomes? Justify your answer.

1566. Critically assess social contract theory. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1567. Examine the role of social contract theory. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1568. Discuss the advantages and disadvantages of social contract theory. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1569. Explain how social contract theory. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1570. Illustrate with examples social contract theory. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

7. Thomas Hobbes

1571. Define and explain Thomas Hobbes. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1572. Discuss Thomas Hobbes. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1573. Examine critically Thomas Hobbes. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1574. Explain the importance of Thomas Hobbes. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1575. Describe the major features of Thomas Hobbes. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1576. Differentiate between Thomas Hobbes and a closely related concept, giving at least five clear distinctions.

1577. Compare and contrast Thomas Hobbes with another major concept studied in the same topic area.

1578. Assess the relevance of Thomas Hobbes. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1579. Evaluate the strengths and limitations of Thomas Hobbes. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1580. Analyse the relationship between Thomas Hobbes and effective governance, administration, society or political development.

1581. Discuss the challenges facing Thomas Hobbes. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1582. Explain the causes and consequences of Thomas Hobbes. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1583. Suggest measures for improving Thomas Hobbes. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1584. With relevant examples, discuss Thomas Hobbes. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1585. To what extent does Thomas Hobbes influence political, administrative or social outcomes? Justify your answer.

1586. Critically assess Thomas Hobbes. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1587. Examine the role of Thomas Hobbes. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1588. Discuss the advantages and disadvantages of Thomas Hobbes. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1589. Explain how Thomas Hobbes. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1590. Illustrate with examples Thomas Hobbes. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

8. John Locke

1591. Define and explain John Locke. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1592. Discuss John Locke. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1593. Examine critically John Locke. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1594. Explain the importance of John Locke. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1595. Describe the major features of John Locke. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1596. Differentiate between John Locke and a closely related concept, giving at least five clear distinctions.

1597. Compare and contrast John Locke with another major concept studied in the same topic area.

1598. Assess the relevance of John Locke. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1599. Evaluate the strengths and limitations of John Locke. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1600. Analyse the relationship between John Locke and effective governance, administration, society or political development.

1601. Discuss the challenges facing John Locke. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1602. Explain the causes and consequences of John Locke. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1603. Suggest measures for improving John Locke. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1604. With relevant examples, discuss John Locke. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1605. To what extent does John Locke influence political, administrative or social outcomes? Justify your answer.

1606. Critically assess John Locke. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1607. Examine the role of John Locke. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1608. Discuss the advantages and disadvantages of John Locke. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1609. Explain how John Locke. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1610. Illustrate with examples John Locke. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

Mini Revision Test

1611. Write a well-organized answer on *John Locke*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

1612. Write a well-organized answer on *Jean-Jacques Rousseau*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

1613. Write a well-organized answer on *natural rights*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

1614. Write a well-organized answer on *liberalism*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

1615. Write a well-organized answer on *conservatism*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

1616. Write a well-organized answer on *socialism*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

1617. Write a well-organized answer on *Marxism*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

1618. Write a well-organized answer on *utilitarianism*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

1619. Write a well-organized answer on *nationalism*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

1620. Write a well-organized answer on *feminist political theory*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

9. Jean-Jacques Rousseau

1621. Define and explain Jean-Jacques Rousseau. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1622. Discuss Jean-Jacques Rousseau. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1623. Examine critically Jean-Jacques Rousseau. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1624. Explain the importance of Jean-Jacques Rousseau. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1625. Describe the major features of Jean-Jacques Rousseau. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1626. Differentiate between Jean-Jacques Rousseau and a closely related concept, giving at least five clear distinctions.

1627. Compare and contrast Jean-Jacques Rousseau with another major concept studied in the same topic area.

1628. Assess the relevance of Jean-Jacques Rousseau. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1629. Evaluate the strengths and limitations of Jean-Jacques Rousseau. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1630. Analyse the relationship between Jean-Jacques Rousseau and effective governance, administration, society or political development.

1631. Discuss the challenges facing Jean-Jacques Rousseau. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1632. Explain the causes and consequences of Jean-Jacques Rousseau. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1633. Suggest measures for improving Jean-Jacques Rousseau. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1634. With relevant examples, discuss Jean-Jacques Rousseau. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1635. To what extent does Jean-Jacques Rousseau influence political, administrative or social outcomes? Justify your answer.

1636. Critically assess Jean-Jacques Rousseau. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1637. Examine the role of Jean-Jacques Rousseau. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1638. Discuss the advantages and disadvantages of Jean-Jacques Rousseau. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1639. Explain how Jean-Jacques Rousseau. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1640. Illustrate with examples Jean-Jacques Rousseau. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

10. Natural Rights

1641. Define and explain natural rights. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1642. Discuss natural rights. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1643. Examine critically natural rights. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1644. Explain the importance of natural rights. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1645. Describe the major features of natural rights. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1646. Differentiate between natural rights and a closely related concept, giving at least five clear distinctions.

1647. Compare and contrast natural rights with another major concept studied in the same topic area.

1648. Assess the relevance of natural rights. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1649. Evaluate the strengths and limitations of natural rights. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1650. Analyse the relationship between natural rights and effective governance, administration, society or political development.

1651. Discuss the challenges facing natural rights. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1652. Explain the causes and consequences of natural rights. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1653. Suggest measures for improving natural rights. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1654. With relevant examples, discuss natural rights. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1655. To what extent does natural rights influence political, administrative or social outcomes? Justify your answer.

1656. Critically assess natural rights. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1657. Examine the role of natural rights. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1658. Discuss the advantages and disadvantages of natural rights. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1659. Explain how natural rights. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1660. Illustrate with examples natural rights. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

11. Liberalism

1661. Define and explain liberalism. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1662. Discuss liberalism. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1663. Examine critically liberalism. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1664. Explain the importance of liberalism. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1665. Describe the major features of liberalism. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1666. Differentiate between liberalism and a closely related concept, giving at least five clear distinctions.

1667. Compare and contrast liberalism with another major concept studied in the same topic area.

1668. Assess the relevance of liberalism. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1669. Evaluate the strengths and limitations of liberalism. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1670. Analyse the relationship between liberalism and effective governance, administration, society or political development.

1671. Discuss the challenges facing liberalism. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1672. Explain the causes and consequences of liberalism. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1673. Suggest measures for improving liberalism. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1674. With relevant examples, discuss liberalism. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1675. To what extent does liberalism influence political, administrative or social outcomes? Justify your answer.

1676. Critically assess liberalism. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1677. Examine the role of liberalism. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1678. Discuss the advantages and disadvantages of liberalism. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1679. Explain how liberalism. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1680. Illustrate with examples liberalism. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

12. Conservatism

1681. Define and explain conservatism. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1682. Discuss conservatism. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1683. Examine critically conservatism. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1684. Explain the importance of conservatism. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1685. Describe the major features of conservatism. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1686. Differentiate between conservatism and a closely related concept, giving at least five clear distinctions.

1687. Compare and contrast conservatism with another major concept studied in the same topic area.

1688. Assess the relevance of conservatism. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1689. Evaluate the strengths and limitations of conservatism. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1690. Analyse the relationship between conservatism and effective governance, administration, society or political development.

1691. Discuss the challenges facing conservatism. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1692. Explain the causes and consequences of conservatism. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1693. Suggest measures for improving conservatism. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1694. With relevant examples, discuss conservatism. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1695. To what extent does conservatism influence political, administrative or social outcomes? Justify your answer.

1696. Critically assess conservatism. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1697. Examine the role of conservatism. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1698. Discuss the advantages and disadvantages of conservatism. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1699. Explain how conservatism. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1700. Illustrate with examples conservatism. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

Mini Revision Test

1701. Write a well-organized answer on *conservatism*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

1702. Write a well-organized answer on *socialism*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

1703. Write a well-organized answer on *Marxism*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

1704. Write a well-organized answer on *utilitarianism*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

1705. Write a well-organized answer on *nationalism*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

1706. Write a well-organized answer on *feminist political theory*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

1707. Write a well-organized answer on *democratic theory*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

1708. Write a well-organized answer on *justice and equality*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

1709. Write a well-organized answer on *liberty*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

1710. Write a well-organized answer on *authority and obligation*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

13. Socialism

1711. Define and explain socialism. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1712. Discuss socialism. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1713. Examine critically socialism. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1714. Explain the importance of socialism. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1715. Describe the major features of socialism. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1716. Differentiate between socialism and a closely related concept, giving at least five clear distinctions.

1717. Compare and contrast socialism with another major concept studied in the same topic area.

1718. Assess the relevance of socialism. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1719. Evaluate the strengths and limitations of socialism. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1720. Analyse the relationship between socialism and effective governance, administration, society or political development.

1721. Discuss the challenges facing socialism. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1722. Explain the causes and consequences of socialism. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1723. Suggest measures for improving socialism. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1724. With relevant examples, discuss socialism. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1725. To what extent does socialism influence political, administrative or social outcomes? Justify your answer.

1726. Critically assess socialism. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1727. Examine the role of socialism. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1728. Discuss the advantages and disadvantages of socialism. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1729. Explain how socialism. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1730. Illustrate with examples socialism. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

14. Marxism

1731. Define and explain Marxism. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1732. Discuss Marxism. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1733. Examine critically Marxism. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1734. Explain the importance of Marxism. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1735. Describe the major features of Marxism. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1736. Differentiate between Marxism and a closely related concept, giving at least five clear distinctions.

1737. Compare and contrast Marxism with another major concept studied in the same topic area.

1738. Assess the relevance of Marxism. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1739. Evaluate the strengths and limitations of Marxism. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1740. Analyse the relationship between Marxism and effective governance, administration, society or political development.

1741. Discuss the challenges facing Marxism. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1742. Explain the causes and consequences of Marxism. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1743. Suggest measures for improving Marxism. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1744. With relevant examples, discuss Marxism. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1745. To what extent does Marxism influence political, administrative or social outcomes? Justify your answer.

1746. Critically assess Marxism. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1747. Examine the role of Marxism. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1748. Discuss the advantages and disadvantages of Marxism. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1749. Explain how Marxism. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1750. Illustrate with examples Marxism. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

15. Utilitarianism

1751. Define and explain utilitarianism. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1752. Discuss utilitarianism. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1753. Examine critically utilitarianism. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1754. Explain the importance of utilitarianism. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1755. Describe the major features of utilitarianism. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1756. Differentiate between utilitarianism and a closely related concept, giving at least five clear distinctions.

1757. Compare and contrast utilitarianism with another major concept studied in the same topic area.

1758. Assess the relevance of utilitarianism. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1759. Evaluate the strengths and limitations of utilitarianism. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1760. Analyse the relationship between utilitarianism and effective governance, administration, society or political development.

1761. Discuss the challenges facing utilitarianism. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1762. Explain the causes and consequences of utilitarianism. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1763. Suggest measures for improving utilitarianism. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1764. With relevant examples, discuss utilitarianism. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1765. To what extent does utilitarianism influence political, administrative or social outcomes? Justify your answer.

1766. Critically assess utilitarianism. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1767. Examine the role of utilitarianism. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1768. Discuss the advantages and disadvantages of utilitarianism. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1769. Explain how utilitarianism. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1770. Illustrate with examples utilitarianism. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

16. Nationalism

1771. Define and explain nationalism. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1772. Discuss nationalism. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1773. Examine critically nationalism. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1774. Explain the importance of nationalism. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1775. Describe the major features of nationalism. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1776. Differentiate between nationalism and a closely related concept, giving at least five clear distinctions.

1777. Compare and contrast nationalism with another major concept studied in the same topic area.

1778. Assess the relevance of nationalism. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1779. Evaluate the strengths and limitations of nationalism. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1780. Analyse the relationship between nationalism and effective governance, administration, society or political development.

1781. Discuss the challenges facing nationalism. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1782. Explain the causes and consequences of nationalism. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1783. Suggest measures for improving nationalism. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1784. With relevant examples, discuss nationalism. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1785. To what extent does nationalism influence political, administrative or social outcomes? Justify your answer.

1786. Critically assess nationalism. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1787. Examine the role of nationalism. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1788. Discuss the advantages and disadvantages of nationalism. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1789. Explain how nationalism. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1790. Illustrate with examples nationalism. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

Mini Revision Test

1791. Write a well-organized answer on *nationalism*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

1792. Write a well-organized answer on *feminist political theory*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

1793. Write a well-organized answer on *democratic theory*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

1794. Write a well-organized answer on *justice and equality*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

1795. Write a well-organized answer on *liberty*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

1796. Write a well-organized answer on *authority and obligation*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

1797. Write a well-organized answer on *state of nature*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

1798. Write a well-organized answer on *civil society*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

1799. Write a well-organized answer on *common good*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

1800. Write a well-organized answer on *citizenship*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

17. Feminist Political Theory

1801. Define and explain feminist political theory. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1802. Discuss feminist political theory. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1803. Examine critically feminist political theory. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1804. Explain the importance of feminist political theory. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1805. Describe the major features of feminist political theory. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1806. Differentiate between feminist political theory and a closely related concept, giving at least five clear distinctions.

1807. Compare and contrast feminist political theory with another major concept studied in the same topic area.

1808. Assess the relevance of feminist political theory. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1809. Evaluate the strengths and limitations of feminist political theory. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1810. Analyse the relationship between feminist political theory and effective governance, administration, society or political development.

1811. Discuss the challenges facing feminist political theory. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1812. Explain the causes and consequences of feminist political theory. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1813. Suggest measures for improving feminist political theory. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1814. With relevant examples, discuss feminist political theory. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1815. To what extent does feminist political theory influence political, administrative or social outcomes? Justify your answer.

1816. Critically assess feminist political theory. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1817. Examine the role of feminist political theory. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1818. Discuss the advantages and disadvantages of feminist political theory. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1819. Explain how feminist political theory. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1820. Illustrate with examples feminist political theory. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

18. Democratic Theory

1821. Define and explain democratic theory. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1822. Discuss democratic theory. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1823. Examine critically democratic theory. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1824. Explain the importance of democratic theory. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1825. Describe the major features of democratic theory. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1826. Differentiate between democratic theory and a closely related concept, giving at least five clear distinctions.

1827. Compare and contrast democratic theory with another major concept studied in the same topic area.

1828. Assess the relevance of democratic theory. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1829. Evaluate the strengths and limitations of democratic theory. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1830. Analyse the relationship between democratic theory and effective governance, administration, society or political development.

1831. Discuss the challenges facing democratic theory. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1832. Explain the causes and consequences of democratic theory. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1833. Suggest measures for improving democratic theory. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1834. With relevant examples, discuss democratic theory. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1835. To what extent does democratic theory influence political, administrative or social outcomes? Justify your answer.

1836. Critically assess democratic theory. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1837. Examine the role of democratic theory. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1838. Discuss the advantages and disadvantages of democratic theory. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1839. Explain how democratic theory. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1840. Illustrate with examples democratic theory. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

19. Justice And Equality

1841. Define and explain justice and equality. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1842. Discuss justice and equality. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1843. Examine critically justice and equality. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1844. Explain the importance of justice and equality. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1845. Describe the major features of justice and equality. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1846. Differentiate between justice and equality and a closely related concept, giving at least five clear distinctions.

1847. Compare and contrast justice and equality with another major concept studied in the same topic area.

1848. Assess the relevance of justice and equality. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1849. Evaluate the strengths and limitations of justice and equality. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1850. Analyse the relationship between justice and equality and effective governance, administration, society or political development.

1851. Discuss the challenges facing justice and equality. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1852. Explain the causes and consequences of justice and equality. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1853. Suggest measures for improving justice and equality. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1854. With relevant examples, discuss justice and equality. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1855. To what extent does justice and equality influence political, administrative or social outcomes? Justify your answer.

1856. Critically assess justice and equality. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1857. Examine the role of justice and equality. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1858. Discuss the advantages and disadvantages of justice and equality. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1859. Explain how justice and equality. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1860. Illustrate with examples justice and equality. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

20. Liberty

1861. Define and explain liberty. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1862. Discuss liberty. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1863. Examine critically liberty. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1864. Explain the importance of liberty. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1865. Describe the major features of liberty. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1866. Differentiate between liberty and a closely related concept, giving at least five clear distinctions.

1867. Compare and contrast liberty with another major concept studied in the same topic area.

1868. Assess the relevance of liberty. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1869. Evaluate the strengths and limitations of liberty. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1870. Analyse the relationship between liberty and effective governance, administration, society or political development.

1871. Discuss the challenges facing liberty. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1872. Explain the causes and consequences of liberty. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1873. Suggest measures for improving liberty. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1874. With relevant examples, discuss liberty. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1875. To what extent does liberty influence political, administrative or social outcomes? Justify your answer.

1876. Critically assess liberty. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1877. Examine the role of liberty. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1878. Discuss the advantages and disadvantages of liberty. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1879. Explain how liberty. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1880. Illustrate with examples liberty. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

Mini Revision Test

1881. Write a well-organized answer on *liberty*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

1882. Write a well-organized answer on *authority and obligation*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

1883. Write a well-organized answer on *state of nature*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

1884. Write a well-organized answer on *civil society*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

1885. Write a well-organized answer on *common good*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

1886. Write a well-organized answer on *citizenship*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

1887. Write a well-organized answer on *political obligation*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

1888. Write a well-organized answer on *revolution and resistance*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

1889. Write a well-organized answer on *African political thought*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

1890. Write a well-organized answer on *Pan-Africanism*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

21. Authority And Obligation

1891. Define and explain authority and obligation. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1892. Discuss authority and obligation. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1893. Examine critically authority and obligation. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1894. Explain the importance of authority and obligation. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1895. Describe the major features of authority and obligation. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1896. Differentiate between authority and obligation and a closely related concept, giving at least five clear distinctions.

1897. Compare and contrast authority and obligation with another major concept studied in the same topic area.

1898. Assess the relevance of authority and obligation. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1899. Evaluate the strengths and limitations of authority and obligation. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1900. Analyse the relationship between authority and obligation and effective governance, administration, society or political development.

1901. Discuss the challenges facing authority and obligation. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1902. Explain the causes and consequences of authority and obligation. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1903. Suggest measures for improving authority and obligation. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1904. With relevant examples, discuss authority and obligation. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1905. To what extent does authority and obligation influence political, administrative or social outcomes? Justify your answer.

1906. Critically assess authority and obligation. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1907. Examine the role of authority and obligation. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1908. Discuss the advantages and disadvantages of authority and obligation. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1909. Explain how authority and obligation. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1910. Illustrate with examples authority and obligation. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

22. State Of Nature

1911. Define and explain state of nature. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1912. Discuss state of nature. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1913. Examine critically state of nature. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1914. Explain the importance of state of nature. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1915. Describe the major features of state of nature. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1916. Differentiate between state of nature and a closely related concept, giving at least five clear distinctions.

1917. Compare and contrast state of nature with another major concept studied in the same topic area.

1918. Assess the relevance of state of nature. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1919. Evaluate the strengths and limitations of state of nature. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1920. Analyse the relationship between state of nature and effective governance, administration, society or political development.

1921. Discuss the challenges facing state of nature. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1922. Explain the causes and consequences of state of nature. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1923. Suggest measures for improving state of nature. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1924. With relevant examples, discuss state of nature. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1925. To what extent does state of nature influence political, administrative or social outcomes? Justify your answer.

1926. Critically assess state of nature. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1927. Examine the role of state of nature. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1928. Discuss the advantages and disadvantages of state of nature. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1929. Explain how state of nature. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1930. Illustrate with examples state of nature. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

23. Civil Society

1931. Define and explain civil society. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1932. Discuss civil society. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1933. Examine critically civil society. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1934. Explain the importance of civil society. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1935. Describe the major features of civil society. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1936. Differentiate between civil society and a closely related concept, giving at least five clear distinctions.

1937. Compare and contrast civil society with another major concept studied in the same topic area.

1938. Assess the relevance of civil society. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1939. Evaluate the strengths and limitations of civil society. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1940. Analyse the relationship between civil society and effective governance, administration, society or political development.

1941. Discuss the challenges facing civil society. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1942. Explain the causes and consequences of civil society. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1943. Suggest measures for improving civil society. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1944. With relevant examples, discuss civil society. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1945. To what extent does civil society influence political, administrative or social outcomes? Justify your answer.

1946. Critically assess civil society. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1947. Examine the role of civil society. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1948. Discuss the advantages and disadvantages of civil society. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1949. Explain how civil society. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1950. Illustrate with examples civil society. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

24. Common Good

1951. Define and explain common good. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1952. Discuss common good. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1953. Examine critically common good. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1954. Explain the importance of common good. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1955. Describe the major features of common good. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1956. Differentiate between common good and a closely related concept, giving at least five clear distinctions.

1957. Compare and contrast common good with another major concept studied in the same topic area.

1958. Assess the relevance of common good. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1959. Evaluate the strengths and limitations of common good. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1960. Analyse the relationship between common good and effective governance, administration, society or political development.

1961. Discuss the challenges facing common good. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1962. Explain the causes and consequences of common good. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1963. Suggest measures for improving common good. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1964. With relevant examples, discuss common good. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1965. To what extent does common good influence political, administrative or social outcomes? Justify your answer.

1966. Critically assess common good. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1967. Examine the role of common good. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1968. Discuss the advantages and disadvantages of common good. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1969. Explain how common good. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1970. Illustrate with examples common good. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

Mini Revision Test

1971. Write a well-organized answer on *common good*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

1972. Write a well-organized answer on *citizenship*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

1973. Write a well-organized answer on *political obligation*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

1974. Write a well-organized answer on *revolution and resistance*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

1975. Write a well-organized answer on *African political thought*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

1976. Write a well-organized answer on *Pan-Africanism*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

1977. Write a well-organized answer on *decolonial political thought*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

1978. Write a well-organized answer on *relevance of classical theories to Kenya*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

1979. Write a well-organized answer on *meaning and relevance of political theory*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

1980. Write a well-organized answer on *classical political thought*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

25. Citizenship

1981. Define and explain citizenship. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1982. Discuss citizenship. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1983. Examine critically citizenship. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1984. Explain the importance of citizenship. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1985. Describe the major features of citizenship. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1986. Differentiate between citizenship and a closely related concept, giving at least five clear distinctions.

1987. Compare and contrast citizenship with another major concept studied in the same topic area.

1988. Assess the relevance of citizenship. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1989. Evaluate the strengths and limitations of citizenship. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1990. Analyse the relationship between citizenship and effective governance, administration, society or political development.

1991. Discuss the challenges facing citizenship. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1992. Explain the causes and consequences of citizenship. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1993. Suggest measures for improving citizenship. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1994. With relevant examples, discuss citizenship. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1995. To what extent does citizenship influence political, administrative or social outcomes? Justify your answer.

1996. Critically assess citizenship. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1997. Examine the role of citizenship. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1998. Discuss the advantages and disadvantages of citizenship. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

1999. Explain how citizenship. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2000. Illustrate with examples citizenship. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

26. Political Obligation

2001. Define and explain political obligation. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2002. Discuss political obligation. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2003. Examine critically political obligation. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2004. Explain the importance of political obligation. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2005. Describe the major features of political obligation. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2006. Differentiate between political obligation and a closely related concept, giving at least five clear distinctions.

2007. Compare and contrast political obligation with another major concept studied in the same topic area.

2008. Assess the relevance of political obligation. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2009. Evaluate the strengths and limitations of political obligation. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2010. Analyse the relationship between political obligation and effective governance, administration, society or political development.

2011. Discuss the challenges facing political obligation. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2012. Explain the causes and consequences of political obligation. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2013. Suggest measures for improving political obligation. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2014. With relevant examples, discuss political obligation. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2015. To what extent does political obligation influence political, administrative or social outcomes? Justify your answer.

2016. Critically assess political obligation. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2017. Examine the role of political obligation. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2018. Discuss the advantages and disadvantages of political obligation. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2019. Explain how political obligation. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2020. Illustrate with examples political obligation. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

27. Revolution And Resistance

2021. Define and explain revolution and resistance. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2022. Discuss revolution and resistance. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2023. Examine critically revolution and resistance. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2024. Explain the importance of revolution and resistance. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2025. Describe the major features of revolution and resistance. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2026. Differentiate between revolution and resistance and a closely related concept, giving at least five clear distinctions.

2027. Compare and contrast revolution and resistance with another major concept studied in the same topic area.

2028. Assess the relevance of revolution and resistance. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2029. Evaluate the strengths and limitations of revolution and resistance. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2030. Analyse the relationship between revolution and resistance and effective governance, administration, society or political development.

2031. Discuss the challenges facing revolution and resistance. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2032. Explain the causes and consequences of revolution and resistance. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2033. Suggest measures for improving revolution and resistance. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2034. With relevant examples, discuss revolution and resistance. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2035. To what extent does revolution and resistance influence political, administrative or social outcomes? Justify your answer.

2036. Critically assess revolution and resistance. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2037. Examine the role of revolution and resistance. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2038. Discuss the advantages and disadvantages of revolution and resistance. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2039. Explain how revolution and resistance. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2040. Illustrate with examples revolution and resistance. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

28. African Political Thought

2041. Define and explain African political thought. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2042. Discuss African political thought. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2043. Examine critically African political thought. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2044. Explain the importance of African political thought. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2045. Describe the major features of African political thought. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2046. Differentiate between African political thought and a closely related concept, giving at least five clear distinctions.

2047. Compare and contrast African political thought with another major concept studied in the same topic area.

2048. Assess the relevance of African political thought. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2049. Evaluate the strengths and limitations of African political thought. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2050. Analyse the relationship between African political thought and effective governance, administration, society or political development.

2051. Discuss the challenges facing African political thought. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2052. Explain the causes and consequences of African political thought. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2053. Suggest measures for improving African political thought. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2054. With relevant examples, discuss African political thought. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2055. To what extent does African political thought influence political, administrative or social outcomes? Justify your answer.

2056. Critically assess African political thought. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2057. Examine the role of African political thought. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2058. Discuss the advantages and disadvantages of African political thought. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2059. Explain how African political thought. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2060. Illustrate with examples African political thought. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

Mini Revision Test

2061. Write a well-organized answer on *African political thought*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

2062. Write a well-organized answer on *Pan-Africanism*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

2063. Write a well-organized answer on *decolonial political thought*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

2064. Write a well-organized answer on *relevance of classical theories to Kenya*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

2065. Write a well-organized answer on *meaning and relevance of political theory*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

2066. Write a well-organized answer on *classical political thought*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

2067. Write a well-organized answer on *Socrates and political thought*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

2068. Write a well-organized answer on *Plato's ideal state*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

2069. Write a well-organized answer on *Aristotle's classification of governments*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

2070. Write a well-organized answer on *social contract theory*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

29. Pan-Africanism

2071. Define and explain Pan-Africanism. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2072. Discuss Pan-Africanism. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2073. Examine critically Pan-Africanism. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2074. Explain the importance of Pan-Africanism. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2075. Describe the major features of Pan-Africanism. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2076. Differentiate between Pan-Africanism and a closely related concept, giving at least five clear distinctions.

2077. Compare and contrast Pan-Africanism with another major concept studied in the same topic area.

2078. Assess the relevance of Pan-Africanism. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2079. Evaluate the strengths and limitations of Pan-Africanism. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2080. Analyse the relationship between Pan-Africanism and effective governance, administration, society or political development.

2081. Discuss the challenges facing Pan-Africanism. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2082. Explain the causes and consequences of Pan-Africanism. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2083. Suggest measures for improving Pan-Africanism. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2084. With relevant examples, discuss Pan-Africanism. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2085. To what extent does Pan-Africanism influence political, administrative or social outcomes? Justify your answer.

2086. Critically assess Pan-Africanism. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2087. Examine the role of Pan-Africanism. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2088. Discuss the advantages and disadvantages of Pan-Africanism. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2089. Explain how Pan-Africanism. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2090. Illustrate with examples Pan-Africanism. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

30. Decolonial Political Thought

2091. Define and explain decolonial political thought. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2092. Discuss decolonial political thought. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2093. Examine critically decolonial political thought. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2094. Explain the importance of decolonial political thought. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2095. Describe the major features of decolonial political thought. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2096. Differentiate between decolonial political thought and a closely related concept, giving at least five clear distinctions.

2097. Compare and contrast decolonial political thought with another major concept studied in the same topic area.

2098. Assess the relevance of decolonial political thought. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2099. Evaluate the strengths and limitations of decolonial political thought. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2100. Analyse the relationship between decolonial political thought and effective governance, administration, society or political development.

2101. Discuss the challenges facing decolonial political thought. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2102. Explain the causes and consequences of decolonial political thought. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2103. Suggest measures for improving decolonial political thought. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2104. With relevant examples, discuss decolonial political thought. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2105. To what extent does decolonial political thought influence political, administrative or social outcomes? Justify your answer.

2106. Critically assess decolonial political thought. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2107. Examine the role of decolonial political thought. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2108. Discuss the advantages and disadvantages of decolonial political thought. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2109. Explain how decolonial political thought. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2110. Illustrate with examples decolonial political thought. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

31. Relevance Of Classical Theories To Kenya

2111. Define and explain relevance of classical theories to Kenya. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2112. Discuss relevance of classical theories to Kenya. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2113. Examine critically relevance of classical theories to Kenya. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2114. Explain the importance of relevance of classical theories to Kenya. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2115. Describe the major features of relevance of classical theories to Kenya. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2116. Differentiate between relevance of classical theories to Kenya and a closely related concept, giving at least five clear distinctions.

2117. Compare and contrast relevance of classical theories to Kenya with another major concept studied in the same topic area.

2118. Assess the relevance of relevance of classical theories to Kenya. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2119. Evaluate the strengths and limitations of relevance of classical theories to Kenya. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2120. Analyse the relationship between relevance of classical theories to Kenya and effective governance, administration, society or political development.

2121. Discuss the challenges facing relevance of classical theories to Kenya. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2122. Explain the causes and consequences of relevance of classical theories to Kenya. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2123. Suggest measures for improving relevance of classical theories to Kenya. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2124. With relevant examples, discuss relevance of classical theories to Kenya. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2125. To what extent does relevance of classical theories to Kenya influence political, administrative or social outcomes? Justify your answer.

2126. Critically assess relevance of classical theories to Kenya. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2127. Examine the role of relevance of classical theories to Kenya. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2128. Discuss the advantages and disadvantages of relevance of classical theories to Kenya. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2129. Explain how relevance of classical theories to Kenya. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2130. Illustrate with examples relevance of classical theories to Kenya. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

SOC 111: Introduction to Social Sciences

This section provides a broad examination bank covering the major themes associated with Introduction to Social Sciences.

1. Meaning And Scope Of Social Sciences

2131. Define and explain meaning and scope of social sciences. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2132. Discuss meaning and scope of social sciences. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2133. Examine critically meaning and scope of social sciences. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2134. Explain the importance of meaning and scope of social sciences. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2135. Describe the major features of meaning and scope of social sciences. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2136. Differentiate between meaning and scope of social sciences and a closely related concept, giving at least five clear distinctions.

2137. Compare and contrast meaning and scope of social sciences with another major concept studied in the same topic area.

2138. Assess the relevance of meaning and scope of social sciences. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2139. Evaluate the strengths and limitations of meaning and scope of social sciences. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2140. Analyse the relationship between meaning and scope of social sciences and effective governance, administration, society or political development.

2141. Discuss the challenges facing meaning and scope of social sciences. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2142. Explain the causes and consequences of meaning and scope of social sciences. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2143. Suggest measures for improving meaning and scope of social sciences. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2144. With relevant examples, discuss meaning and scope of social sciences. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2145. To what extent does meaning and scope of social sciences influence political, administrative or social outcomes? Justify your answer.

2146. Critically assess meaning and scope of social sciences. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2147. Examine the role of meaning and scope of social sciences. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2148. Discuss the advantages and disadvantages of meaning and scope of social sciences. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2149. Explain how meaning and scope of social sciences. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2150. Illustrate with examples meaning and scope of social sciences. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2. Relationship Among Social Science Disciplines

2151. Define and explain relationship among social science disciplines. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2152. Discuss relationship among social science disciplines. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2153. Examine critically relationship among social science disciplines. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2154. Explain the importance of relationship among social science disciplines. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2155. Describe the major features of relationship among social science disciplines. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2156. Differentiate between relationship among social science disciplines and a closely related concept, giving at least five clear distinctions.

2157. Compare and contrast relationship among social science disciplines with another major concept studied in the same topic area.

2158. Assess the relevance of relationship among social science disciplines. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2159. Evaluate the strengths and limitations of relationship among social science disciplines. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2160. Analyse the relationship between relationship among social science disciplines and effective governance, administration, society or political development.

2161. Discuss the challenges facing relationship among social science disciplines. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2162. Explain the causes and consequences of relationship among social science disciplines. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2163. Suggest measures for improving relationship among social science disciplines. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2164. With relevant examples, discuss relationship among social science disciplines. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2165. To what extent does relationship among social science disciplines influence political, administrative or social outcomes? Justify your answer.

2166. Critically assess relationship among social science disciplines. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2167. Examine the role of relationship among social science disciplines. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2168. Discuss the advantages and disadvantages of relationship among social science disciplines. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2169. Explain how relationship among social science disciplines. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2170. Illustrate with examples relationship among social science disciplines. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3. Society And Social Structure

2171. Define and explain society and social structure. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2172. Discuss society and social structure. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2173. Examine critically society and social structure. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2174. Explain the importance of society and social structure. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2175. Describe the major features of society and social structure. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2176. Differentiate between society and social structure and a closely related concept, giving at least five clear distinctions.

2177. Compare and contrast society and social structure with another major concept studied in the same topic area.

2178. Assess the relevance of society and social structure. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2179. Evaluate the strengths and limitations of society and social structure. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2180. Analyse the relationship between society and social structure and effective governance, administration, society or political development.

2181. Discuss the challenges facing society and social structure. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2182. Explain the causes and consequences of society and social structure. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2183. Suggest measures for improving society and social structure. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2184. With relevant examples, discuss society and social structure. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2185. To what extent does society and social structure influence political, administrative or social outcomes? Justify your answer.

2186. Critically assess society and social structure. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2187. Examine the role of society and social structure. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2188. Discuss the advantages and disadvantages of society and social structure. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2189. Explain how society and social structure. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2190. Illustrate with examples society and social structure. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4. Culture And Socialization

2191. Define and explain culture and socialization. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2192. Discuss culture and socialization. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2193. Examine critically culture and socialization. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2194. Explain the importance of culture and socialization. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2195. Describe the major features of culture and socialization. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2196. Differentiate between culture and socialization and a closely related concept, giving at least five clear distinctions.

2197. Compare and contrast culture and socialization with another major concept studied in the same topic area.

2198. Assess the relevance of culture and socialization. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2199. Evaluate the strengths and limitations of culture and socialization. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2200. Analyse the relationship between culture and socialization and effective governance, administration, society or political development.

2201. Discuss the challenges facing culture and socialization. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2202. Explain the causes and consequences of culture and socialization. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2203. Suggest measures for improving culture and socialization. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2204. With relevant examples, discuss culture and socialization. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2205. To what extent does culture and socialization influence political, administrative or social outcomes? Justify your answer.

2206. Critically assess culture and socialization. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2207. Examine the role of culture and socialization. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2208. Discuss the advantages and disadvantages of culture and socialization. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2209. Explain how culture and socialization. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2210. Illustrate with examples culture and socialization. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

Mini Revision Test

2211. Write a well-organized answer on *culture and socialization*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

2212. Write a well-organized answer on *social institutions*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

2213. Write a well-organized answer on *family*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

2214. Write a well-organized answer on *education*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

2215. Write a well-organized answer on *religion*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

2216. Write a well-organized answer on *economy*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

2217. Write a well-organized answer on *politics as a social institution*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

2218. Write a well-organized answer on *social groups and organizations*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

2219. Write a well-organized answer on *social stratification*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

2220. Write a well-organized answer on *social class*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

5. Social Institutions

2221. Define and explain social institutions. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2222. Discuss social institutions. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2223. Examine critically social institutions. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2224. Explain the importance of social institutions. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2225. Describe the major features of social institutions. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2226. Differentiate between social institutions and a closely related concept, giving at least five clear distinctions.

2227. Compare and contrast social institutions with another major concept studied in the same topic area.

2228. Assess the relevance of social institutions. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2229. Evaluate the strengths and limitations of social institutions. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2230. Analyse the relationship between social institutions and effective governance, administration, society or political development.

2231. Discuss the challenges facing social institutions. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2232. Explain the causes and consequences of social institutions. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2233. Suggest measures for improving social institutions. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2234. With relevant examples, discuss social institutions. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2235. To what extent does social institutions influence political, administrative or social outcomes? Justify your answer.

2236. Critically assess social institutions. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2237. Examine the role of social institutions. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2238. Discuss the advantages and disadvantages of social institutions. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2239. Explain how social institutions. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2240. Illustrate with examples social institutions. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

6. Family

2241. Define and explain family. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2242. Discuss family. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2243. Examine critically family. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2244. Explain the importance of family. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2245. Describe the major features of family. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2246. Differentiate between family and a closely related concept, giving at least five clear distinctions.

2247. Compare and contrast family with another major concept studied in the same topic area.

2248. Assess the relevance of family. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2249. Evaluate the strengths and limitations of family. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2250. Analyse the relationship between family and effective governance, administration, society or political development.

2251. Discuss the challenges facing family. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2252. Explain the causes and consequences of family. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2253. Suggest measures for improving family. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2254. With relevant examples, discuss family. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2255. To what extent does family influence political, administrative or social outcomes? Justify your answer.

2256. Critically assess family. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2257. Examine the role of family. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2258. Discuss the advantages and disadvantages of family. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2259. Explain how family. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2260. Illustrate with examples family. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

7. Education

2261. Define and explain education. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2262. Discuss education. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2263. Examine critically education. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2264. Explain the importance of education. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2265. Describe the major features of education. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2266. Differentiate between education and a closely related concept, giving at least five clear distinctions.

2267. Compare and contrast education with another major concept studied in the same topic area.

2268. Assess the relevance of education. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2269. Evaluate the strengths and limitations of education. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2270. Analyse the relationship between education and effective governance, administration, society or political development.

2271. Discuss the challenges facing education. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2272. Explain the causes and consequences of education. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2273. Suggest measures for improving education. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2274. With relevant examples, discuss education. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2275. To what extent does education influence political, administrative or social outcomes? Justify your answer.

2276. Critically assess education. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2277. Examine the role of education. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2278. Discuss the advantages and disadvantages of education. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2279. Explain how education. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2280. Illustrate with examples education. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

8. Religion

2281. Define and explain religion. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2282. Discuss religion. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2283. Examine critically religion. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2284. Explain the importance of religion. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2285. Describe the major features of religion. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2286. Differentiate between religion and a closely related concept, giving at least five clear distinctions.

2287. Compare and contrast religion with another major concept studied in the same topic area.

2288. Assess the relevance of religion. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2289. Evaluate the strengths and limitations of religion. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2290. Analyse the relationship between religion and effective governance, administration, society or political development.

2291. Discuss the challenges facing religion. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2292. Explain the causes and consequences of religion. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2293. Suggest measures for improving religion. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2294. With relevant examples, discuss religion. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2295. To what extent does religion influence political, administrative or social outcomes? Justify your answer.

2296. Critically assess religion. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2297. Examine the role of religion. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2298. Discuss the advantages and disadvantages of religion. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2299. Explain how religion. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2300. Illustrate with examples religion. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

Mini Revision Test

2301. Write a well-organized answer on *religion*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

2302. Write a well-organized answer on *economy*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

2303. Write a well-organized answer on *politics as a social institution*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

2304. Write a well-organized answer on *social groups and organizations*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

2305. Write a well-organized answer on *social stratification*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

2306. Write a well-organized answer on *social class*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

2307. Write a well-organized answer on *gender and society*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

2308. Write a well-organized answer on *race and ethnicity*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

2309. Write a well-organized answer on *social change*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

2310. Write a well-organized answer on *modernization*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

9. Economy

2311. Define and explain economy. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2312. Discuss economy. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2313. Examine critically economy. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2314. Explain the importance of economy. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2315. Describe the major features of economy. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2316. Differentiate between economy and a closely related concept, giving at least five clear distinctions.

2317. Compare and contrast economy with another major concept studied in the same topic area.

2318. Assess the relevance of economy. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2319. Evaluate the strengths and limitations of economy. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2320. Analyse the relationship between economy and effective governance, administration, society or political development.

2321. Discuss the challenges facing economy. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2322. Explain the causes and consequences of economy. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2323. Suggest measures for improving economy. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2324. With relevant examples, discuss economy. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2325. To what extent does economy influence political, administrative or social outcomes? Justify your answer.

2326. Critically assess economy. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2327. Examine the role of economy. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2328. Discuss the advantages and disadvantages of economy. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2329. Explain how economy. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2330. Illustrate with examples economy. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

10. Politics As A Social Institution

2331. Define and explain politics as a social institution. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2332. Discuss politics as a social institution. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2333. Examine critically politics as a social institution. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2334. Explain the importance of politics as a social institution. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2335. Describe the major features of politics as a social institution. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2336. Differentiate between politics as a social institution and a closely related concept, giving at least five clear distinctions.

2337. Compare and contrast politics as a social institution with another major concept studied in the same topic area.

2338. Assess the relevance of politics as a social institution. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2339. Evaluate the strengths and limitations of politics as a social institution. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2340. Analyse the relationship between politics as a social institution and effective governance, administration, society or political development.

2341. Discuss the challenges facing politics as a social institution. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2342. Explain the causes and consequences of politics as a social institution. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2343. Suggest measures for improving politics as a social institution. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2344. With relevant examples, discuss politics as a social institution. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2345. To what extent does politics as a social institution influence political, administrative or social outcomes? Justify your answer.

2346. Critically assess politics as a social institution. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2347. Examine the role of politics as a social institution. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2348. Discuss the advantages and disadvantages of politics as a social institution. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2349. Explain how politics as a social institution. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2350. Illustrate with examples politics as a social institution. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

11. Social Groups And Organizations

2351. Define and explain social groups and organizations. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2352. Discuss social groups and organizations. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2353. Examine critically social groups and organizations. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2354. Explain the importance of social groups and organizations. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2355. Describe the major features of social groups and organizations. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2356. Differentiate between social groups and organizations and a closely related concept, giving at least five clear distinctions.

2357. Compare and contrast social groups and organizations with another major concept studied in the same topic area.

2358. Assess the relevance of social groups and organizations. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2359. Evaluate the strengths and limitations of social groups and organizations. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2360. Analyse the relationship between social groups and organizations and effective governance, administration, society or political development.

2361. Discuss the challenges facing social groups and organizations. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2362. Explain the causes and consequences of social groups and organizations. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2363. Suggest measures for improving social groups and organizations. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2364. With relevant examples, discuss social groups and organizations. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2365. To what extent does social groups and organizations influence political, administrative or social outcomes? Justify your answer.

2366. Critically assess social groups and organizations. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2367. Examine the role of social groups and organizations. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2368. Discuss the advantages and disadvantages of social groups and organizations. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2369. Explain how social groups and organizations. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2370. Illustrate with examples social groups and organizations. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

12. Social Stratification

2371. Define and explain social stratification. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2372. Discuss social stratification. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2373. Examine critically social stratification. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2374. Explain the importance of social stratification. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2375. Describe the major features of social stratification. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2376. Differentiate between social stratification and a closely related concept, giving at least five clear distinctions.

2377. Compare and contrast social stratification with another major concept studied in the same topic area.

2378. Assess the relevance of social stratification. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2379. Evaluate the strengths and limitations of social stratification. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2380. Analyse the relationship between social stratification and effective governance, administration, society or political development.

2381. Discuss the challenges facing social stratification. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2382. Explain the causes and consequences of social stratification. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2383. Suggest measures for improving social stratification. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2384. With relevant examples, discuss social stratification. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2385. To what extent does social stratification influence political, administrative or social outcomes? Justify your answer.

2386. Critically assess social stratification. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2387. Examine the role of social stratification. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2388. Discuss the advantages and disadvantages of social stratification. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2389. Explain how social stratification. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2390. Illustrate with examples social stratification. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

Mini Revision Test

2391. Write a well-organized answer on *social stratification*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

2392. Write a well-organized answer on *social class*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

2393. Write a well-organized answer on *gender and society*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

2394. Write a well-organized answer on *race and ethnicity*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

2395. Write a well-organized answer on *social change*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

2396. Write a well-organized answer on *modernization*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

2397. Write a well-organized answer on *urbanization*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

2398. Write a well-organized answer on *globalization*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

2399. Write a well-organized answer on *population and society*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

2400. Write a well-organized answer on *social problems*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

13. Social Class

2401. Define and explain social class. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2402. Discuss social class. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2403. Examine critically social class. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2404. Explain the importance of social class. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2405. Describe the major features of social class. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2406. Differentiate between social class and a closely related concept, giving at least five clear distinctions.

2407. Compare and contrast social class with another major concept studied in the same topic area.

2408. Assess the relevance of social class. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2409. Evaluate the strengths and limitations of social class. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2410. Analyse the relationship between social class and effective governance, administration, society or political development.

2411. Discuss the challenges facing social class. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2412. Explain the causes and consequences of social class. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2413. Suggest measures for improving social class. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2414. With relevant examples, discuss social class. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2415. To what extent does social class influence political, administrative or social outcomes? Justify your answer.

2416. Critically assess social class. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2417. Examine the role of social class. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2418. Discuss the advantages and disadvantages of social class. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2419. Explain how social class. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2420. Illustrate with examples social class. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

14. Gender And Society

2421. Define and explain gender and society. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2422. Discuss gender and society. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2423. Examine critically gender and society. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2424. Explain the importance of gender and society. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2425. Describe the major features of gender and society. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2426. Differentiate between gender and society and a closely related concept, giving at least five clear distinctions.

2427. Compare and contrast gender and society with another major concept studied in the same topic area.

2428. Assess the relevance of gender and society. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2429. Evaluate the strengths and limitations of gender and society. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2430. Analyse the relationship between gender and society and effective governance, administration, society or political development.

2431. Discuss the challenges facing gender and society. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2432. Explain the causes and consequences of gender and society. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2433. Suggest measures for improving gender and society. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2434. With relevant examples, discuss gender and society. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2435. To what extent does gender and society influence political, administrative or social outcomes? Justify your answer.

2436. Critically assess gender and society. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2437. Examine the role of gender and society. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2438. Discuss the advantages and disadvantages of gender and society. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2439. Explain how gender and society. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2440. Illustrate with examples gender and society. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

15. Race And Ethnicity

2441. Define and explain race and ethnicity. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2442. Discuss race and ethnicity. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2443. Examine critically race and ethnicity. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2444. Explain the importance of race and ethnicity. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2445. Describe the major features of race and ethnicity. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2446. Differentiate between race and ethnicity and a closely related concept, giving at least five clear distinctions.

2447. Compare and contrast race and ethnicity with another major concept studied in the same topic area.

2448. Assess the relevance of race and ethnicity. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2449. Evaluate the strengths and limitations of race and ethnicity. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2450. Analyse the relationship between race and ethnicity and effective governance, administration, society or political development.

2451. Discuss the challenges facing race and ethnicity. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2452. Explain the causes and consequences of race and ethnicity. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2453. Suggest measures for improving race and ethnicity. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2454. With relevant examples, discuss race and ethnicity. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2455. To what extent does race and ethnicity influence political, administrative or social outcomes? Justify your answer.

2456. Critically assess race and ethnicity. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2457. Examine the role of race and ethnicity. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2458. Discuss the advantages and disadvantages of race and ethnicity. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2459. Explain how race and ethnicity. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2460. Illustrate with examples race and ethnicity. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

16. Social Change

2461. Define and explain social change. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2462. Discuss social change. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2463. Examine critically social change. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2464. Explain the importance of social change. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2465. Describe the major features of social change. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2466. Differentiate between social change and a closely related concept, giving at least five clear distinctions.

2467. Compare and contrast social change with another major concept studied in the same topic area.

2468. Assess the relevance of social change. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2469. Evaluate the strengths and limitations of social change. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2470. Analyse the relationship between social change and effective governance, administration, society or political development.

2471. Discuss the challenges facing social change. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2472. Explain the causes and consequences of social change. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2473. Suggest measures for improving social change. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2474. With relevant examples, discuss social change. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2475. To what extent does social change influence political, administrative or social outcomes? Justify your answer.

2476. Critically assess social change. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2477. Examine the role of social change. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2478. Discuss the advantages and disadvantages of social change. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2479. Explain how social change. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2480. Illustrate with examples social change. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

Mini Revision Test

2481. Write a well-organized answer on *social change*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

2482. Write a well-organized answer on *modernization*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

2483. Write a well-organized answer on *urbanization*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

2484. Write a well-organized answer on *globalization*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

2485. Write a well-organized answer on *population and society*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

2486. Write a well-organized answer on *social problems*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

2487. Write a well-organized answer on *social research*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

2488. Write a well-organized answer on *sociological imagination*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

2489. Write a well-organized answer on *individual and society*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

2490. Write a well-organized answer on *social control*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

17. Modernization

2491. Define and explain modernization. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2492. Discuss modernization. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2493. Examine critically modernization. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2494. Explain the importance of modernization. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2495. Describe the major features of modernization. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2496. Differentiate between modernization and a closely related concept, giving at least five clear distinctions.

2497. Compare and contrast modernization with another major concept studied in the same topic area.

2498. Assess the relevance of modernization. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2499. Evaluate the strengths and limitations of modernization. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2500. Analyse the relationship between modernization and effective governance, administration, society or political development.

2501. Discuss the challenges facing modernization. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2502. Explain the causes and consequences of modernization. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2503. Suggest measures for improving modernization. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2504. With relevant examples, discuss modernization. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2505. To what extent does modernization influence political, administrative or social outcomes? Justify your answer.

2506. Critically assess modernization. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2507. Examine the role of modernization. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2508. Discuss the advantages and disadvantages of modernization. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2509. Explain how modernization. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2510. Illustrate with examples modernization. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

18. Urbanization

2511. Define and explain urbanization. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2512. Discuss urbanization. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2513. Examine critically urbanization. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2514. Explain the importance of urbanization. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2515. Describe the major features of urbanization. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2516. Differentiate between urbanization and a closely related concept, giving at least five clear distinctions.

2517. Compare and contrast urbanization with another major concept studied in the same topic area.

2518. Assess the relevance of urbanization. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2519. Evaluate the strengths and limitations of urbanization. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2520. Analyse the relationship between urbanization and effective governance, administration, society or political development.

2521. Discuss the challenges facing urbanization. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2522. Explain the causes and consequences of urbanization. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2523. Suggest measures for improving urbanization. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2524. With relevant examples, discuss urbanization. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2525. To what extent does urbanization influence political, administrative or social outcomes? Justify your answer.

2526. Critically assess urbanization. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2527. Examine the role of urbanization. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2528. Discuss the advantages and disadvantages of urbanization. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2529. Explain how urbanization. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2530. Illustrate with examples urbanization. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

19. Globalization

2531. Define and explain globalization. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2532. Discuss globalization. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2533. Examine critically globalization. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2534. Explain the importance of globalization. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2535. Describe the major features of globalization. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2536. Differentiate between globalization and a closely related concept, giving at least five clear distinctions.

2537. Compare and contrast globalization with another major concept studied in the same topic area.

2538. Assess the relevance of globalization. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2539. Evaluate the strengths and limitations of globalization. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2540. Analyse the relationship between globalization and effective governance, administration, society or political development.

2541. Discuss the challenges facing globalization. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2542. Explain the causes and consequences of globalization. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2543. Suggest measures for improving globalization. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2544. With relevant examples, discuss globalization. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2545. To what extent does globalization influence political, administrative or social outcomes? Justify your answer.

2546. Critically assess globalization. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2547. Examine the role of globalization. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2548. Discuss the advantages and disadvantages of globalization. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2549. Explain how globalization. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2550. Illustrate with examples globalization. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

20. Population And Society

2551. Define and explain population and society. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2552. Discuss population and society. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2553. Examine critically population and society. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2554. Explain the importance of population and society. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2555. Describe the major features of population and society. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2556. Differentiate between population and society and a closely related concept, giving at least five clear distinctions.

2557. Compare and contrast population and society with another major concept studied in the same topic area.

2558. Assess the relevance of population and society. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2559. Evaluate the strengths and limitations of population and society. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2560. Analyse the relationship between population and society and effective governance, administration, society or political development.

2561. Discuss the challenges facing population and society. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2562. Explain the causes and consequences of population and society. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2563. Suggest measures for improving population and society. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2564. With relevant examples, discuss population and society. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2565. To what extent does population and society influence political, administrative or social outcomes? Justify your answer.

2566. Critically assess population and society. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2567. Examine the role of population and society. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2568. Discuss the advantages and disadvantages of population and society. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2569. Explain how population and society. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2570. Illustrate with examples population and society. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

Mini Revision Test

2571. Write a well-organized answer on *population and society*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

2572. Write a well-organized answer on *social problems*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

2573. Write a well-organized answer on *social research*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

2574. Write a well-organized answer on *sociological imagination*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

2575. Write a well-organized answer on *individual and society*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

2576. Write a well-organized answer on *social control*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

2577. Write a well-organized answer on *deviance*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

2578. Write a well-organized answer on *community and development*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

2579. Write a well-organized answer on *African societies*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

2580. Write a well-organized answer on *Kenyan society*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

21. Social Problems

2581. Define and explain social problems. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2582. Discuss social problems. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2583. Examine critically social problems. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2584. Explain the importance of social problems. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2585. Describe the major features of social problems. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2586. Differentiate between social problems and a closely related concept, giving at least five clear distinctions.

2587. Compare and contrast social problems with another major concept studied in the same topic area.

2588. Assess the relevance of social problems. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2589. Evaluate the strengths and limitations of social problems. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2590. Analyse the relationship between social problems and effective governance, administration, society or political development.

2591. Discuss the challenges facing social problems. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2592. Explain the causes and consequences of social problems. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2593. Suggest measures for improving social problems. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2594. With relevant examples, discuss social problems. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2595. To what extent does social problems influence political, administrative or social outcomes? Justify your answer.

2596. Critically assess social problems. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2597. Examine the role of social problems. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2598. Discuss the advantages and disadvantages of social problems. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2599. Explain how social problems. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2600. Illustrate with examples social problems. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

22. Social Research

2601. Define and explain social research. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2602. Discuss social research. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2603. Examine critically social research. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2604. Explain the importance of social research. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2605. Describe the major features of social research. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2606. Differentiate between social research and a closely related concept, giving at least five clear distinctions.

2607. Compare and contrast social research with another major concept studied in the same topic area.

2608. Assess the relevance of social research. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2609. Evaluate the strengths and limitations of social research. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2610. Analyse the relationship between social research and effective governance, administration, society or political development.

2611. Discuss the challenges facing social research. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2612. Explain the causes and consequences of social research. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2613. Suggest measures for improving social research. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2614. With relevant examples, discuss social research. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2615. To what extent does social research influence political, administrative or social outcomes? Justify your answer.

2616. Critically assess social research. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2617. Examine the role of social research. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2618. Discuss the advantages and disadvantages of social research. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2619. Explain how social research. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2620. Illustrate with examples social research. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

23. Sociological Imagination

2621. Define and explain sociological imagination. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2622. Discuss sociological imagination. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2623. Examine critically sociological imagination. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2624. Explain the importance of sociological imagination. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2625. Describe the major features of sociological imagination. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2626. Differentiate between sociological imagination and a closely related concept, giving at least five clear distinctions.

2627. Compare and contrast sociological imagination with another major concept studied in the same topic area.

2628. Assess the relevance of sociological imagination. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2629. Evaluate the strengths and limitations of sociological imagination. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2630. Analyse the relationship between sociological imagination and effective governance, administration, society or political development.

2631. Discuss the challenges facing sociological imagination. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2632. Explain the causes and consequences of sociological imagination. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2633. Suggest measures for improving sociological imagination. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2634. With relevant examples, discuss sociological imagination. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2635. To what extent does sociological imagination influence political, administrative or social outcomes? Justify your answer.

2636. Critically assess sociological imagination. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2637. Examine the role of sociological imagination. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2638. Discuss the advantages and disadvantages of sociological imagination. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2639. Explain how sociological imagination. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2640. Illustrate with examples sociological imagination. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

24. Individual And Society

2641. Define and explain individual and society. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2642. Discuss individual and society. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2643. Examine critically individual and society. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2644. Explain the importance of individual and society. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2645. Describe the major features of individual and society. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2646. Differentiate between individual and society and a closely related concept, giving at least five clear distinctions.

2647. Compare and contrast individual and society with another major concept studied in the same topic area.

2648. Assess the relevance of individual and society. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2649. Evaluate the strengths and limitations of individual and society. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2650. Analyse the relationship between individual and society and effective governance, administration, society or political development.

2651. Discuss the challenges facing individual and society. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2652. Explain the causes and consequences of individual and society. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2653. Suggest measures for improving individual and society. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2654. With relevant examples, discuss individual and society. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2655. To what extent does individual and society influence political, administrative or social outcomes? Justify your answer.

2656. Critically assess individual and society. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2657. Examine the role of individual and society. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2658. Discuss the advantages and disadvantages of individual and society. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2659. Explain how individual and society. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2660. Illustrate with examples individual and society. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

Mini Revision Test

2661. Write a well-organized answer on *individual and society*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

2662. Write a well-organized answer on *social control*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

2663. Write a well-organized answer on *deviance*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

2664. Write a well-organized answer on *community and development*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

2665. Write a well-organized answer on *African societies*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

2666. Write a well-organized answer on *Kenyan society*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

2667. Write a well-organized answer on *technology and social change*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

2668. Write a well-organized answer on *meaning and scope of social sciences*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

2669. Write a well-organized answer on *relationship among social science disciplines*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

2670. Write a well-organized answer on *society and social structure*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

25. Social Control

2671. Define and explain social control. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2672. Discuss social control. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2673. Examine critically social control. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2674. Explain the importance of social control. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2675. Describe the major features of social control. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2676. Differentiate between social control and a closely related concept, giving at least five clear distinctions.

2677. Compare and contrast social control with another major concept studied in the same topic area.

2678. Assess the relevance of social control. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2679. Evaluate the strengths and limitations of social control. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2680. Analyse the relationship between social control and effective governance, administration, society or political development.

2681. Discuss the challenges facing social control. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2682. Explain the causes and consequences of social control. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2683. Suggest measures for improving social control. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2684. With relevant examples, discuss social control. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2685. To what extent does social control influence political, administrative or social outcomes? Justify your answer.

2686. Critically assess social control. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2687. Examine the role of social control. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2688. Discuss the advantages and disadvantages of social control. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2689. Explain how social control. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2690. Illustrate with examples social control. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

26. Deviance

2691. Define and explain deviance. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2692. Discuss deviance. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2693. Examine critically deviance. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2694. Explain the importance of deviance. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2695. Describe the major features of deviance. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2696. Differentiate between deviance and a closely related concept, giving at least five clear distinctions.

2697. Compare and contrast deviance with another major concept studied in the same topic area.

2698. Assess the relevance of deviance. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2699. Evaluate the strengths and limitations of deviance. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2700. Analyse the relationship between deviance and effective governance, administration, society or political development.

2701. Discuss the challenges facing deviance. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2702. Explain the causes and consequences of deviance. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2703. Suggest measures for improving deviance. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2704. With relevant examples, discuss deviance. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2705. To what extent does deviance influence political, administrative or social outcomes? Justify your answer.

2706. Critically assess deviance. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2707. Examine the role of deviance. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2708. Discuss the advantages and disadvantages of deviance. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2709. Explain how deviance. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2710. Illustrate with examples deviance. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

27. Community And Development

2711. Define and explain community and development. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2712. Discuss community and development. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2713. Examine critically community and development. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2714. Explain the importance of community and development. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2715. Describe the major features of community and development. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2716. Differentiate between community and development and a closely related concept, giving at least five clear distinctions.

2717. Compare and contrast community and development with another major concept studied in the same topic area.

2718. Assess the relevance of community and development. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2719. Evaluate the strengths and limitations of community and development. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2720. Analyse the relationship between community and development and effective governance, administration, society or political development.

2721. Discuss the challenges facing community and development. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2722. Explain the causes and consequences of community and development. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2723. Suggest measures for improving community and development. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2724. With relevant examples, discuss community and development. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2725. To what extent does community and development influence political, administrative or social outcomes? Justify your answer.

2726. Critically assess community and development. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2727. Examine the role of community and development. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2728. Discuss the advantages and disadvantages of community and development. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2729. Explain how community and development. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2730. Illustrate with examples community and development. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

28. African Societies

2731. Define and explain African societies. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2732. Discuss African societies. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2733. Examine critically African societies. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2734. Explain the importance of African societies. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2735. Describe the major features of African societies. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2736. Differentiate between African societies and a closely related concept, giving at least five clear distinctions.

2737. Compare and contrast African societies with another major concept studied in the same topic area.

2738. Assess the relevance of African societies. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2739. Evaluate the strengths and limitations of African societies. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2740. Analyse the relationship between African societies and effective governance, administration, society or political development.

2741. Discuss the challenges facing African societies. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2742. Explain the causes and consequences of African societies. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2743. Suggest measures for improving African societies. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2744. With relevant examples, discuss African societies. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2745. To what extent does African societies influence political, administrative or social outcomes? Justify your answer.

2746. Critically assess African societies. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2747. Examine the role of African societies. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2748. Discuss the advantages and disadvantages of African societies. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2749. Explain how African societies. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2750. Illustrate with examples African societies. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

Mini Revision Test

2751. Write a well-organized answer on *African societies*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

2752. Write a well-organized answer on *Kenyan society*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

2753. Write a well-organized answer on *technology and social change*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

2754. Write a well-organized answer on *meaning and scope of social sciences*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

2755. Write a well-organized answer on *relationship among social science disciplines*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

2756. Write a well-organized answer on *society and social structure*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

2757. Write a well-organized answer on *culture and socialization*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

2758. Write a well-organized answer on *social institutions*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

2759. Write a well-organized answer on *family*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

2760. Write a well-organized answer on *education*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

29. Kenyan Society

2761. Define and explain Kenyan society. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2762. Discuss Kenyan society. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2763. Examine critically Kenyan society. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2764. Explain the importance of Kenyan society. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2765. Describe the major features of Kenyan society. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2766. Differentiate between Kenyan society and a closely related concept, giving at least five clear distinctions.

2767. Compare and contrast Kenyan society with another major concept studied in the same topic area.

2768. Assess the relevance of Kenyan society. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2769. Evaluate the strengths and limitations of Kenyan society. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2770. Analyse the relationship between Kenyan society and effective governance, administration, society or political development.

2771. Discuss the challenges facing Kenyan society. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2772. Explain the causes and consequences of Kenyan society. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2773. Suggest measures for improving Kenyan society. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2774. With relevant examples, discuss Kenyan society. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2775. To what extent does Kenyan society influence political, administrative or social outcomes? Justify your answer.

2776. Critically assess Kenyan society. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2777. Examine the role of Kenyan society. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2778. Discuss the advantages and disadvantages of Kenyan society. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2779. Explain how Kenyan society. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2780. Illustrate with examples Kenyan society. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

30. Technology And Social Change

2781. Define and explain technology and social change. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2782. Discuss technology and social change. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2783. Examine critically technology and social change. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2784. Explain the importance of technology and social change. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2785. Describe the major features of technology and social change. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2786. Differentiate between technology and social change and a closely related concept, giving at least five clear distinctions.

2787. Compare and contrast technology and social change with another major concept studied in the same topic area.

2788. Assess the relevance of technology and social change. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2789. Evaluate the strengths and limitations of technology and social change. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2790. Analyse the relationship between technology and social change and effective governance, administration, society or political development.

2791. Discuss the challenges facing technology and social change. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2792. Explain the causes and consequences of technology and social change. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2793. Suggest measures for improving technology and social change. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2794. With relevant examples, discuss technology and social change. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2795. To what extent does technology and social change influence political, administrative or social outcomes? Justify your answer.

2796. Critically assess technology and social change. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2797. Examine the role of technology and social change. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2798. Discuss the advantages and disadvantages of technology and social change. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2799. Explain how technology and social change. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2800. Illustrate with examples technology and social change. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

SSC 110: Communication Skills

This section provides a broad examination bank covering the major themes associated with Communication Skills.

1. Communication Process

2801. Define and explain communication process. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2802. Discuss communication process. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2803. Examine critically communication process. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2804. Explain the importance of communication process. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2805. Describe the major features of communication process. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2806. Differentiate between communication process and a closely related concept, giving at least five clear distinctions.

2807. Compare and contrast communication process with another major concept studied in the same topic area.

2808. Assess the relevance of communication process. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2809. Evaluate the strengths and limitations of communication process. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2810. Analyse the relationship between communication process and effective governance, administration, society or political development.

2811. Discuss the challenges facing communication process. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2812. Explain the causes and consequences of communication process. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2813. Suggest measures for improving communication process. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2814. With relevant examples, discuss communication process. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2815. To what extent does communication process influence political, administrative or social outcomes? Justify your answer.

2816. Critically assess communication process. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2817. Examine the role of communication process. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2818. Discuss the advantages and disadvantages of communication process. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2819. Explain how communication process. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2820. Illustrate with examples communication process. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2. Elements Of Communication

2821. Define and explain elements of communication. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2822. Discuss elements of communication. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2823. Examine critically elements of communication. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2824. Explain the importance of elements of communication. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2825. Describe the major features of elements of communication. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2826. Differentiate between elements of communication and a closely related concept, giving at least five clear distinctions.

2827. Compare and contrast elements of communication with another major concept studied in the same topic area.

2828. Assess the relevance of elements of communication. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2829. Evaluate the strengths and limitations of elements of communication. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2830. Analyse the relationship between elements of communication and effective governance, administration, society or political development.

2831. Discuss the challenges facing elements of communication. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2832. Explain the causes and consequences of elements of communication. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2833. Suggest measures for improving elements of communication. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2834. With relevant examples, discuss elements of communication. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2835. To what extent does elements of communication influence political, administrative or social outcomes? Justify your answer.

2836. Critically assess elements of communication. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2837. Examine the role of elements of communication. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2838. Discuss the advantages and disadvantages of elements of communication. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2839. Explain how elements of communication. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2840. Illustrate with examples elements of communication. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3. Verbal And Non-Verbal Communication

2841. Define and explain verbal and non-verbal communication. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2842. Discuss verbal and non-verbal communication. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2843. Examine critically verbal and non-verbal communication. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2844. Explain the importance of verbal and non-verbal communication. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2845. Describe the major features of verbal and non-verbal communication. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2846. Differentiate between verbal and non-verbal communication and a closely related concept, giving at least five clear distinctions.

2847. Compare and contrast verbal and non-verbal communication with another major concept studied in the same topic area.

2848. Assess the relevance of verbal and non-verbal communication. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2849. Evaluate the strengths and limitations of verbal and non-verbal communication. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2850. Analyse the relationship between verbal and non-verbal communication and effective governance, administration, society or political development.

2851. Discuss the challenges facing verbal and non-verbal communication. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2852. Explain the causes and consequences of verbal and non-verbal communication. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2853. Suggest measures for improving verbal and non-verbal communication. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2854. With relevant examples, discuss verbal and non-verbal communication. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2855. To what extent does verbal and non-verbal communication influence political, administrative or social outcomes? Justify your answer.

2856. Critically assess verbal and non-verbal communication. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2857. Examine the role of verbal and non-verbal communication. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2858. Discuss the advantages and disadvantages of verbal and non-verbal communication. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2859. Explain how verbal and non-verbal communication. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2860. Illustrate with examples verbal and non-verbal communication. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4. Barriers To Communication

2861. Define and explain barriers to communication. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2862. Discuss barriers to communication. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2863. Examine critically barriers to communication. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2864. Explain the importance of barriers to communication. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2865. Describe the major features of barriers to communication. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2866. Differentiate between barriers to communication and a closely related concept, giving at least five clear distinctions.

2867. Compare and contrast barriers to communication with another major concept studied in the same topic area.

2868. Assess the relevance of barriers to communication. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2869. Evaluate the strengths and limitations of barriers to communication. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2870. Analyse the relationship between barriers to communication and effective governance, administration, society or political development.

2871. Discuss the challenges facing barriers to communication. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2872. Explain the causes and consequences of barriers to communication. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2873. Suggest measures for improving barriers to communication. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2874. With relevant examples, discuss barriers to communication. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2875. To what extent does barriers to communication influence political, administrative or social outcomes? Justify your answer.

2876. Critically assess barriers to communication. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2877. Examine the role of barriers to communication. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2878. Discuss the advantages and disadvantages of barriers to communication. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2879. Explain how barriers to communication. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2880. Illustrate with examples barriers to communication. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

Mini Revision Test

2881. Write a well-organized answer on *barriers to communication*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

2882. Write a well-organized answer on *listening skills*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

2883. Write a well-organized answer on *speaking skills*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

2884. Write a well-organized answer on *reading strategies*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

2885. Write a well-organized answer on *critical reading*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

2886. Write a well-organized answer on *note-making*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

2887. Write a well-organized answer on *note-taking*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

2888. Write a well-organized answer on *academic vocabulary*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

2889. Write a well-organized answer on *grammar and sentence structure*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

2890. Write a well-organized answer on *paragraph development*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

5. Listening Skills

2891. Define and explain listening skills. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2892. Discuss listening skills. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2893. Examine critically listening skills. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2894. Explain the importance of listening skills. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2895. Describe the major features of listening skills. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2896. Differentiate between listening skills and a closely related concept, giving at least five clear distinctions.

2897. Compare and contrast listening skills with another major concept studied in the same topic area.

2898. Assess the relevance of listening skills. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2899. Evaluate the strengths and limitations of listening skills. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2900. Analyse the relationship between listening skills and effective governance, administration, society or political development.

2901. Discuss the challenges facing listening skills. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2902. Explain the causes and consequences of listening skills. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2903. Suggest measures for improving listening skills. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2904. With relevant examples, discuss listening skills. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2905. To what extent does listening skills influence political, administrative or social outcomes? Justify your answer.

2906. Critically assess listening skills. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2907. Examine the role of listening skills. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2908. Discuss the advantages and disadvantages of listening skills. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2909. Explain how listening skills. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2910. Illustrate with examples listening skills. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

6. Speaking Skills

2911. Define and explain speaking skills. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2912. Discuss speaking skills. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2913. Examine critically speaking skills. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2914. Explain the importance of speaking skills. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2915. Describe the major features of speaking skills. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2916. Differentiate between speaking skills and a closely related concept, giving at least five clear distinctions.

2917. Compare and contrast speaking skills with another major concept studied in the same topic area.

2918. Assess the relevance of speaking skills. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2919. Evaluate the strengths and limitations of speaking skills. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2920. Analyse the relationship between speaking skills and effective governance, administration, society or political development.

2921. Discuss the challenges facing speaking skills. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2922. Explain the causes and consequences of speaking skills. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2923. Suggest measures for improving speaking skills. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2924. With relevant examples, discuss speaking skills. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2925. To what extent does speaking skills influence political, administrative or social outcomes? Justify your answer.

2926. Critically assess speaking skills. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2927. Examine the role of speaking skills. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2928. Discuss the advantages and disadvantages of speaking skills. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2929. Explain how speaking skills. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2930. Illustrate with examples speaking skills. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

7. Reading Strategies

2931. Define and explain reading strategies. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2932. Discuss reading strategies. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2933. Examine critically reading strategies. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2934. Explain the importance of reading strategies. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2935. Describe the major features of reading strategies. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2936. Differentiate between reading strategies and a closely related concept, giving at least five clear distinctions.

2937. Compare and contrast reading strategies with another major concept studied in the same topic area.

2938. Assess the relevance of reading strategies. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2939. Evaluate the strengths and limitations of reading strategies. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2940. Analyse the relationship between reading strategies and effective governance, administration, society or political development.

2941. Discuss the challenges facing reading strategies. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2942. Explain the causes and consequences of reading strategies. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2943. Suggest measures for improving reading strategies. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2944. With relevant examples, discuss reading strategies. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2945. To what extent does reading strategies influence political, administrative or social outcomes? Justify your answer.

2946. Critically assess reading strategies. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2947. Examine the role of reading strategies. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2948. Discuss the advantages and disadvantages of reading strategies. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2949. Explain how reading strategies. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2950. Illustrate with examples reading strategies. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

8. Critical Reading

2951. Define and explain critical reading. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2952. Discuss critical reading. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2953. Examine critically critical reading. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2954. Explain the importance of critical reading. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2955. Describe the major features of critical reading. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2956. Differentiate between critical reading and a closely related concept, giving at least five clear distinctions.

2957. Compare and contrast critical reading with another major concept studied in the same topic area.

2958. Assess the relevance of critical reading. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2959. Evaluate the strengths and limitations of critical reading. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2960. Analyse the relationship between critical reading and effective governance, administration, society or political development.

2961. Discuss the challenges facing critical reading. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2962. Explain the causes and consequences of critical reading. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2963. Suggest measures for improving critical reading. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2964. With relevant examples, discuss critical reading. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2965. To what extent does critical reading influence political, administrative or social outcomes? Justify your answer.

2966. Critically assess critical reading. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2967. Examine the role of critical reading. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2968. Discuss the advantages and disadvantages of critical reading. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2969. Explain how critical reading. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2970. Illustrate with examples critical reading. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

Mini Revision Test

2971. Write a well-organized answer on *critical reading*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

2972. Write a well-organized answer on *note-making*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

2973. Write a well-organized answer on *note-taking*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

2974. Write a well-organized answer on *academic vocabulary*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

2975. Write a well-organized answer on *grammar and sentence structure*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

2976. Write a well-organized answer on *paragraph development*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

2977. Write a well-organized answer on *essay writing*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

2978. Write a well-organized answer on *academic writing*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

2979. Write a well-organized answer on *argument and evidence*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

2980. Write a well-organized answer on *summary writing*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

9. Note-Making

2981. Define and explain note-making. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2982. Discuss note-making. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2983. Examine critically note-making. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2984. Explain the importance of note-making. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2985. Describe the major features of note-making. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2986. Differentiate between note-making and a closely related concept, giving at least five clear distinctions.

2987. Compare and contrast note-making with another major concept studied in the same topic area.

2988. Assess the relevance of note-making. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2989. Evaluate the strengths and limitations of note-making. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2990. Analyse the relationship between note-making and effective governance, administration, society or political development.

2991. Discuss the challenges facing note-making. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2992. Explain the causes and consequences of note-making. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2993. Suggest measures for improving note-making. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2994. With relevant examples, discuss note-making. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2995. To what extent does note-making influence political, administrative or social outcomes? Justify your answer.

2996. Critically assess note-making. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2997. Examine the role of note-making. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2998. Discuss the advantages and disadvantages of note-making. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2999. Explain how note-making. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3000. Illustrate with examples note-making. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

10. Note-Taking

3001. Define and explain note-taking. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3002. Discuss note-taking. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3003. Examine critically note-taking. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3004. Explain the importance of note-taking. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3005. Describe the major features of note-taking. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3006. Differentiate between note-taking and a closely related concept, giving at least five clear distinctions.

3007. Compare and contrast note-taking with another major concept studied in the same topic area.

3008. Assess the relevance of note-taking. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3009. Evaluate the strengths and limitations of note-taking. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3010. Analyse the relationship between note-taking and effective governance, administration, society or political development.

3011. Discuss the challenges facing note-taking. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3012. Explain the causes and consequences of note-taking. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3013. Suggest measures for improving note-taking. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3014. With relevant examples, discuss note-taking. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3015. To what extent does note-taking influence political, administrative or social outcomes? Justify your answer.

3016. Critically assess note-taking. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3017. Examine the role of note-taking. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3018. Discuss the advantages and disadvantages of note-taking. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3019. Explain how note-taking. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3020. Illustrate with examples note-taking. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

11. Academic Vocabulary

3021. Define and explain academic vocabulary. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3022. Discuss academic vocabulary. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3023. Examine critically academic vocabulary. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3024. Explain the importance of academic vocabulary. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3025. Describe the major features of academic vocabulary. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3026. Differentiate between academic vocabulary and a closely related concept, giving at least five clear distinctions.

3027. Compare and contrast academic vocabulary with another major concept studied in the same topic area.

3028. Assess the relevance of academic vocabulary. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3029. Evaluate the strengths and limitations of academic vocabulary. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3030. Analyse the relationship between academic vocabulary and effective governance, administration, society or political development.

3031. Discuss the challenges facing academic vocabulary. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3032. Explain the causes and consequences of academic vocabulary. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3033. Suggest measures for improving academic vocabulary. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3034. With relevant examples, discuss academic vocabulary. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3035. To what extent does academic vocabulary influence political, administrative or social outcomes? Justify your answer.

3036. Critically assess academic vocabulary. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3037. Examine the role of academic vocabulary. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3038. Discuss the advantages and disadvantages of academic vocabulary. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3039. Explain how academic vocabulary. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3040. Illustrate with examples academic vocabulary. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

12. Grammar And Sentence Structure

3041. Define and explain grammar and sentence structure. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3042. Discuss grammar and sentence structure. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3043. Examine critically grammar and sentence structure. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3044. Explain the importance of grammar and sentence structure. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3045. Describe the major features of grammar and sentence structure. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3046. Differentiate between grammar and sentence structure and a closely related concept, giving at least five clear distinctions.

3047. Compare and contrast grammar and sentence structure with another major concept studied in the same topic area.

3048. Assess the relevance of grammar and sentence structure. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3049. Evaluate the strengths and limitations of grammar and sentence structure. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3050. Analyse the relationship between grammar and sentence structure and effective governance, administration, society or political development.

3051. Discuss the challenges facing grammar and sentence structure. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3052. Explain the causes and consequences of grammar and sentence structure. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3053. Suggest measures for improving grammar and sentence structure. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3054. With relevant examples, discuss grammar and sentence structure. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3055. To what extent does grammar and sentence structure influence political, administrative or social outcomes? Justify your answer.

3056. Critically assess grammar and sentence structure. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3057. Examine the role of grammar and sentence structure. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3058. Discuss the advantages and disadvantages of grammar and sentence structure. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3059. Explain how grammar and sentence structure. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3060. Illustrate with examples grammar and sentence structure. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

Mini Revision Test

3061. Write a well-organized answer on *grammar and sentence structure*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

3062. Write a well-organized answer on *paragraph development*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

3063. Write a well-organized answer on *essay writing*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

3064. Write a well-organized answer on *academic writing*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

3065. Write a well-organized answer on *argument and evidence*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

3066. Write a well-organized answer on *summary writing*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

3067. Write a well-organized answer on *paraphrasing*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

3068. Write a well-organized answer on *citation and referencing*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

3069. Write a well-organized answer on *plagiarism*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

3070. Write a well-organized answer on *report writing*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

13. Paragraph Development

3071. Define and explain paragraph development. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3072. Discuss paragraph development. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3073. Examine critically paragraph development. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3074. Explain the importance of paragraph development. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3075. Describe the major features of paragraph development. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3076. Differentiate between paragraph development and a closely related concept, giving at least five clear distinctions.

3077. Compare and contrast paragraph development with another major concept studied in the same topic area.

3078. Assess the relevance of paragraph development. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3079. Evaluate the strengths and limitations of paragraph development. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3080. Analyse the relationship between paragraph development and effective governance, administration, society or political development.

3081. Discuss the challenges facing paragraph development. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3082. Explain the causes and consequences of paragraph development. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3083. Suggest measures for improving paragraph development. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3084. With relevant examples, discuss paragraph development. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3085. To what extent does paragraph development influence political, administrative or social outcomes? Justify your answer.

3086. Critically assess paragraph development. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3087. Examine the role of paragraph development. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3088. Discuss the advantages and disadvantages of paragraph development. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3089. Explain how paragraph development. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3090. Illustrate with examples paragraph development. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

14. Essay Writing

3091. Define and explain essay writing. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3092. Discuss essay writing. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3093. Examine critically essay writing. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3094. Explain the importance of essay writing. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3095. Describe the major features of essay writing. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3096. Differentiate between essay writing and a closely related concept, giving at least five clear distinctions.

3097. Compare and contrast essay writing with another major concept studied in the same topic area.

3098. Assess the relevance of essay writing. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3099. Evaluate the strengths and limitations of essay writing. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3100. Analyse the relationship between essay writing and effective governance, administration, society or political development.

3101. Discuss the challenges facing essay writing. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3102. Explain the causes and consequences of essay writing. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3103. Suggest measures for improving essay writing. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3104. With relevant examples, discuss essay writing. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3105. To what extent does essay writing influence political, administrative or social outcomes? Justify your answer.

3106. Critically assess essay writing. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3107. Examine the role of essay writing. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3108. Discuss the advantages and disadvantages of essay writing. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3109. Explain how essay writing. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3110. Illustrate with examples essay writing. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

15. Academic Writing

3111. Define and explain academic writing. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3112. Discuss academic writing. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3113. Examine critically academic writing. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3114. Explain the importance of academic writing. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3115. Describe the major features of academic writing. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3116. Differentiate between academic writing and a closely related concept, giving at least five clear distinctions.

3117. Compare and contrast academic writing with another major concept studied in the same topic area.

3118. Assess the relevance of academic writing. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3119. Evaluate the strengths and limitations of academic writing. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3120. Analyse the relationship between academic writing and effective governance, administration, society or political development.

3121. Discuss the challenges facing academic writing. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3122. Explain the causes and consequences of academic writing. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3123. Suggest measures for improving academic writing. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3124. With relevant examples, discuss academic writing. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3125. To what extent does academic writing influence political, administrative or social outcomes? Justify your answer.

3126. Critically assess academic writing. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3127. Examine the role of academic writing. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3128. Discuss the advantages and disadvantages of academic writing. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3129. Explain how academic writing. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3130. Illustrate with examples academic writing. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

16. Argument And Evidence

3131. Define and explain argument and evidence. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3132. Discuss argument and evidence. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3133. Examine critically argument and evidence. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3134. Explain the importance of argument and evidence. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3135. Describe the major features of argument and evidence. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3136. Differentiate between argument and evidence and a closely related concept, giving at least five clear distinctions.

3137. Compare and contrast argument and evidence with another major concept studied in the same topic area.

3138. Assess the relevance of argument and evidence. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3139. Evaluate the strengths and limitations of argument and evidence. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3140. Analyse the relationship between argument and evidence and effective governance, administration, society or political development.

3141. Discuss the challenges facing argument and evidence. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3142. Explain the causes and consequences of argument and evidence. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3143. Suggest measures for improving argument and evidence. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3144. With relevant examples, discuss argument and evidence. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3145. To what extent does argument and evidence influence political, administrative or social outcomes? Justify your answer.

3146. Critically assess argument and evidence. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3147. Examine the role of argument and evidence. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3148. Discuss the advantages and disadvantages of argument and evidence. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3149. Explain how argument and evidence. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3150. Illustrate with examples argument and evidence. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

Mini Revision Test

3151. Write a well-organized answer on *argument and evidence*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

3152. Write a well-organized answer on *summary writing*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

3153. Write a well-organized answer on *paraphrasing*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

3154. Write a well-organized answer on *citation and referencing*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

3155. Write a well-organized answer on *plagiarism*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

3156. Write a well-organized answer on *report writing*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

3157. Write a well-organized answer on *research writing*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

3158. Write a well-organized answer on *oral presentation*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

3159. Write a well-organized answer on *interview skills*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

3160. Write a well-organized answer on *group discussion*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

17. Summary Writing

3161. Define and explain summary writing. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3162. Discuss summary writing. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3163. Examine critically summary writing. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3164. Explain the importance of summary writing. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3165. Describe the major features of summary writing. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3166. Differentiate between summary writing and a closely related concept, giving at least five clear distinctions.

3167. Compare and contrast summary writing with another major concept studied in the same topic area.

3168. Assess the relevance of summary writing. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3169. Evaluate the strengths and limitations of summary writing. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3170. Analyse the relationship between summary writing and effective governance, administration, society or political development.

3171. Discuss the challenges facing summary writing. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3172. Explain the causes and consequences of summary writing. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3173. Suggest measures for improving summary writing. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3174. With relevant examples, discuss summary writing. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3175. To what extent does summary writing influence political, administrative or social outcomes? Justify your answer.

3176. Critically assess summary writing. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3177. Examine the role of summary writing. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3178. Discuss the advantages and disadvantages of summary writing. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3179. Explain how summary writing. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3180. Illustrate with examples summary writing. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

18. Paraphrasing

3181. Define and explain paraphrasing. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3182. Discuss paraphrasing. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3183. Examine critically paraphrasing. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3184. Explain the importance of paraphrasing. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3185. Describe the major features of paraphrasing. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3186. Differentiate between paraphrasing and a closely related concept, giving at least five clear distinctions.

3187. Compare and contrast paraphrasing with another major concept studied in the same topic area.

3188. Assess the relevance of paraphrasing. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3189. Evaluate the strengths and limitations of paraphrasing. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3190. Analyse the relationship between paraphrasing and effective governance, administration, society or political development.

3191. Discuss the challenges facing paraphrasing. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3192. Explain the causes and consequences of paraphrasing. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3193. Suggest measures for improving paraphrasing. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3194. With relevant examples, discuss paraphrasing. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3195. To what extent does paraphrasing influence political, administrative or social outcomes? Justify your answer.

3196. Critically assess paraphrasing. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3197. Examine the role of paraphrasing. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3198. Discuss the advantages and disadvantages of paraphrasing. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3199. Explain how paraphrasing. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3200. Illustrate with examples paraphrasing. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

19. Citation And Referencing

3201. Define and explain citation and referencing. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3202. Discuss citation and referencing. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3203. Examine critically citation and referencing. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3204. Explain the importance of citation and referencing. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3205. Describe the major features of citation and referencing. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3206. Differentiate between citation and referencing and a closely related concept, giving at least five clear distinctions.

3207. Compare and contrast citation and referencing with another major concept studied in the same topic area.

3208. Assess the relevance of citation and referencing. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3209. Evaluate the strengths and limitations of citation and referencing. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3210. Analyse the relationship between citation and referencing and effective governance, administration, society or political development.

3211. Discuss the challenges facing citation and referencing. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3212. Explain the causes and consequences of citation and referencing. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3213. Suggest measures for improving citation and referencing. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3214. With relevant examples, discuss citation and referencing. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3215. To what extent does citation and referencing influence political, administrative or social outcomes? Justify your answer.

3216. Critically assess citation and referencing. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3217. Examine the role of citation and referencing. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3218. Discuss the advantages and disadvantages of citation and referencing. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3219. Explain how citation and referencing. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3220. Illustrate with examples citation and referencing. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

20. Plagiarism

3221. Define and explain plagiarism. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3222. Discuss plagiarism. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3223. Examine critically plagiarism. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3224. Explain the importance of plagiarism. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3225. Describe the major features of plagiarism. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3226. Differentiate between plagiarism and a closely related concept, giving at least five clear distinctions.

3227. Compare and contrast plagiarism with another major concept studied in the same topic area.

3228. Assess the relevance of plagiarism. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3229. Evaluate the strengths and limitations of plagiarism. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3230. Analyse the relationship between plagiarism and effective governance, administration, society or political development.

3231. Discuss the challenges facing plagiarism. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3232. Explain the causes and consequences of plagiarism. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3233. Suggest measures for improving plagiarism. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3234. With relevant examples, discuss plagiarism. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3235. To what extent does plagiarism influence political, administrative or social outcomes? Justify your answer.

3236. Critically assess plagiarism. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3237. Examine the role of plagiarism. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3238. Discuss the advantages and disadvantages of plagiarism. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3239. Explain how plagiarism. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3240. Illustrate with examples plagiarism. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

Mini Revision Test

3241. Write a well-organized answer on *plagiarism*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

3242. Write a well-organized answer on *report writing*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

3243. Write a well-organized answer on *research writing*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

3244. Write a well-organized answer on *oral presentation*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

3245. Write a well-organized answer on *interview skills*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

3246. Write a well-organized answer on *group discussion*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

3247. Write a well-organized answer on *debate skills*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

3248. Write a well-organized answer on *professional communication*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

3249. Write a well-organized answer on *digital communication*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

3250. Write a well-organized answer on *library and information communication*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

21. Report Writing

3251. Define and explain report writing. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3252. Discuss report writing. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3253. Examine critically report writing. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3254. Explain the importance of report writing. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3255. Describe the major features of report writing. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3256. Differentiate between report writing and a closely related concept, giving at least five clear distinctions.

3257. Compare and contrast report writing with another major concept studied in the same topic area.

3258. Assess the relevance of report writing. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3259. Evaluate the strengths and limitations of report writing. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3260. Analyse the relationship between report writing and effective governance, administration, society or political development.

3261. Discuss the challenges facing report writing. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3262. Explain the causes and consequences of report writing. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3263. Suggest measures for improving report writing. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3264. With relevant examples, discuss report writing. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3265. To what extent does report writing influence political, administrative or social outcomes? Justify your answer.

3266. Critically assess report writing. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3267. Examine the role of report writing. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3268. Discuss the advantages and disadvantages of report writing. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3269. Explain how report writing. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3270. Illustrate with examples report writing. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

22. Research Writing

3271. Define and explain research writing. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3272. Discuss research writing. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3273. Examine critically research writing. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3274. Explain the importance of research writing. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3275. Describe the major features of research writing. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3276. Differentiate between research writing and a closely related concept, giving at least five clear distinctions.

3277. Compare and contrast research writing with another major concept studied in the same topic area.

3278. Assess the relevance of research writing. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3279. Evaluate the strengths and limitations of research writing. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3280. Analyse the relationship between research writing and effective governance, administration, society or political development.

3281. Discuss the challenges facing research writing. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3282. Explain the causes and consequences of research writing. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3283. Suggest measures for improving research writing. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3284. With relevant examples, discuss research writing. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3285. To what extent does research writing influence political, administrative or social outcomes? Justify your answer.

3286. Critically assess research writing. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3287. Examine the role of research writing. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3288. Discuss the advantages and disadvantages of research writing. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3289. Explain how research writing. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3290. Illustrate with examples research writing. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

23. Oral Presentation

3291. Define and explain oral presentation. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3292. Discuss oral presentation. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3293. Examine critically oral presentation. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3294. Explain the importance of oral presentation. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3295. Describe the major features of oral presentation. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3296. Differentiate between oral presentation and a closely related concept, giving at least five clear distinctions.

3297. Compare and contrast oral presentation with another major concept studied in the same topic area.

3298. Assess the relevance of oral presentation. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3299. Evaluate the strengths and limitations of oral presentation. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3300. Analyse the relationship between oral presentation and effective governance, administration, society or political development.

3301. Discuss the challenges facing oral presentation. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3302. Explain the causes and consequences of oral presentation. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3303. Suggest measures for improving oral presentation. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3304. With relevant examples, discuss oral presentation. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3305. To what extent does oral presentation influence political, administrative or social outcomes? Justify your answer.

3306. Critically assess oral presentation. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3307. Examine the role of oral presentation. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3308. Discuss the advantages and disadvantages of oral presentation. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3309. Explain how oral presentation. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3310. Illustrate with examples oral presentation. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

24. Interview Skills

3311. Define and explain interview skills. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3312. Discuss interview skills. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3313. Examine critically interview skills. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3314. Explain the importance of interview skills. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3315. Describe the major features of interview skills. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3316. Differentiate between interview skills and a closely related concept, giving at least five clear distinctions.

3317. Compare and contrast interview skills with another major concept studied in the same topic area.

3318. Assess the relevance of interview skills. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3319. Evaluate the strengths and limitations of interview skills. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3320. Analyse the relationship between interview skills and effective governance, administration, society or political development.

3321. Discuss the challenges facing interview skills. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3322. Explain the causes and consequences of interview skills. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3323. Suggest measures for improving interview skills. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3324. With relevant examples, discuss interview skills. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3325. To what extent does interview skills influence political, administrative or social outcomes? Justify your answer.

3326. Critically assess interview skills. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3327. Examine the role of interview skills. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3328. Discuss the advantages and disadvantages of interview skills. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3329. Explain how interview skills. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3330. Illustrate with examples interview skills. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

Mini Revision Test

3331. Write a well-organized answer on *interview skills*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

3332. Write a well-organized answer on *group discussion*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

3333. Write a well-organized answer on *debate skills*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

3334. Write a well-organized answer on *professional communication*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

3335. Write a well-organized answer on *digital communication*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

3336. Write a well-organized answer on *library and information communication*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

3337. Write a well-organized answer on *communication process*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

3338. Write a well-organized answer on *elements of communication*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

3339. Write a well-organized answer on *verbal and non-verbal communication*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

3340. Write a well-organized answer on *barriers to communication*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

25. Group Discussion

3341. Define and explain group discussion. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3342. Discuss group discussion. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3343. Examine critically group discussion. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3344. Explain the importance of group discussion. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3345. Describe the major features of group discussion. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3346. Differentiate between group discussion and a closely related concept, giving at least five clear distinctions.

3347. Compare and contrast group discussion with another major concept studied in the same topic area.

3348. Assess the relevance of group discussion. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3349. Evaluate the strengths and limitations of group discussion. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3350. Analyse the relationship between group discussion and effective governance, administration, society or political development.

3351. Discuss the challenges facing group discussion. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3352. Explain the causes and consequences of group discussion. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3353. Suggest measures for improving group discussion. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3354. With relevant examples, discuss group discussion. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3355. To what extent does group discussion influence political, administrative or social outcomes? Justify your answer.

3356. Critically assess group discussion. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3357. Examine the role of group discussion. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3358. Discuss the advantages and disadvantages of group discussion. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3359. Explain how group discussion. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3360. Illustrate with examples group discussion. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

26. Debate Skills

3361. Define and explain debate skills. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3362. Discuss debate skills. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3363. Examine critically debate skills. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3364. Explain the importance of debate skills. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3365. Describe the major features of debate skills. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3366. Differentiate between debate skills and a closely related concept, giving at least five clear distinctions.

3367. Compare and contrast debate skills with another major concept studied in the same topic area.

3368. Assess the relevance of debate skills. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3369. Evaluate the strengths and limitations of debate skills. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3370. Analyse the relationship between debate skills and effective governance, administration, society or political development.

3371. Discuss the challenges facing debate skills. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3372. Explain the causes and consequences of debate skills. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3373. Suggest measures for improving debate skills. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3374. With relevant examples, discuss debate skills. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3375. To what extent does debate skills influence political, administrative or social outcomes? Justify your answer.

3376. Critically assess debate skills. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3377. Examine the role of debate skills. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3378. Discuss the advantages and disadvantages of debate skills. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3379. Explain how debate skills. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3380. Illustrate with examples debate skills. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

27. Professional Communication

3381. Define and explain professional communication. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3382. Discuss professional communication. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3383. Examine critically professional communication. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3384. Explain the importance of professional communication. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3385. Describe the major features of professional communication. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3386. Differentiate between professional communication and a closely related concept, giving at least five clear distinctions.

3387. Compare and contrast professional communication with another major concept studied in the same topic area.

3388. Assess the relevance of professional communication. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3389. Evaluate the strengths and limitations of professional communication. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3390. Analyse the relationship between professional communication and effective governance, administration, society or political development.

3391. Discuss the challenges facing professional communication. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3392. Explain the causes and consequences of professional communication. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3393. Suggest measures for improving professional communication. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3394. With relevant examples, discuss professional communication. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3395. To what extent does professional communication influence political, administrative or social outcomes? Justify your answer.

3396. Critically assess professional communication. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3397. Examine the role of professional communication. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3398. Discuss the advantages and disadvantages of professional communication. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3399. Explain how professional communication. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3400. Illustrate with examples professional communication. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

28. Digital Communication

3401. Define and explain digital communication. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3402. Discuss digital communication. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3403. Examine critically digital communication. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3404. Explain the importance of digital communication. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3405. Describe the major features of digital communication. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3406. Differentiate between digital communication and a closely related concept, giving at least five clear distinctions.

3407. Compare and contrast digital communication with another major concept studied in the same topic area.

3408. Assess the relevance of digital communication. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3409. Evaluate the strengths and limitations of digital communication. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3410. Analyse the relationship between digital communication and effective governance, administration, society or political development.

3411. Discuss the challenges facing digital communication. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3412. Explain the causes and consequences of digital communication. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3413. Suggest measures for improving digital communication. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3414. With relevant examples, discuss digital communication. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3415. To what extent does digital communication influence political, administrative or social outcomes? Justify your answer.

3416. Critically assess digital communication. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3417. Examine the role of digital communication. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3418. Discuss the advantages and disadvantages of digital communication. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3419. Explain how digital communication. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3420. Illustrate with examples digital communication. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

Mini Revision Test

3421. Write a well-organized answer on *digital communication*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

3422. Write a well-organized answer on *library and information communication*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

3423. Write a well-organized answer on *communication process*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

3424. Write a well-organized answer on *elements of communication*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

3425. Write a well-organized answer on *verbal and non-verbal communication*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

3426. Write a well-organized answer on *barriers to communication*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

3427. Write a well-organized answer on *listening skills*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

3428. Write a well-organized answer on *speaking skills*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

3429. Write a well-organized answer on *reading strategies*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

3430. Write a well-organized answer on *critical reading*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

29. Library And Information Communication

3431. Define and explain library and information communication. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3432. Discuss library and information communication. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3433. Examine critically library and information communication. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3434. Explain the importance of library and information communication. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3435. Describe the major features of library and information communication. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3436. Differentiate between library and information communication and a closely related concept, giving at least five clear distinctions.

3437. Compare and contrast library and information communication with another major concept studied in the same topic area.

3438. Assess the relevance of library and information communication. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3439. Evaluate the strengths and limitations of library and information communication. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3440. Analyse the relationship between library and information communication and effective governance, administration, society or political development.

3441. Discuss the challenges facing library and information communication. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3442. Explain the causes and consequences of library and information communication. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3443. Suggest measures for improving library and information communication. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3444. With relevant examples, discuss library and information communication. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3445. To what extent does library and information communication influence political, administrative or social outcomes? Justify your answer.

3446. Critically assess library and information communication. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3447. Examine the role of library and information communication. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3448. Discuss the advantages and disadvantages of library and information communication. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3449. Explain how library and information communication. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3450. Illustrate with examples library and information communication. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

UCC 100: Information Literacy

This section provides a broad examination bank covering the major themes associated with Information Literacy.

1. Meaning And Importance Of Information Literacy

3451. Define and explain meaning and importance of information literacy. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3452. Discuss meaning and importance of information literacy. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3453. Examine critically meaning and importance of information literacy. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3454. Explain the importance of meaning and importance of information literacy. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3455. Describe the major features of meaning and importance of information literacy. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3456. Differentiate between meaning and importance of information literacy and a closely related concept, giving at least five clear distinctions.

3457. Compare and contrast meaning and importance of information literacy with another major concept studied in the same topic area.

3458. Assess the relevance of meaning and importance of information literacy. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3459. Evaluate the strengths and limitations of meaning and importance of information literacy. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3460. Analyse the relationship between meaning and importance of information literacy and effective governance, administration, society or political development.

3461. Discuss the challenges facing meaning and importance of information literacy. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3462. Explain the causes and consequences of meaning and importance of information literacy. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3463. Suggest measures for improving meaning and importance of information literacy. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3464. With relevant examples, discuss meaning and importance of information literacy. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3465. To what extent does meaning and importance of information literacy influence political, administrative or social outcomes? Justify your answer.

3466. Critically assess meaning and importance of information literacy. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3467. Examine the role of meaning and importance of information literacy. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3468. Discuss the advantages and disadvantages of meaning and importance of information literacy. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3469. Explain how meaning and importance of information literacy. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3470. Illustrate with examples meaning and importance of information literacy. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2. Information Needs

3471. Define and explain information needs. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3472. Discuss information needs. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3473. Examine critically information needs. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3474. Explain the importance of information needs. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3475. Describe the major features of information needs. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3476. Differentiate between information needs and a closely related concept, giving at least five clear distinctions.

3477. Compare and contrast information needs with another major concept studied in the same topic area.

3478. Assess the relevance of information needs. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3479. Evaluate the strengths and limitations of information needs. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3480. Analyse the relationship between information needs and effective governance, administration, society or political development.

3481. Discuss the challenges facing information needs. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3482. Explain the causes and consequences of information needs. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3483. Suggest measures for improving information needs. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3484. With relevant examples, discuss information needs. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3485. To what extent does information needs influence political, administrative or social outcomes? Justify your answer.

3486. Critically assess information needs. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3487. Examine the role of information needs. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3488. Discuss the advantages and disadvantages of information needs. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3489. Explain how information needs. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3490. Illustrate with examples information needs. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3. Information Sources

3491. Define and explain information sources. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3492. Discuss information sources. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3493. Examine critically information sources. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3494. Explain the importance of information sources. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3495. Describe the major features of information sources. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3496. Differentiate between information sources and a closely related concept, giving at least five clear distinctions.

3497. Compare and contrast information sources with another major concept studied in the same topic area.

3498. Assess the relevance of information sources. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3499. Evaluate the strengths and limitations of information sources. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3500. Analyse the relationship between information sources and effective governance, administration, society or political development.

3501. Discuss the challenges facing information sources. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3502. Explain the causes and consequences of information sources. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3503. Suggest measures for improving information sources. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3504. With relevant examples, discuss information sources. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3505. To what extent does information sources influence political, administrative or social outcomes? Justify your answer.

3506. Critically assess information sources. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3507. Examine the role of information sources. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3508. Discuss the advantages and disadvantages of information sources. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3509. Explain how information sources. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3510. Illustrate with examples information sources. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4. Primary, Secondary And Tertiary Sources

3511. Define and explain primary, secondary and tertiary sources. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3512. Discuss primary, secondary and tertiary sources. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3513. Examine critically primary, secondary and tertiary sources. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3514. Explain the importance of primary, secondary and tertiary sources. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3515. Describe the major features of primary, secondary and tertiary sources. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3516. Differentiate between primary, secondary and tertiary sources and a closely related concept, giving at least five clear distinctions.

3517. Compare and contrast primary, secondary and tertiary sources with another major concept studied in the same topic area.

3518. Assess the relevance of primary, secondary and tertiary sources. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3519. Evaluate the strengths and limitations of primary, secondary and tertiary sources. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3520. Analyse the relationship between primary, secondary and tertiary sources and effective governance, administration, society or political development.

3521. Discuss the challenges facing primary, secondary and tertiary sources. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3522. Explain the causes and consequences of primary, secondary and tertiary sources. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3523. Suggest measures for improving primary, secondary and tertiary sources. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3524. With relevant examples, discuss primary, secondary and tertiary sources. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3525. To what extent does primary, secondary and tertiary sources influence political, administrative or social outcomes? Justify your answer.

3526. Critically assess primary, secondary and tertiary sources. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3527. Examine the role of primary, secondary and tertiary sources. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3528. Discuss the advantages and disadvantages of primary, secondary and tertiary sources. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3529. Explain how primary, secondary and tertiary sources. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3530. Illustrate with examples primary, secondary and tertiary sources. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

Mini Revision Test

3531. Write a well-organized answer on *primary, secondary and tertiary sources*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

3532. Write a well-organized answer on *library services*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

3533. Write a well-organized answer on *catalogues and databases*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

3534. Write a well-organized answer on *search strategies*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

3535. Write a well-organized answer on *keywords and Boolean operators*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

3536. Write a well-organized answer on *evaluating information sources*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

3537. Write a well-organized answer on *authority, accuracy and currency*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

3538. Write a well-organized answer on *academic databases*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

3539. Write a well-organized answer on *Google Scholar and scholarly searching*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

3540. Write a well-organized answer on *referencing systems*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

5. Library Services

3541. Define and explain library services. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3542. Discuss library services. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3543. Examine critically library services. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3544. Explain the importance of library services. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3545. Describe the major features of library services. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3546. Differentiate between library services and a closely related concept, giving at least five clear distinctions.

3547. Compare and contrast library services with another major concept studied in the same topic area.

3548. Assess the relevance of library services. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3549. Evaluate the strengths and limitations of library services. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3550. Analyse the relationship between library services and effective governance, administration, society or political development.

3551. Discuss the challenges facing library services. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3552. Explain the causes and consequences of library services. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3553. Suggest measures for improving library services. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3554. With relevant examples, discuss library services. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3555. To what extent does library services influence political, administrative or social outcomes? Justify your answer.

3556. Critically assess library services. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3557. Examine the role of library services. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3558. Discuss the advantages and disadvantages of library services. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3559. Explain how library services. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3560. Illustrate with examples library services. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

6. Catalogues And Databases

3561. Define and explain catalogues and databases. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3562. Discuss catalogues and databases. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3563. Examine critically catalogues and databases. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3564. Explain the importance of catalogues and databases. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3565. Describe the major features of catalogues and databases. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3566. Differentiate between catalogues and databases and a closely related concept, giving at least five clear distinctions.

3567. Compare and contrast catalogues and databases with another major concept studied in the same topic area.

3568. Assess the relevance of catalogues and databases. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3569. Evaluate the strengths and limitations of catalogues and databases. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3570. Analyse the relationship between catalogues and databases and effective governance, administration, society or political development.

3571. Discuss the challenges facing catalogues and databases. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3572. Explain the causes and consequences of catalogues and databases. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3573. Suggest measures for improving catalogues and databases. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3574. With relevant examples, discuss catalogues and databases. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3575. To what extent does catalogues and databases influence political, administrative or social outcomes? Justify your answer.

3576. Critically assess catalogues and databases. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3577. Examine the role of catalogues and databases. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3578. Discuss the advantages and disadvantages of catalogues and databases. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3579. Explain how catalogues and databases. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3580. Illustrate with examples catalogues and databases. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

7. Search Strategies

3581. Define and explain search strategies. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3582. Discuss search strategies. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3583. Examine critically search strategies. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3584. Explain the importance of search strategies. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3585. Describe the major features of search strategies. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3586. Differentiate between search strategies and a closely related concept, giving at least five clear distinctions.

3587. Compare and contrast search strategies with another major concept studied in the same topic area.

3588. Assess the relevance of search strategies. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3589. Evaluate the strengths and limitations of search strategies. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3590. Analyse the relationship between search strategies and effective governance, administration, society or political development.

3591. Discuss the challenges facing search strategies. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3592. Explain the causes and consequences of search strategies. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3593. Suggest measures for improving search strategies. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3594. With relevant examples, discuss search strategies. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3595. To what extent does search strategies influence political, administrative or social outcomes? Justify your answer.

3596. Critically assess search strategies. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3597. Examine the role of search strategies. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3598. Discuss the advantages and disadvantages of search strategies. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3599. Explain how search strategies. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3600. Illustrate with examples search strategies. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

8. Keywords And Boolean Operators

3601. Define and explain keywords and Boolean operators. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3602. Discuss keywords and Boolean operators. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3603. Examine critically keywords and Boolean operators. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3604. Explain the importance of keywords and Boolean operators. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3605. Describe the major features of keywords and Boolean operators. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3606. Differentiate between keywords and Boolean operators and a closely related concept, giving at least five clear distinctions.

3607. Compare and contrast keywords and Boolean operators with another major concept studied in the same topic area.

3608. Assess the relevance of keywords and Boolean operators. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3609. Evaluate the strengths and limitations of keywords and Boolean operators. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3610. Analyse the relationship between keywords and Boolean operators and effective governance, administration, society or political development.

3611. Discuss the challenges facing keywords and Boolean operators. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3612. Explain the causes and consequences of keywords and Boolean operators. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3613. Suggest measures for improving keywords and Boolean operators. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3614. With relevant examples, discuss keywords and Boolean operators. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3615. To what extent does keywords and Boolean operators influence political, administrative or social outcomes? Justify your answer.

3616. Critically assess keywords and Boolean operators. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3617. Examine the role of keywords and Boolean operators. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3618. Discuss the advantages and disadvantages of keywords and Boolean operators. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3619. Explain how keywords and Boolean operators. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3620. Illustrate with examples keywords and Boolean operators. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

Mini Revision Test

3621. Write a well-organized answer on *keywords and Boolean operators*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

3622. Write a well-organized answer on *evaluating information sources*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

3623. Write a well-organized answer on *authority, accuracy and currency*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

3624. Write a well-organized answer on *academic databases*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

3625. Write a well-organized answer on *Google Scholar and scholarly searching*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

3626. Write a well-organized answer on *referencing systems*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

3627. Write a well-organized answer on *plagiarism and academic integrity*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

3628. Write a well-organized answer on *copyright and intellectual property*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

3629. Write a well-organized answer on *open educational resources*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

3630. Write a well-organized answer on *digital literacy*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

9. Evaluating Information Sources

3631. Define and explain evaluating information sources. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3632. Discuss evaluating information sources. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3633. Examine critically evaluating information sources. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3634. Explain the importance of evaluating information sources. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3635. Describe the major features of evaluating information sources. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3636. Differentiate between evaluating information sources and a closely related concept, giving at least five clear distinctions.

3637. Compare and contrast evaluating information sources with another major concept studied in the same topic area.

3638. Assess the relevance of evaluating information sources. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3639. Evaluate the strengths and limitations of evaluating information sources. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3640. Analyse the relationship between evaluating information sources and effective governance, administration, society or political development.

3641. Discuss the challenges facing evaluating information sources. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3642. Explain the causes and consequences of evaluating information sources. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3643. Suggest measures for improving evaluating information sources. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3644. With relevant examples, discuss evaluating information sources. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3645. To what extent does evaluating information sources influence political, administrative or social outcomes? Justify your answer.

3646. Critically assess evaluating information sources. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3647. Examine the role of evaluating information sources. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3648. Discuss the advantages and disadvantages of evaluating information sources. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3649. Explain how evaluating information sources. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3650. Illustrate with examples evaluating information sources. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

10. Authority, Accuracy And Currency

3651. Define and explain authority, accuracy and currency. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3652. Discuss authority, accuracy and currency. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3653. Examine critically authority, accuracy and currency. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3654. Explain the importance of authority, accuracy and currency. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3655. Describe the major features of authority, accuracy and currency. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3656. Differentiate between authority, accuracy and currency and a closely related concept, giving at least five clear distinctions.

3657. Compare and contrast authority, accuracy and currency with another major concept studied in the same topic area.

3658. Assess the relevance of authority, accuracy and currency. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3659. Evaluate the strengths and limitations of authority, accuracy and currency. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3660. Analyse the relationship between authority, accuracy and currency and effective governance, administration, society or political development.

3661. Discuss the challenges facing authority, accuracy and currency. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3662. Explain the causes and consequences of authority, accuracy and currency. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3663. Suggest measures for improving authority, accuracy and currency. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3664. With relevant examples, discuss authority, accuracy and currency. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3665. To what extent does authority, accuracy and currency influence political, administrative or social outcomes? Justify your answer.

3666. Critically assess authority, accuracy and currency. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3667. Examine the role of authority, accuracy and currency. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3668. Discuss the advantages and disadvantages of authority, accuracy and currency. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3669. Explain how authority, accuracy and currency. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3670. Illustrate with examples authority, accuracy and currency. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

11. Academic Databases

3671. Define and explain academic databases. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3672. Discuss academic databases. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3673. Examine critically academic databases. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3674. Explain the importance of academic databases. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3675. Describe the major features of academic databases. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3676. Differentiate between academic databases and a closely related concept, giving at least five clear distinctions.

3677. Compare and contrast academic databases with another major concept studied in the same topic area.

3678. Assess the relevance of academic databases. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3679. Evaluate the strengths and limitations of academic databases. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3680. Analyse the relationship between academic databases and effective governance, administration, society or political development.

3681. Discuss the challenges facing academic databases. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3682. Explain the causes and consequences of academic databases. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3683. Suggest measures for improving academic databases. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3684. With relevant examples, discuss academic databases. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3685. To what extent does academic databases influence political, administrative or social outcomes? Justify your answer.

3686. Critically assess academic databases. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3687. Examine the role of academic databases. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3688. Discuss the advantages and disadvantages of academic databases. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3689. Explain how academic databases. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3690. Illustrate with examples academic databases. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

12. Google Scholar And Scholarly Searching

3691. Define and explain Google Scholar and scholarly searching. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3692. Discuss Google Scholar and scholarly searching. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3693. Examine critically Google Scholar and scholarly searching. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3694. Explain the importance of Google Scholar and scholarly searching. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3695. Describe the major features of Google Scholar and scholarly searching. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3696. Differentiate between Google Scholar and scholarly searching and a closely related concept, giving at least five clear distinctions.

3697. Compare and contrast Google Scholar and scholarly searching with another major concept studied in the same topic area.

3698. Assess the relevance of Google Scholar and scholarly searching. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3699. Evaluate the strengths and limitations of Google Scholar and scholarly searching. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3700. Analyse the relationship between Google Scholar and scholarly searching and effective governance, administration, society or political development.

3701. Discuss the challenges facing Google Scholar and scholarly searching. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3702. Explain the causes and consequences of Google Scholar and scholarly searching. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3703. Suggest measures for improving Google Scholar and scholarly searching. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3704. With relevant examples, discuss Google Scholar and scholarly searching. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3705. To what extent does Google Scholar and scholarly searching influence political, administrative or social outcomes? Justify your answer.

3706. Critically assess Google Scholar and scholarly searching. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3707. Examine the role of Google Scholar and scholarly searching. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3708. Discuss the advantages and disadvantages of Google Scholar and scholarly searching. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3709. Explain how Google Scholar and scholarly searching. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3710. Illustrate with examples Google Scholar and scholarly searching. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

Mini Revision Test

3711. Write a well-organized answer on *Google Scholar and scholarly searching*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

3712. Write a well-organized answer on *referencing systems*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

3713. Write a well-organized answer on *plagiarism and academic integrity*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

3714. Write a well-organized answer on *copyright and intellectual property*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

3715. Write a well-organized answer on *open educational resources*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

3716. Write a well-organized answer on *digital literacy*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

3717. Write a well-organized answer on *misinformation and disinformation*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

3718. Write a well-organized answer on *information ethics*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

3719. Write a well-organized answer on *data privacy and cybersecurity*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

3720. Write a well-organized answer on *research question development*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

13. Referencing Systems

3721. Define and explain referencing systems. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3722. Discuss referencing systems. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3723. Examine critically referencing systems. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3724. Explain the importance of referencing systems. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3725. Describe the major features of referencing systems. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3726. Differentiate between referencing systems and a closely related concept, giving at least five clear distinctions.

3727. Compare and contrast referencing systems with another major concept studied in the same topic area.

3728. Assess the relevance of referencing systems. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3729. Evaluate the strengths and limitations of referencing systems. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3730. Analyse the relationship between referencing systems and effective governance, administration, society or political development.

3731. Discuss the challenges facing referencing systems. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3732. Explain the causes and consequences of referencing systems. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3733. Suggest measures for improving referencing systems. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3734. With relevant examples, discuss referencing systems. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3735. To what extent does referencing systems influence political, administrative or social outcomes? Justify your answer.

3736. Critically assess referencing systems. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3737. Examine the role of referencing systems. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3738. Discuss the advantages and disadvantages of referencing systems. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3739. Explain how referencing systems. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3740. Illustrate with examples referencing systems. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

14. Plagiarism And Academic Integrity

3741. Define and explain plagiarism and academic integrity. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3742. Discuss plagiarism and academic integrity. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3743. Examine critically plagiarism and academic integrity. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3744. Explain the importance of plagiarism and academic integrity. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3745. Describe the major features of plagiarism and academic integrity. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3746. Differentiate between plagiarism and academic integrity and a closely related concept, giving at least five clear distinctions.

3747. Compare and contrast plagiarism and academic integrity with another major concept studied in the same topic area.

3748. Assess the relevance of plagiarism and academic integrity. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3749. Evaluate the strengths and limitations of plagiarism and academic integrity. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3750. Analyse the relationship between plagiarism and academic integrity and effective governance, administration, society or political development.

3751. Discuss the challenges facing plagiarism and academic integrity. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3752. Explain the causes and consequences of plagiarism and academic integrity. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3753. Suggest measures for improving plagiarism and academic integrity. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3754. With relevant examples, discuss plagiarism and academic integrity. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3755. To what extent does plagiarism and academic integrity influence political, administrative or social outcomes? Justify your answer.

3756. Critically assess plagiarism and academic integrity. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3757. Examine the role of plagiarism and academic integrity. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3758. Discuss the advantages and disadvantages of plagiarism and academic integrity. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3759. Explain how plagiarism and academic integrity. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3760. Illustrate with examples plagiarism and academic integrity. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

15. Copyright And Intellectual Property

3761. Define and explain copyright and intellectual property. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3762. Discuss copyright and intellectual property. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3763. Examine critically copyright and intellectual property. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3764. Explain the importance of copyright and intellectual property. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3765. Describe the major features of copyright and intellectual property. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3766. Differentiate between copyright and intellectual property and a closely related concept, giving at least five clear distinctions.

3767. Compare and contrast copyright and intellectual property with another major concept studied in the same topic area.

3768. Assess the relevance of copyright and intellectual property. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3769. Evaluate the strengths and limitations of copyright and intellectual property. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3770. Analyse the relationship between copyright and intellectual property and effective governance, administration, society or political development.

3771. Discuss the challenges facing copyright and intellectual property. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3772. Explain the causes and consequences of copyright and intellectual property. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3773. Suggest measures for improving copyright and intellectual property. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3774. With relevant examples, discuss copyright and intellectual property. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3775. To what extent does copyright and intellectual property influence political, administrative or social outcomes? Justify your answer.

3776. Critically assess copyright and intellectual property. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3777. Examine the role of copyright and intellectual property. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3778. Discuss the advantages and disadvantages of copyright and intellectual property. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3779. Explain how copyright and intellectual property. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3780. Illustrate with examples copyright and intellectual property. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

16. Open Educational Resources

3781. Define and explain open educational resources. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3782. Discuss open educational resources. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3783. Examine critically open educational resources. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3784. Explain the importance of open educational resources. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3785. Describe the major features of open educational resources. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3786. Differentiate between open educational resources and a closely related concept, giving at least five clear distinctions.

3787. Compare and contrast open educational resources with another major concept studied in the same topic area.

3788. Assess the relevance of open educational resources. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3789. Evaluate the strengths and limitations of open educational resources. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3790. Analyse the relationship between open educational resources and effective governance, administration, society or political development.

3791. Discuss the challenges facing open educational resources. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3792. Explain the causes and consequences of open educational resources. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3793. Suggest measures for improving open educational resources. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3794. With relevant examples, discuss open educational resources. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3795. To what extent does open educational resources influence political, administrative or social outcomes? Justify your answer.

3796. Critically assess open educational resources. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3797. Examine the role of open educational resources. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3798. Discuss the advantages and disadvantages of open educational resources. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3799. Explain how open educational resources. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3800. Illustrate with examples open educational resources. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

Mini Revision Test

3801. Write a well-organized answer on *open educational resources*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

3802. Write a well-organized answer on *digital literacy*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

3803. Write a well-organized answer on *misinformation and disinformation*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

3804. Write a well-organized answer on *information ethics*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

3805. Write a well-organized answer on *data privacy and cybersecurity*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

3806. Write a well-organized answer on *research question development*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

3807. Write a well-organized answer on *literature searching*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

3808. Write a well-organized answer on *citation management*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

3809. Write a well-organized answer on *credible online sources*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

3810. Write a well-organized answer on *meaning and importance of information literacy*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

17. Digital Literacy

3811. Define and explain digital literacy. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3812. Discuss digital literacy. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3813. Examine critically digital literacy. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3814. Explain the importance of digital literacy. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3815. Describe the major features of digital literacy. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3816. Differentiate between digital literacy and a closely related concept, giving at least five clear distinctions.

3817. Compare and contrast digital literacy with another major concept studied in the same topic area.

3818. Assess the relevance of digital literacy. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3819. Evaluate the strengths and limitations of digital literacy. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3820. Analyse the relationship between digital literacy and effective governance, administration, society or political development.

3821. Discuss the challenges facing digital literacy. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3822. Explain the causes and consequences of digital literacy. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3823. Suggest measures for improving digital literacy. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3824. With relevant examples, discuss digital literacy. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3825. To what extent does digital literacy influence political, administrative or social outcomes? Justify your answer.

3826. Critically assess digital literacy. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3827. Examine the role of digital literacy. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3828. Discuss the advantages and disadvantages of digital literacy. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3829. Explain how digital literacy. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3830. Illustrate with examples digital literacy. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

18. Misinformation And Disinformation

3831. Define and explain misinformation and disinformation. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3832. Discuss misinformation and disinformation. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3833. Examine critically misinformation and disinformation. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3834. Explain the importance of misinformation and disinformation. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3835. Describe the major features of misinformation and disinformation. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3836. Differentiate between misinformation and disinformation and a closely related concept, giving at least five clear distinctions.

3837. Compare and contrast misinformation and disinformation with another major concept studied in the same topic area.

3838. Assess the relevance of misinformation and disinformation. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3839. Evaluate the strengths and limitations of misinformation and disinformation. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3840. Analyse the relationship between misinformation and disinformation and effective governance, administration, society or political development.

3841. Discuss the challenges facing misinformation and disinformation. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3842. Explain the causes and consequences of misinformation and disinformation. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3843. Suggest measures for improving misinformation and disinformation. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3844. With relevant examples, discuss misinformation and disinformation. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3845. To what extent does misinformation and disinformation influence political, administrative or social outcomes? Justify your answer.

3846. Critically assess misinformation and disinformation. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3847. Examine the role of misinformation and disinformation. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3848. Discuss the advantages and disadvantages of misinformation and disinformation. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3849. Explain how misinformation and disinformation. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3850. Illustrate with examples misinformation and disinformation. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

19. Information Ethics

3851. Define and explain information ethics. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3852. Discuss information ethics. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3853. Examine critically information ethics. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3854. Explain the importance of information ethics. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3855. Describe the major features of information ethics. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3856. Differentiate between information ethics and a closely related concept, giving at least five clear distinctions.

3857. Compare and contrast information ethics with another major concept studied in the same topic area.

3858. Assess the relevance of information ethics. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3859. Evaluate the strengths and limitations of information ethics. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3860. Analyse the relationship between information ethics and effective governance, administration, society or political development.

3861. Discuss the challenges facing information ethics. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3862. Explain the causes and consequences of information ethics. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3863. Suggest measures for improving information ethics. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3864. With relevant examples, discuss information ethics. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3865. To what extent does information ethics influence political, administrative or social outcomes? Justify your answer.

3866. Critically assess information ethics. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3867. Examine the role of information ethics. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3868. Discuss the advantages and disadvantages of information ethics. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3869. Explain how information ethics. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3870. Illustrate with examples information ethics. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

20. Data Privacy And Cybersecurity

3871. Define and explain data privacy and cybersecurity. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3872. Discuss data privacy and cybersecurity. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3873. Examine critically data privacy and cybersecurity. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3874. Explain the importance of data privacy and cybersecurity. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3875. Describe the major features of data privacy and cybersecurity. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3876. Differentiate between data privacy and cybersecurity and a closely related concept, giving at least five clear distinctions.

3877. Compare and contrast data privacy and cybersecurity with another major concept studied in the same topic area.

3878. Assess the relevance of data privacy and cybersecurity. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3879. Evaluate the strengths and limitations of data privacy and cybersecurity. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3880. Analyse the relationship between data privacy and cybersecurity and effective governance, administration, society or political development.

3881. Discuss the challenges facing data privacy and cybersecurity. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3882. Explain the causes and consequences of data privacy and cybersecurity. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3883. Suggest measures for improving data privacy and cybersecurity. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3884. With relevant examples, discuss data privacy and cybersecurity. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3885. To what extent does data privacy and cybersecurity influence political, administrative or social outcomes? Justify your answer.

3886. Critically assess data privacy and cybersecurity. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3887. Examine the role of data privacy and cybersecurity. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3888. Discuss the advantages and disadvantages of data privacy and cybersecurity. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3889. Explain how data privacy and cybersecurity. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3890. Illustrate with examples data privacy and cybersecurity. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

Mini Revision Test

3891. Write a well-organized answer on *data privacy and cybersecurity*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

3892. Write a well-organized answer on *research question development*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

3893. Write a well-organized answer on *literature searching*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

3894. Write a well-organized answer on *citation management*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

3895. Write a well-organized answer on *credible online sources*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

3896. Write a well-organized answer on *meaning and importance of information literacy*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

3897. Write a well-organized answer on *information needs*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

3898. Write a well-organized answer on *information sources*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

3899. Write a well-organized answer on *primary, secondary and tertiary sources*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

3900. Write a well-organized answer on *library services*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

21. Research Question Development

3901. Define and explain research question development. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3902. Discuss research question development. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3903. Examine critically research question development. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3904. Explain the importance of research question development. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3905. Describe the major features of research question development. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3906. Differentiate between research question development and a closely related concept, giving at least five clear distinctions.

3907. Compare and contrast research question development with another major concept studied in the same topic area.

3908. Assess the relevance of research question development. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3909. Evaluate the strengths and limitations of research question development. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3910. Analyse the relationship between research question development and effective governance, administration, society or political development.

3911. Discuss the challenges facing research question development. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3912. Explain the causes and consequences of research question development. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3913. Suggest measures for improving research question development. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3914. With relevant examples, discuss research question development. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3915. To what extent does research question development influence political, administrative or social outcomes? Justify your answer.

3916. Critically assess research question development. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3917. Examine the role of research question development. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3918. Discuss the advantages and disadvantages of research question development. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3919. Explain how research question development. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3920. Illustrate with examples research question development. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

22. Literature Searching

3921. Define and explain literature searching. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3922. Discuss literature searching. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3923. Examine critically literature searching. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3924. Explain the importance of literature searching. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3925. Describe the major features of literature searching. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3926. Differentiate between literature searching and a closely related concept, giving at least five clear distinctions.

3927. Compare and contrast literature searching with another major concept studied in the same topic area.

3928. Assess the relevance of literature searching. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3929. Evaluate the strengths and limitations of literature searching. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3930. Analyse the relationship between literature searching and effective governance, administration, society or political development.

3931. Discuss the challenges facing literature searching. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3932. Explain the causes and consequences of literature searching. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3933. Suggest measures for improving literature searching. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3934. With relevant examples, discuss literature searching. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3935. To what extent does literature searching influence political, administrative or social outcomes? Justify your answer.

3936. Critically assess literature searching. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3937. Examine the role of literature searching. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3938. Discuss the advantages and disadvantages of literature searching. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3939. Explain how literature searching. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3940. Illustrate with examples literature searching. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

23. Citation Management

3941. Define and explain citation management. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3942. Discuss citation management. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3943. Examine critically citation management. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3944. Explain the importance of citation management. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3945. Describe the major features of citation management. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3946. Differentiate between citation management and a closely related concept, giving at least five clear distinctions.

3947. Compare and contrast citation management with another major concept studied in the same topic area.

3948. Assess the relevance of citation management. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3949. Evaluate the strengths and limitations of citation management. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3950. Analyse the relationship between citation management and effective governance, administration, society or political development.

3951. Discuss the challenges facing citation management. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3952. Explain the causes and consequences of citation management. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3953. Suggest measures for improving citation management. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3954. With relevant examples, discuss citation management. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3955. To what extent does citation management influence political, administrative or social outcomes? Justify your answer.

3956. Critically assess citation management. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3957. Examine the role of citation management. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3958. Discuss the advantages and disadvantages of citation management. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3959. Explain how citation management. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3960. Illustrate with examples citation management. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

24. Credible Online Sources

3961. Define and explain credible online sources. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3962. Discuss credible online sources. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3963. Examine critically credible online sources. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3964. Explain the importance of credible online sources. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3965. Describe the major features of credible online sources. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3966. Differentiate between credible online sources and a closely related concept, giving at least five clear distinctions.

3967. Compare and contrast credible online sources with another major concept studied in the same topic area.

3968. Assess the relevance of credible online sources. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3969. Evaluate the strengths and limitations of credible online sources. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3970. Analyse the relationship between credible online sources and effective governance, administration, society or political development.

3971. Discuss the challenges facing credible online sources. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3972. Explain the causes and consequences of credible online sources. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3973. Suggest measures for improving credible online sources. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3974. With relevant examples, discuss credible online sources. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3975. To what extent does credible online sources influence political, administrative or social outcomes? Justify your answer.

3976. Critically assess credible online sources. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3977. Examine the role of credible online sources. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3978. Discuss the advantages and disadvantages of credible online sources. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3979. Explain how credible online sources. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3980. Illustrate with examples credible online sources. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

Mini Revision Test

3981. Write a well-organized answer on *credible online sources*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

3982. Write a well-organized answer on *meaning and importance of information literacy*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

3983. Write a well-organized answer on *information needs*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

3984. Write a well-organized answer on *information sources*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

3985. Write a well-organized answer on *primary, secondary and tertiary sources*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

3986. Write a well-organized answer on *library services*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

3987. Write a well-organized answer on *catalogues and databases*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

3988. Write a well-organized answer on *search strategies*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

3989. Write a well-organized answer on *keywords and Boolean operators*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

3990. Write a well-organized answer on *evaluating information sources*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

SSC 111: Contemporary Health Issues

This section provides a broad examination bank covering the major themes associated with Contemporary Health Issues.

1. Concept Of Health

3991. Define and explain concept of health. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3992. Discuss concept of health. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3993. Examine critically concept of health. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3994. Explain the importance of concept of health. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3995. Describe the major features of concept of health. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3996. Differentiate between concept of health and a closely related concept, giving at least five clear distinctions.

3997. Compare and contrast concept of health with another major concept studied in the same topic area.

3998. Assess the relevance of concept of health. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3999. Evaluate the strengths and limitations of concept of health. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4000. Analyse the relationship between concept of health and effective governance, administration, society or political development.

4001. Discuss the challenges facing concept of health. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4002. Explain the causes and consequences of concept of health. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4003. Suggest measures for improving concept of health. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4004. With relevant examples, discuss concept of health. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4005. To what extent does concept of health influence political, administrative or social outcomes? Justify your answer.

4006. Critically assess concept of health. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4007. Examine the role of concept of health. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4008. Discuss the advantages and disadvantages of concept of health. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4009. Explain how concept of health. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4010. Illustrate with examples concept of health. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2. Determinants Of Health

4011. Define and explain determinants of health. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4012. Discuss determinants of health. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4013. Examine critically determinants of health. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4014. Explain the importance of determinants of health. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4015. Describe the major features of determinants of health. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4016. Differentiate between determinants of health and a closely related concept, giving at least five clear distinctions.

4017. Compare and contrast determinants of health with another major concept studied in the same topic area.

4018. Assess the relevance of determinants of health. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4019. Evaluate the strengths and limitations of determinants of health. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4020. Analyse the relationship between determinants of health and effective governance, administration, society or political development.

4021. Discuss the challenges facing determinants of health. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4022. Explain the causes and consequences of determinants of health. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4023. Suggest measures for improving determinants of health. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4024. With relevant examples, discuss determinants of health. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4025. To what extent does determinants of health influence political, administrative or social outcomes? Justify your answer.

4026. Critically assess determinants of health. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4027. Examine the role of determinants of health. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4028. Discuss the advantages and disadvantages of determinants of health. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4029. Explain how determinants of health. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4030. Illustrate with examples determinants of health. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3. Health Promotion

4031. Define and explain health promotion. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4032. Discuss health promotion. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4033. Examine critically health promotion. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4034. Explain the importance of health promotion. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4035. Describe the major features of health promotion. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4036. Differentiate between health promotion and a closely related concept, giving at least five clear distinctions.

4037. Compare and contrast health promotion with another major concept studied in the same topic area.

4038. Assess the relevance of health promotion. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4039. Evaluate the strengths and limitations of health promotion. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4040. Analyse the relationship between health promotion and effective governance, administration, society or political development.

4041. Discuss the challenges facing health promotion. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4042. Explain the causes and consequences of health promotion. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4043. Suggest measures for improving health promotion. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4044. With relevant examples, discuss health promotion. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4045. To what extent does health promotion influence political, administrative or social outcomes? Justify your answer.

4046. Critically assess health promotion. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4047. Examine the role of health promotion. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4048. Discuss the advantages and disadvantages of health promotion. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4049. Explain how health promotion. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4050. Illustrate with examples health promotion. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4. Disease Prevention

4051. Define and explain disease prevention. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4052. Discuss disease prevention. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4053. Examine critically disease prevention. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4054. Explain the importance of disease prevention. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4055. Describe the major features of disease prevention. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4056. Differentiate between disease prevention and a closely related concept, giving at least five clear distinctions.

4057. Compare and contrast disease prevention with another major concept studied in the same topic area.

4058. Assess the relevance of disease prevention. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4059. Evaluate the strengths and limitations of disease prevention. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4060. Analyse the relationship between disease prevention and effective governance, administration, society or political development.

4061. Discuss the challenges facing disease prevention. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4062. Explain the causes and consequences of disease prevention. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4063. Suggest measures for improving disease prevention. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4064. With relevant examples, discuss disease prevention. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4065. To what extent does disease prevention influence political, administrative or social outcomes? Justify your answer.

4066. Critically assess disease prevention. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4067. Examine the role of disease prevention. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4068. Discuss the advantages and disadvantages of disease prevention. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4069. Explain how disease prevention. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4070. Illustrate with examples disease prevention. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

Mini Revision Test

4071. Write a well-organized answer on *disease prevention*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

4072. Write a well-organized answer on *communicable diseases*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

4073. Write a well-organized answer on *non-communicable diseases*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

4074. Write a well-organized answer on *nutrition and healthy lifestyles*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

4075. Write a well-organized answer on *mental health and wellbeing*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

4076. Write a well-organized answer on *substance and drug abuse*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

4077. Write a well-organized answer on *sexual and reproductive health*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

4078. Write a well-organized answer on *environmental health*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

4079. Write a well-organized answer on *sanitation and hygiene*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

4080. Write a well-organized answer on *occupational health*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

5. Communicable Diseases

4081. Define and explain communicable diseases. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4082. Discuss communicable diseases. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4083. Examine critically communicable diseases. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4084. Explain the importance of communicable diseases. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4085. Describe the major features of communicable diseases. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4086. Differentiate between communicable diseases and a closely related concept, giving at least five clear distinctions.

4087. Compare and contrast communicable diseases with another major concept studied in the same topic area.

4088. Assess the relevance of communicable diseases. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4089. Evaluate the strengths and limitations of communicable diseases. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4090. Analyse the relationship between communicable diseases and effective governance, administration, society or political development.

4091. Discuss the challenges facing communicable diseases. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4092. Explain the causes and consequences of communicable diseases. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4093. Suggest measures for improving communicable diseases. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4094. With relevant examples, discuss communicable diseases. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4095. To what extent does communicable diseases influence political, administrative or social outcomes? Justify your answer.

4096. Critically assess communicable diseases. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4097. Examine the role of communicable diseases. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4098. Discuss the advantages and disadvantages of communicable diseases. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4099. Explain how communicable diseases. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4100. Illustrate with examples communicable diseases. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

6. Non-Communicable Diseases

4101. Define and explain non-communicable diseases. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4102. Discuss non-communicable diseases. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4103. Examine critically non-communicable diseases. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4104. Explain the importance of non-communicable diseases. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4105. Describe the major features of non-communicable diseases. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4106. Differentiate between non-communicable diseases and a closely related concept, giving at least five clear distinctions.

4107. Compare and contrast non-communicable diseases with another major concept studied in the same topic area.

4108. Assess the relevance of non-communicable diseases. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4109. Evaluate the strengths and limitations of non-communicable diseases. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4110. Analyse the relationship between non-communicable diseases and effective governance, administration, society or political development.

4111. Discuss the challenges facing non-communicable diseases. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4112. Explain the causes and consequences of non-communicable diseases. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4113. Suggest measures for improving non-communicable diseases. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4114. With relevant examples, discuss non-communicable diseases. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4115. To what extent does non-communicable diseases influence political, administrative or social outcomes? Justify your answer.

4116. Critically assess non-communicable diseases. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4117. Examine the role of non-communicable diseases. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4118. Discuss the advantages and disadvantages of non-communicable diseases. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4119. Explain how non-communicable diseases. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4120. Illustrate with examples non-communicable diseases. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

7. Nutrition And Healthy Lifestyles

4121. Define and explain nutrition and healthy lifestyles. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4122. Discuss nutrition and healthy lifestyles. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4123. Examine critically nutrition and healthy lifestyles. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4124. Explain the importance of nutrition and healthy lifestyles. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4125. Describe the major features of nutrition and healthy lifestyles. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4126. Differentiate between nutrition and healthy lifestyles and a closely related concept, giving at least five clear distinctions.

4127. Compare and contrast nutrition and healthy lifestyles with another major concept studied in the same topic area.

4128. Assess the relevance of nutrition and healthy lifestyles. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4129. Evaluate the strengths and limitations of nutrition and healthy lifestyles. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4130. Analyse the relationship between nutrition and healthy lifestyles and effective governance, administration, society or political development.

4131. Discuss the challenges facing nutrition and healthy lifestyles. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4132. Explain the causes and consequences of nutrition and healthy lifestyles. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4133. Suggest measures for improving nutrition and healthy lifestyles. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4134. With relevant examples, discuss nutrition and healthy lifestyles. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4135. To what extent does nutrition and healthy lifestyles influence political, administrative or social outcomes? Justify your answer.

4136. Critically assess nutrition and healthy lifestyles. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4137. Examine the role of nutrition and healthy lifestyles. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4138. Discuss the advantages and disadvantages of nutrition and healthy lifestyles. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4139. Explain how nutrition and healthy lifestyles. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4140. Illustrate with examples nutrition and healthy lifestyles. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

8. Mental Health And Wellbeing

4141. Define and explain mental health and wellbeing. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4142. Discuss mental health and wellbeing. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4143. Examine critically mental health and wellbeing. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4144. Explain the importance of mental health and wellbeing. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4145. Describe the major features of mental health and wellbeing. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4146. Differentiate between mental health and wellbeing and a closely related concept, giving at least five clear distinctions.

4147. Compare and contrast mental health and wellbeing with another major concept studied in the same topic area.

4148. Assess the relevance of mental health and wellbeing. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4149. Evaluate the strengths and limitations of mental health and wellbeing. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4150. Analyse the relationship between mental health and wellbeing and effective governance, administration, society or political development.

4151. Discuss the challenges facing mental health and wellbeing. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4152. Explain the causes and consequences of mental health and wellbeing. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4153. Suggest measures for improving mental health and wellbeing. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4154. With relevant examples, discuss mental health and wellbeing. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4155. To what extent does mental health and wellbeing influence political, administrative or social outcomes? Justify your answer.

4156. Critically assess mental health and wellbeing. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4157. Examine the role of mental health and wellbeing. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4158. Discuss the advantages and disadvantages of mental health and wellbeing. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4159. Explain how mental health and wellbeing. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4160. Illustrate with examples mental health and wellbeing. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

Mini Revision Test

4161. Write a well-organized answer on *mental health and wellbeing*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

4162. Write a well-organized answer on *substance and drug abuse*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

4163. Write a well-organized answer on *sexual and reproductive health*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

4164. Write a well-organized answer on *environmental health*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

4165. Write a well-organized answer on *sanitation and hygiene*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

4166. Write a well-organized answer on *occupational health*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

4167. Write a well-organized answer on *community health*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

4168. Write a well-organized answer on *health inequalities*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

4169. Write a well-organized answer on *health systems*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

4170. Write a well-organized answer on *universal health coverage*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

9. Substance And Drug Abuse

4171. Define and explain substance and drug abuse. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4172. Discuss substance and drug abuse. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4173. Examine critically substance and drug abuse. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4174. Explain the importance of substance and drug abuse. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4175. Describe the major features of substance and drug abuse. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4176. Differentiate between substance and drug abuse and a closely related concept, giving at least five clear distinctions.

4177. Compare and contrast substance and drug abuse with another major concept studied in the same topic area.

4178. Assess the relevance of substance and drug abuse. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4179. Evaluate the strengths and limitations of substance and drug abuse. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4180. Analyse the relationship between substance and drug abuse and effective governance, administration, society or political development.

4181. Discuss the challenges facing substance and drug abuse. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4182. Explain the causes and consequences of substance and drug abuse. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4183. Suggest measures for improving substance and drug abuse. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4184. With relevant examples, discuss substance and drug abuse. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4185. To what extent does substance and drug abuse influence political, administrative or social outcomes? Justify your answer.

4186. Critically assess substance and drug abuse. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4187. Examine the role of substance and drug abuse. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4188. Discuss the advantages and disadvantages of substance and drug abuse. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4189. Explain how substance and drug abuse. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4190. Illustrate with examples substance and drug abuse. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

10. Sexual And Reproductive Health

4191. Define and explain sexual and reproductive health. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4192. Discuss sexual and reproductive health. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4193. Examine critically sexual and reproductive health. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4194. Explain the importance of sexual and reproductive health. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4195. Describe the major features of sexual and reproductive health. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4196. Differentiate between sexual and reproductive health and a closely related concept, giving at least five clear distinctions.

4197. Compare and contrast sexual and reproductive health with another major concept studied in the same topic area.

4198. Assess the relevance of sexual and reproductive health. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4199. Evaluate the strengths and limitations of sexual and reproductive health. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4200. Analyse the relationship between sexual and reproductive health and effective governance, administration, society or political development.

4201. Discuss the challenges facing sexual and reproductive health. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4202. Explain the causes and consequences of sexual and reproductive health. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4203. Suggest measures for improving sexual and reproductive health. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4204. With relevant examples, discuss sexual and reproductive health. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4205. To what extent does sexual and reproductive health influence political, administrative or social outcomes? Justify your answer.

4206. Critically assess sexual and reproductive health. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4207. Examine the role of sexual and reproductive health. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4208. Discuss the advantages and disadvantages of sexual and reproductive health. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4209. Explain how sexual and reproductive health. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4210. Illustrate with examples sexual and reproductive health. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

11. Environmental Health

4211. Define and explain environmental health. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4212. Discuss environmental health. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4213. Examine critically environmental health. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4214. Explain the importance of environmental health. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4215. Describe the major features of environmental health. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4216. Differentiate between environmental health and a closely related concept, giving at least five clear distinctions.

4217. Compare and contrast environmental health with another major concept studied in the same topic area.

4218. Assess the relevance of environmental health. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4219. Evaluate the strengths and limitations of environmental health. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4220. Analyse the relationship between environmental health and effective governance, administration, society or political development.

4221. Discuss the challenges facing environmental health. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4222. Explain the causes and consequences of environmental health. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4223. Suggest measures for improving environmental health. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4224. With relevant examples, discuss environmental health. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4225. To what extent does environmental health influence political, administrative or social outcomes? Justify your answer.

4226. Critically assess environmental health. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4227. Examine the role of environmental health. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4228. Discuss the advantages and disadvantages of environmental health. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4229. Explain how environmental health. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4230. Illustrate with examples environmental health. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

12. Sanitation And Hygiene

4231. Define and explain sanitation and hygiene. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4232. Discuss sanitation and hygiene. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4233. Examine critically sanitation and hygiene. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4234. Explain the importance of sanitation and hygiene. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4235. Describe the major features of sanitation and hygiene. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4236. Differentiate between sanitation and hygiene and a closely related concept, giving at least five clear distinctions.

4237. Compare and contrast sanitation and hygiene with another major concept studied in the same topic area.

4238. Assess the relevance of sanitation and hygiene. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4239. Evaluate the strengths and limitations of sanitation and hygiene. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4240. Analyse the relationship between sanitation and hygiene and effective governance, administration, society or political development.

4241. Discuss the challenges facing sanitation and hygiene. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4242. Explain the causes and consequences of sanitation and hygiene. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4243. Suggest measures for improving sanitation and hygiene. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4244. With relevant examples, discuss sanitation and hygiene. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4245. To what extent does sanitation and hygiene influence political, administrative or social outcomes? Justify your answer.

4246. Critically assess sanitation and hygiene. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4247. Examine the role of sanitation and hygiene. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4248. Discuss the advantages and disadvantages of sanitation and hygiene. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4249. Explain how sanitation and hygiene. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4250. Illustrate with examples sanitation and hygiene. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

Mini Revision Test

4251. Write a well-organized answer on *sanitation and hygiene*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

4252. Write a well-organized answer on *occupational health*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

4253. Write a well-organized answer on *community health*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

4254. Write a well-organized answer on *health inequalities*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

4255. Write a well-organized answer on *health systems*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

4256. Write a well-organized answer on *universal health coverage*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

4257. Write a well-organized answer on *health policy and governance*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

4258. Write a well-organized answer on *epidemics and pandemics*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

4259. Write a well-organized answer on *health communication*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

4260. Write a well-organized answer on *first aid principles*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

13. Occupational Health

4261. Define and explain occupational health. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4262. Discuss occupational health. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4263. Examine critically occupational health. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4264. Explain the importance of occupational health. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4265. Describe the major features of occupational health. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4266. Differentiate between occupational health and a closely related concept, giving at least five clear distinctions.

4267. Compare and contrast occupational health with another major concept studied in the same topic area.

4268. Assess the relevance of occupational health. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4269. Evaluate the strengths and limitations of occupational health. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4270. Analyse the relationship between occupational health and effective governance, administration, society or political development.

4271. Discuss the challenges facing occupational health. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4272. Explain the causes and consequences of occupational health. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4273. Suggest measures for improving occupational health. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4274. With relevant examples, discuss occupational health. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4275. To what extent does occupational health influence political, administrative or social outcomes? Justify your answer.

4276. Critically assess occupational health. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4277. Examine the role of occupational health. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4278. Discuss the advantages and disadvantages of occupational health. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4279. Explain how occupational health. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4280. Illustrate with examples occupational health. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

14. Community Health

4281. Define and explain community health. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4282. Discuss community health. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4283. Examine critically community health. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4284. Explain the importance of community health. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4285. Describe the major features of community health. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4286. Differentiate between community health and a closely related concept, giving at least five clear distinctions.

4287. Compare and contrast community health with another major concept studied in the same topic area.

4288. Assess the relevance of community health. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4289. Evaluate the strengths and limitations of community health. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4290. Analyse the relationship between community health and effective governance, administration, society or political development.

4291. Discuss the challenges facing community health. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4292. Explain the causes and consequences of community health. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4293. Suggest measures for improving community health. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4294. With relevant examples, discuss community health. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4295. To what extent does community health influence political, administrative or social outcomes? Justify your answer.

4296. Critically assess community health. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4297. Examine the role of community health. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4298. Discuss the advantages and disadvantages of community health. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4299. Explain how community health. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4300. Illustrate with examples community health. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

15. Health Inequalities

4301. Define and explain health inequalities. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4302. Discuss health inequalities. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4303. Examine critically health inequalities. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4304. Explain the importance of health inequalities. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4305. Describe the major features of health inequalities. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4306. Differentiate between health inequalities and a closely related concept, giving at least five clear distinctions.

4307. Compare and contrast health inequalities with another major concept studied in the same topic area.

4308. Assess the relevance of health inequalities. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4309. Evaluate the strengths and limitations of health inequalities. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4310. Analyse the relationship between health inequalities and effective governance, administration, society or political development.

4311. Discuss the challenges facing health inequalities. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4312. Explain the causes and consequences of health inequalities. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4313. Suggest measures for improving health inequalities. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4314. With relevant examples, discuss health inequalities. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4315. To what extent does health inequalities influence political, administrative or social outcomes? Justify your answer.

4316. Critically assess health inequalities. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4317. Examine the role of health inequalities. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4318. Discuss the advantages and disadvantages of health inequalities. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4319. Explain how health inequalities. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4320. Illustrate with examples health inequalities. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

16. Health Systems

4321. Define and explain health systems. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4322. Discuss health systems. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4323. Examine critically health systems. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4324. Explain the importance of health systems. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4325. Describe the major features of health systems. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4326. Differentiate between health systems and a closely related concept, giving at least five clear distinctions.

4327. Compare and contrast health systems with another major concept studied in the same topic area.

4328. Assess the relevance of health systems. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4329. Evaluate the strengths and limitations of health systems. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4330. Analyse the relationship between health systems and effective governance, administration, society or political development.

4331. Discuss the challenges facing health systems. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4332. Explain the causes and consequences of health systems. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4333. Suggest measures for improving health systems. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4334. With relevant examples, discuss health systems. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4335. To what extent does health systems influence political, administrative or social outcomes? Justify your answer.

4336. Critically assess health systems. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4337. Examine the role of health systems. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4338. Discuss the advantages and disadvantages of health systems. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4339. Explain how health systems. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4340. Illustrate with examples health systems. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

Mini Revision Test

4341. Write a well-organized answer on *health systems*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

4342. Write a well-organized answer on *universal health coverage*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

4343. Write a well-organized answer on *health policy and governance*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

4344. Write a well-organized answer on *epidemics and pandemics*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

4345. Write a well-organized answer on *health communication*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

4346. Write a well-organized answer on *first aid principles*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

4347. Write a well-organized answer on *maternal and child health*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

4348. Write a well-organized answer on *adolescent health*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

4349. Write a well-organized answer on *disability and inclusion*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

4350. Write a well-organized answer on *ageing and health*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

17. Universal Health Coverage

4351. Define and explain universal health coverage. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4352. Discuss universal health coverage. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4353. Examine critically universal health coverage. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4354. Explain the importance of universal health coverage. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4355. Describe the major features of universal health coverage. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4356. Differentiate between universal health coverage and a closely related concept, giving at least five clear distinctions.

4357. Compare and contrast universal health coverage with another major concept studied in the same topic area.

4358. Assess the relevance of universal health coverage. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4359. Evaluate the strengths and limitations of universal health coverage. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4360. Analyse the relationship between universal health coverage and effective governance, administration, society or political development.

4361. Discuss the challenges facing universal health coverage. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4362. Explain the causes and consequences of universal health coverage. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4363. Suggest measures for improving universal health coverage. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4364. With relevant examples, discuss universal health coverage. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4365. To what extent does universal health coverage influence political, administrative or social outcomes? Justify your answer.

4366. Critically assess universal health coverage. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4367. Examine the role of universal health coverage. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4368. Discuss the advantages and disadvantages of universal health coverage. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4369. Explain how universal health coverage. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4370. Illustrate with examples universal health coverage. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

18. Health Policy And Governance

4371. Define and explain health policy and governance. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4372. Discuss health policy and governance. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4373. Examine critically health policy and governance. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4374. Explain the importance of health policy and governance. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4375. Describe the major features of health policy and governance. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4376. Differentiate between health policy and governance and a closely related concept, giving at least five clear distinctions.

4377. Compare and contrast health policy and governance with another major concept studied in the same topic area.

4378. Assess the relevance of health policy and governance. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4379. Evaluate the strengths and limitations of health policy and governance. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4380. Analyse the relationship between health policy and governance and effective governance, administration, society or political development.

4381. Discuss the challenges facing health policy and governance. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4382. Explain the causes and consequences of health policy and governance. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4383. Suggest measures for improving health policy and governance. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4384. With relevant examples, discuss health policy and governance. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4385. To what extent does health policy and governance influence political, administrative or social outcomes? Justify your answer.

4386. Critically assess health policy and governance. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4387. Examine the role of health policy and governance. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4388. Discuss the advantages and disadvantages of health policy and governance. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4389. Explain how health policy and governance. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4390. Illustrate with examples health policy and governance. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

19. Epidemics And Pandemics

4391. Define and explain epidemics and pandemics. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4392. Discuss epidemics and pandemics. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4393. Examine critically epidemics and pandemics. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4394. Explain the importance of epidemics and pandemics. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4395. Describe the major features of epidemics and pandemics. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4396. Differentiate between epidemics and pandemics and a closely related concept, giving at least five clear distinctions.

4397. Compare and contrast epidemics and pandemics with another major concept studied in the same topic area.

4398. Assess the relevance of epidemics and pandemics. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4399. Evaluate the strengths and limitations of epidemics and pandemics. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4400. Analyse the relationship between epidemics and pandemics and effective governance, administration, society or political development.

4401. Discuss the challenges facing epidemics and pandemics. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4402. Explain the causes and consequences of epidemics and pandemics. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4403. Suggest measures for improving epidemics and pandemics. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4404. With relevant examples, discuss epidemics and pandemics. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4405. To what extent does epidemics and pandemics influence political, administrative or social outcomes? Justify your answer.

4406. Critically assess epidemics and pandemics. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4407. Examine the role of epidemics and pandemics. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4408. Discuss the advantages and disadvantages of epidemics and pandemics. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4409. Explain how epidemics and pandemics. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4410. Illustrate with examples epidemics and pandemics. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

20. Health Communication

4411. Define and explain health communication. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4412. Discuss health communication. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4413. Examine critically health communication. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4414. Explain the importance of health communication. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4415. Describe the major features of health communication. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4416. Differentiate between health communication and a closely related concept, giving at least five clear distinctions.

4417. Compare and contrast health communication with another major concept studied in the same topic area.

4418. Assess the relevance of health communication. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4419. Evaluate the strengths and limitations of health communication. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4420. Analyse the relationship between health communication and effective governance, administration, society or political development.

4421. Discuss the challenges facing health communication. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4422. Explain the causes and consequences of health communication. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4423. Suggest measures for improving health communication. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4424. With relevant examples, discuss health communication. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4425. To what extent does health communication influence political, administrative or social outcomes? Justify your answer.

4426. Critically assess health communication. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4427. Examine the role of health communication. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4428. Discuss the advantages and disadvantages of health communication. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4429. Explain how health communication. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4430. Illustrate with examples health communication. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

Mini Revision Test

4431. Write a well-organized answer on *health communication*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

4432. Write a well-organized answer on *first aid principles*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

4433. Write a well-organized answer on *maternal and child health*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

4434. Write a well-organized answer on *adolescent health*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

4435. Write a well-organized answer on *disability and inclusion*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

4436. Write a well-organized answer on *ageing and health*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

4437. Write a well-organized answer on *technology and health*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

4438. Write a well-organized answer on *climate change and health*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

4439. Write a well-organized answer on *concept of health*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

4440. Write a well-organized answer on *determinants of health*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

21. First Aid Principles

4441. Define and explain first aid principles. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4442. Discuss first aid principles. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4443. Examine critically first aid principles. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4444. Explain the importance of first aid principles. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4445. Describe the major features of first aid principles. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4446. Differentiate between first aid principles and a closely related concept, giving at least five clear distinctions.

4447. Compare and contrast first aid principles with another major concept studied in the same topic area.

4448. Assess the relevance of first aid principles. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4449. Evaluate the strengths and limitations of first aid principles. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4450. Analyse the relationship between first aid principles and effective governance, administration, society or political development.

4451. Discuss the challenges facing first aid principles. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4452. Explain the causes and consequences of first aid principles. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4453. Suggest measures for improving first aid principles. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4454. With relevant examples, discuss first aid principles. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4455. To what extent does first aid principles influence political, administrative or social outcomes? Justify your answer.

4456. Critically assess first aid principles. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4457. Examine the role of first aid principles. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4458. Discuss the advantages and disadvantages of first aid principles. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4459. Explain how first aid principles. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4460. Illustrate with examples first aid principles. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

22. Maternal And Child Health

4461. Define and explain maternal and child health. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4462. Discuss maternal and child health. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4463. Examine critically maternal and child health. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4464. Explain the importance of maternal and child health. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4465. Describe the major features of maternal and child health. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4466. Differentiate between maternal and child health and a closely related concept, giving at least five clear distinctions.

4467. Compare and contrast maternal and child health with another major concept studied in the same topic area.

4468. Assess the relevance of maternal and child health. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4469. Evaluate the strengths and limitations of maternal and child health. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4470. Analyse the relationship between maternal and child health and effective governance, administration, society or political development.

4471. Discuss the challenges facing maternal and child health. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4472. Explain the causes and consequences of maternal and child health. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4473. Suggest measures for improving maternal and child health. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4474. With relevant examples, discuss maternal and child health. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4475. To what extent does maternal and child health influence political, administrative or social outcomes? Justify your answer.

4476. Critically assess maternal and child health. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4477. Examine the role of maternal and child health. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4478. Discuss the advantages and disadvantages of maternal and child health. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4479. Explain how maternal and child health. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4480. Illustrate with examples maternal and child health. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

23. Adolescent Health

4481. Define and explain adolescent health. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4482. Discuss adolescent health. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4483. Examine critically adolescent health. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4484. Explain the importance of adolescent health. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4485. Describe the major features of adolescent health. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4486. Differentiate between adolescent health and a closely related concept, giving at least five clear distinctions.

4487. Compare and contrast adolescent health with another major concept studied in the same topic area.

4488. Assess the relevance of adolescent health. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4489. Evaluate the strengths and limitations of adolescent health. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4490. Analyse the relationship between adolescent health and effective governance, administration, society or political development.

4491. Discuss the challenges facing adolescent health. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4492. Explain the causes and consequences of adolescent health. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4493. Suggest measures for improving adolescent health. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4494. With relevant examples, discuss adolescent health. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4495. To what extent does adolescent health influence political, administrative or social outcomes? Justify your answer.

4496. Critically assess adolescent health. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4497. Examine the role of adolescent health. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4498. Discuss the advantages and disadvantages of adolescent health. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4499. Explain how adolescent health. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4500. Illustrate with examples adolescent health. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

24. Disability And Inclusion

4501. Define and explain disability and inclusion. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4502. Discuss disability and inclusion. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4503. Examine critically disability and inclusion. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4504. Explain the importance of disability and inclusion. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4505. Describe the major features of disability and inclusion. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4506. Differentiate between disability and inclusion and a closely related concept, giving at least five clear distinctions.

4507. Compare and contrast disability and inclusion with another major concept studied in the same topic area.

4508. Assess the relevance of disability and inclusion. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4509. Evaluate the strengths and limitations of disability and inclusion. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4510. Analyse the relationship between disability and inclusion and effective governance, administration, society or political development.

4511. Discuss the challenges facing disability and inclusion. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4512. Explain the causes and consequences of disability and inclusion. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4513. Suggest measures for improving disability and inclusion. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4514. With relevant examples, discuss disability and inclusion. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4515. To what extent does disability and inclusion influence political, administrative or social outcomes? Justify your answer.

4516. Critically assess disability and inclusion. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4517. Examine the role of disability and inclusion. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4518. Discuss the advantages and disadvantages of disability and inclusion. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4519. Explain how disability and inclusion. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4520. Illustrate with examples disability and inclusion. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

Mini Revision Test

4521. Write a well-organized answer on *disability and inclusion*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

4522. Write a well-organized answer on *ageing and health*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

4523. Write a well-organized answer on *technology and health*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

4524. Write a well-organized answer on *climate change and health*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

4525. Write a well-organized answer on *concept of health*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

4526. Write a well-organized answer on *determinants of health*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

4527. Write a well-organized answer on *health promotion*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

4528. Write a well-organized answer on *disease prevention*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

4529. Write a well-organized answer on *communicable diseases*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

4530. Write a well-organized answer on *non-communicable diseases*, demonstrating definition, explanation, examples, critical analysis and a conclusion.

25. Ageing And Health

4531. Define and explain ageing and health. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4532. Discuss ageing and health. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4533. Examine critically ageing and health. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4534. Explain the importance of ageing and health. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4535. Describe the major features of ageing and health. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4536. Differentiate between ageing and health and a closely related concept, giving at least five clear distinctions.

4537. Compare and contrast ageing and health with another major concept studied in the same topic area.

4538. Assess the relevance of ageing and health. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4539. Evaluate the strengths and limitations of ageing and health. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4540. Analyse the relationship between ageing and health and effective governance, administration, society or political development.

4541. Discuss the challenges facing ageing and health. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4542. Explain the causes and consequences of ageing and health. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4543. Suggest measures for improving ageing and health. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4544. With relevant examples, discuss ageing and health. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4545. To what extent does ageing and health influence political, administrative or social outcomes? Justify your answer.

4546. Critically assess ageing and health. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4547. Examine the role of ageing and health. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4548. Discuss the advantages and disadvantages of ageing and health. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4549. Explain how ageing and health. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4550. Illustrate with examples ageing and health. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

26. Technology And Health

4551. Define and explain technology and health. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4552. Discuss technology and health. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4553. Examine critically technology and health. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4554. Explain the importance of technology and health. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4555. Describe the major features of technology and health. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4556. Differentiate between technology and health and a closely related concept, giving at least five clear distinctions.

4557. Compare and contrast technology and health with another major concept studied in the same topic area.

4558. Assess the relevance of technology and health. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4559. Evaluate the strengths and limitations of technology and health. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4560. Analyse the relationship between technology and health and effective governance, administration, society or political development.

4561. Discuss the challenges facing technology and health. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4562. Explain the causes and consequences of technology and health. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4563. Suggest measures for improving technology and health. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4564. With relevant examples, discuss technology and health. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4565. To what extent does technology and health influence political, administrative or social outcomes? Justify your answer.

4566. Critically assess technology and health. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4567. Examine the role of technology and health. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4568. Discuss the advantages and disadvantages of technology and health. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4569. Explain how technology and health. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4570. Illustrate with examples technology and health. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

27. Climate Change And Health

4571. Define and explain climate change and health. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4572. Discuss climate change and health. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4573. Examine critically climate change and health. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4574. Explain the importance of climate change and health. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4575. Describe the major features of climate change and health. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4576. Differentiate between climate change and health and a closely related concept, giving at least five clear distinctions.

4577. Compare and contrast climate change and health with another major concept studied in the same topic area.

4578. Assess the relevance of climate change and health. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4579. Evaluate the strengths and limitations of climate change and health. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4580. Analyse the relationship between climate change and health and effective governance, administration, society or political development.

4581. Discuss the challenges facing climate change and health. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4582. Explain the causes and consequences of climate change and health. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4583. Suggest measures for improving climate change and health. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4584. With relevant examples, discuss climate change and health. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4585. To what extent does climate change and health influence political, administrative or social outcomes? Justify your answer.

4586. Critically assess climate change and health. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4587. Examine the role of climate change and health. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4588. Discuss the advantages and disadvantages of climate change and health. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4589. Explain how climate change and health. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4590. Illustrate with examples climate change and health. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

FULL MOCK EXAMINATION 1

Instructions: Answer all compulsory questions and follow the choice instructions. Time management, clear structure, examples and critical analysis are expected.

Section A — PSA 110

1. Examine critically nation, nationality and nationalism. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2. Explain the importance of sovereignty. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3. Describe the major features of power, authority and legitimacy. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4. Differentiate between government and its forms and a closely related concept, giving at least five clear distinctions.

5. Compare and contrast democracy and democratic principles with another major concept studied in the same topic area.

6. Assess the relevance of political participation. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

7. Evaluate the strengths and limitations of political socialization. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

8. Analyse the relationship between political culture and effective governance, administration, society or political development.

Section B — PSA 111

1. Examine critically principles of organization. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2. Explain the importance of division of labour and specialization. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3. Describe the major features of hierarchy and span of control. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4. Differentiate between unity of command and coordination and a closely related concept, giving at least five clear distinctions.

5. Compare and contrast delegation and decentralization with another major concept studied in the same topic area.

6. Assess the relevance of centralization and deconcentration. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

7. Evaluate the strengths and limitations of merit system and civil service. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

8. Analyse the relationship between public personnel administration and effective governance, administration, society or political development.

Section C — PSA 114

1. Examine critically Thomas Hobbes. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2. Explain the importance of John Locke. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3. Describe the major features of Jean-Jacques Rousseau. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4. Differentiate between natural rights and a closely related concept, giving at least five clear distinctions.

5. Compare and contrast liberalism with another major concept studied in the same topic area.

6. Assess the relevance of conservatism. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

7. Evaluate the strengths and limitations of socialism. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

8. Analyse the relationship between Marxism and effective governance, administration, society or political development.

Section D — SOC 111

1. Examine critically religion. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2. Explain the importance of economy. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3. Describe the major features of politics as a social institution. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4. Differentiate between social groups and organizations and a closely related concept, giving at least five clear distinctions.

5. Compare and contrast social stratification with another major concept studied in the same topic area.

6. Assess the relevance of social class. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

7. Evaluate the strengths and limitations of gender and society. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

8. Analyse the relationship between race and ethnicity and effective governance, administration, society or political development.

Section E — SSC 110

1. Examine critically note-making. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2. Explain the importance of note-taking. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3. Describe the major features of academic vocabulary. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4. Differentiate between grammar and sentence structure and a closely related concept, giving at least five clear distinctions.

5. Compare and contrast paragraph development with another major concept studied in the same topic area.

6. Assess the relevance of essay writing. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

7. Evaluate the strengths and limitations of academic writing. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

8. Analyse the relationship between argument and evidence and effective governance, administration, society or political development.

Section F — UCC 100

1. Examine critically authority, accuracy and currency. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2. Explain the importance of academic databases. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3. Describe the major features of Google Scholar and scholarly searching. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4. Differentiate between referencing systems and a closely related concept, giving at least five clear distinctions.

5. Compare and contrast plagiarism and academic integrity with another major concept studied in the same topic area.

6. Assess the relevance of copyright and intellectual property. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

7. Evaluate the strengths and limitations of open educational resources. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

8. Analyse the relationship between digital literacy and effective governance, administration, society or political development.

Section G — SSC 111

1. Examine critically environmental health. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2. Explain the importance of sanitation and hygiene. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3. Describe the major features of occupational health. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4. Differentiate between community health and a closely related concept, giving at least five clear distinctions.

5. Compare and contrast health inequalities with another major concept studied in the same topic area.

6. Assess the relevance of health systems. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

7. Evaluate the strengths and limitations of universal health coverage. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

8. Analyse the relationship between health policy and governance and effective governance, administration, society or political development.

FULL MOCK EXAMINATION 2

Instructions: Answer all compulsory questions and follow the choice instructions. Time management, clear structure, examples and critical analysis are expected.

Section A — PSA 110

1. Explain the importance of government and its forms. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2. Describe the major features of democracy and democratic principles. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3. Differentiate between political participation and a closely related concept, giving at least five clear distinctions.

4. Compare and contrast political socialization with another major concept studied in the same topic area.

5. Assess the relevance of political culture. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

6. Evaluate the strengths and limitations of political parties and party systems. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

7. Analyse the relationship between pressure groups and civil society and effective governance, administration, society or political development.

8. Discuss the challenges facing elections and electoral systems. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

Section B — PSA 111

1. Explain the importance of unity of command and coordination. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2. Describe the major features of delegation and decentralization. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3. Differentiate between centralization and deconcentration and a closely related concept, giving at least five clear distinctions.

4. Compare and contrast merit system and civil service with another major concept studied in the same topic area.

5. Assess the relevance of public personnel administration. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

6. Evaluate the strengths and limitations of leadership and motivation in public organizations. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

7. Analyse the relationship between decision-making in public administration and effective governance, administration, society or political development.

8. Discuss the challenges facing communication in public organizations. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

Section C — PSA 114

1. Explain the importance of natural rights. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2. Describe the major features of liberalism. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3. Differentiate between conservatism and a closely related concept, giving at least five clear distinctions.

4. Compare and contrast socialism with another major concept studied in the same topic area.

5. Assess the relevance of Marxism. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

6. Evaluate the strengths and limitations of utilitarianism. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

7. Analyse the relationship between nationalism and effective governance, administration, society or political development.

8. Discuss the challenges facing feminist political theory. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

Section D — SOC 111

1. Explain the importance of social groups and organizations. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2. Describe the major features of social stratification. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3. Differentiate between social class and a closely related concept, giving at least five clear distinctions.

4. Compare and contrast gender and society with another major concept studied in the same topic area.

5. Assess the relevance of race and ethnicity. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

6. Evaluate the strengths and limitations of social change. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

7. Analyse the relationship between modernization and effective governance, administration, society or political development.

8. Discuss the challenges facing urbanization. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

Section E — SSC 110

1. Explain the importance of grammar and sentence structure. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2. Describe the major features of paragraph development. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3. Differentiate between essay writing and a closely related concept, giving at least five clear distinctions.

4. Compare and contrast academic writing with another major concept studied in the same topic area.

5. Assess the relevance of argument and evidence. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

6. Evaluate the strengths and limitations of summary writing. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

7. Analyse the relationship between paraphrasing and effective governance, administration, society or political development.

8. Discuss the challenges facing citation and referencing. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

Section F — UCC 100

1. Explain the importance of referencing systems. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2. Describe the major features of plagiarism and academic integrity. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3. Differentiate between copyright and intellectual property and a closely related concept, giving at least five clear distinctions.

4. Compare and contrast open educational resources with another major concept studied in the same topic area.

5. Assess the relevance of digital literacy. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

6. Evaluate the strengths and limitations of misinformation and disinformation. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

7. Analyse the relationship between information ethics and effective governance, administration, society or political development.

8. Discuss the challenges facing data privacy and cybersecurity. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

Section G — SSC 111

1. Explain the importance of community health. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2. Describe the major features of health inequalities. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3. Differentiate between health systems and a closely related concept, giving at least five clear distinctions.

4. Compare and contrast universal health coverage with another major concept studied in the same topic area.

5. Assess the relevance of health policy and governance. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

6. Evaluate the strengths and limitations of epidemics and pandemics. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

7. Analyse the relationship between health communication and effective governance, administration, society or political development.

8. Discuss the challenges facing first aid principles. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

FULL MOCK EXAMINATION 3

Instructions: Answer all compulsory questions and follow the choice instructions. Time management, clear structure, examples and critical analysis are expected.

Section A — PSA 110

1. Describe the major features of political socialization. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2. Differentiate between political culture and a closely related concept, giving at least five clear distinctions.

3. Compare and contrast political parties and party systems with another major concept studied in the same topic area.

4. Assess the relevance of pressure groups and civil society. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

5. Evaluate the strengths and limitations of elections and electoral systems. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

6. Analyse the relationship between representation and effective governance, administration, society or political development.

7. Discuss the challenges facing public opinion. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

8. Explain the causes and consequences of political leadership. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

Section B — PSA 111

1. Describe the major features of merit system and civil service. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2. Differentiate between public personnel administration and a closely related concept, giving at least five clear distinctions.

3. Compare and contrast leadership and motivation in public organizations with another major concept studied in the same topic area.

4. Assess the relevance of decision-making in public administration. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

5. Evaluate the strengths and limitations of communication in public organizations. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

6. Analyse the relationship between public budgeting and effective governance, administration, society or political development.

7. Discuss the challenges facing public finance and accountability. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

8. Explain the causes and consequences of policy formulation and implementation. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

Section C — PSA 114

1. Describe the major features of socialism. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2. Differentiate between Marxism and a closely related concept, giving at least five clear distinctions.

3. Compare and contrast utilitarianism with another major concept studied in the same topic area.

4. Assess the relevance of nationalism. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

5. Evaluate the strengths and limitations of feminist political theory. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

6. Analyse the relationship between democratic theory and effective governance, administration, society or political development.

7. Discuss the challenges facing justice and equality. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

8. Explain the causes and consequences of liberty. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

Section D — SOC 111

1. Describe the major features of gender and society. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2. Differentiate between race and ethnicity and a closely related concept, giving at least five clear distinctions.

3. Compare and contrast social change with another major concept studied in the same topic area.

4. Assess the relevance of modernization. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

5. Evaluate the strengths and limitations of urbanization. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

6. Analyse the relationship between globalization and effective governance, administration, society or political development.

7. Discuss the challenges facing population and society. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

8. Explain the causes and consequences of social problems. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

Section E — SSC 110

1. Describe the major features of academic writing. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2. Differentiate between argument and evidence and a closely related concept, giving at least five clear distinctions.

3. Compare and contrast summary writing with another major concept studied in the same topic area.

4. Assess the relevance of paraphrasing. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

5. Evaluate the strengths and limitations of citation and referencing. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

6. Analyse the relationship between plagiarism and effective governance, administration, society or political development.

7. Discuss the challenges facing report writing. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

8. Explain the causes and consequences of research writing. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

Section F — UCC 100

1. Describe the major features of open educational resources. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2. Differentiate between digital literacy and a closely related concept, giving at least five clear distinctions.

3. Compare and contrast misinformation and disinformation with another major concept studied in the same topic area.

4. Assess the relevance of information ethics. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

5. Evaluate the strengths and limitations of data privacy and cybersecurity. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

6. Analyse the relationship between research question development and effective governance, administration, society or political development.

7. Discuss the challenges facing literature searching. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

8. Explain the causes and consequences of citation management. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

Section G — SSC 111

1. Describe the major features of universal health coverage. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2. Differentiate between health policy and governance and a closely related concept, giving at least five clear distinctions.

3. Compare and contrast epidemics and pandemics with another major concept studied in the same topic area.

4. Assess the relevance of health communication. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

5. Evaluate the strengths and limitations of first aid principles. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

6. Analyse the relationship between maternal and child health and effective governance, administration, society or political development.

7. Discuss the challenges facing adolescent health. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

8. Explain the causes and consequences of disability and inclusion. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

FULL MOCK EXAMINATION 4

Instructions: Answer all compulsory questions and follow the choice instructions. Time management, clear structure, examples and critical analysis are expected.

Section A — PSA 110

1. Differentiate between pressure groups and civil society and a closely related concept, giving at least five clear distinctions.

2. Compare and contrast elections and electoral systems with another major concept studied in the same topic area.

3. Assess the relevance of representation. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4. Evaluate the strengths and limitations of public opinion. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

5. Analyse the relationship between political leadership and effective governance, administration, society or political development.

6. Discuss the challenges facing constitutionalism and rule of law. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

7. Explain the causes and consequences of human rights and citizenship. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

8. Suggest measures for improving comparative politics. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

Section B — PSA 111

1. Differentiate between decision-making in public administration and a closely related concept, giving at least five clear distinctions.

2. Compare and contrast communication in public organizations with another major concept studied in the same topic area.

3. Assess the relevance of public budgeting. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4. Evaluate the strengths and limitations of public finance and accountability. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

5. Analyse the relationship between policy formulation and implementation and effective governance, administration, society or political development.

6. Discuss the challenges facing monitoring and evaluation. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

7. Explain the causes and consequences of ethics in public service. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

8. Suggest measures for improving corruption and anti-corruption. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

Section C — PSA 114

1. Differentiate between nationalism and a closely related concept, giving at least five clear distinctions.

2. Compare and contrast feminist political theory with another major concept studied in the same topic area.

3. Assess the relevance of democratic theory. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4. Evaluate the strengths and limitations of justice and equality. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

5. Analyse the relationship between liberty and effective governance, administration, society or political development.

6. Discuss the challenges facing authority and obligation. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

7. Explain the causes and consequences of state of nature. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

8. Suggest measures for improving civil society. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

Section D — SOC 111

1. Differentiate between modernization and a closely related concept, giving at least five clear distinctions.

2. Compare and contrast urbanization with another major concept studied in the same topic area.

3. Assess the relevance of globalization. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4. Evaluate the strengths and limitations of population and society. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

5. Analyse the relationship between social problems and effective governance, administration, society or political development.

6. Discuss the challenges facing social research. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

7. Explain the causes and consequences of sociological imagination. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

8. Suggest measures for improving individual and society. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

Section E — SSC 110

1. Differentiate between paraphrasing and a closely related concept, giving at least five clear distinctions.

2. Compare and contrast citation and referencing with another major concept studied in the same topic area.

3. Assess the relevance of plagiarism. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4. Evaluate the strengths and limitations of report writing. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

5. Analyse the relationship between research writing and effective governance, administration, society or political development.

6. Discuss the challenges facing oral presentation. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

7. Explain the causes and consequences of interview skills. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

8. Suggest measures for improving group discussion. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

Section F — UCC 100

1. Differentiate between information ethics and a closely related concept, giving at least five clear distinctions.

2. Compare and contrast data privacy and cybersecurity with another major concept studied in the same topic area.

3. Assess the relevance of research question development. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4. Evaluate the strengths and limitations of literature searching. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

5. Analyse the relationship between citation management and effective governance, administration, society or political development.

6. Discuss the challenges facing credible online sources. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

7. Explain the causes and consequences of meaning and importance of information literacy. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

8. Suggest measures for improving information needs. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

Section G — SSC 111

1. Differentiate between health communication and a closely related concept, giving at least five clear distinctions.

2. Compare and contrast first aid principles with another major concept studied in the same topic area.

3. Assess the relevance of maternal and child health. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4. Evaluate the strengths and limitations of adolescent health. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

5. Analyse the relationship between disability and inclusion and effective governance, administration, society or political development.

6. Discuss the challenges facing ageing and health. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

7. Explain the causes and consequences of technology and health. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

8. Suggest measures for improving climate change and health. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

FULL MOCK EXAMINATION 5

Instructions: Answer all compulsory questions and follow the choice instructions. Time management, clear structure, examples and critical analysis are expected.

Section A — PSA 110

1. Compare and contrast public opinion with another major concept studied in the same topic area.

2. Assess the relevance of political leadership. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3. Evaluate the strengths and limitations of constitutionalism and rule of law. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4. Analyse the relationship between human rights and citizenship and effective governance, administration, society or political development.

5. Discuss the challenges facing comparative politics. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

6. Explain the causes and consequences of political institutions. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

7. Suggest measures for improving executive, legislature and judiciary. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

8. With relevant examples, discuss local government and devolution. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

Section B — PSA 111

1. Compare and contrast public finance and accountability with another major concept studied in the same topic area.

2. Assess the relevance of policy formulation and implementation. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3. Evaluate the strengths and limitations of monitoring and evaluation. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4. Analyse the relationship between ethics in public service and effective governance, administration, society or political development.

5. Discuss the challenges facing corruption and anti-corruption. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

6. Explain the causes and consequences of citizen participation and service delivery. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

7. Suggest measures for improving e-government and digital public services. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

8. With relevant examples, discuss devolution and county administration in Kenya. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

Section C — PSA 114

1. Compare and contrast justice and equality with another major concept studied in the same topic area.

2. Assess the relevance of liberty. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3. Evaluate the strengths and limitations of authority and obligation. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4. Analyse the relationship between state of nature and effective governance, administration, society or political development.

5. Discuss the challenges facing civil society. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

6. Explain the causes and consequences of common good. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

7. Suggest measures for improving citizenship. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

8. With relevant examples, discuss political obligation. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

Section D — SOC 111

1. Compare and contrast population and society with another major concept studied in the same topic area.

2. Assess the relevance of social problems. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3. Evaluate the strengths and limitations of social research. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4. Analyse the relationship between sociological imagination and effective governance, administration, society or political development.

5. Discuss the challenges facing individual and society. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

6. Explain the causes and consequences of social control. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

7. Suggest measures for improving deviance. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

8. With relevant examples, discuss community and development. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

Section E — SSC 110

1. Compare and contrast report writing with another major concept studied in the same topic area.

2. Assess the relevance of research writing. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3. Evaluate the strengths and limitations of oral presentation. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4. Analyse the relationship between interview skills and effective governance, administration, society or political development.

5. Discuss the challenges facing group discussion. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

6. Explain the causes and consequences of debate skills. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

7. Suggest measures for improving professional communication. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

8. With relevant examples, discuss digital communication. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

Section F — UCC 100

1. Compare and contrast literature searching with another major concept studied in the same topic area.

2. Assess the relevance of citation management. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3. Evaluate the strengths and limitations of credible online sources. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4. Analyse the relationship between meaning and importance of information literacy and effective governance, administration, society or political development.

5. Discuss the challenges facing information needs. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

6. Explain the causes and consequences of information sources. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

7. Suggest measures for improving primary, secondary and tertiary sources. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

8. With relevant examples, discuss library services. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

Section G — SSC 111

1. Compare and contrast adolescent health with another major concept studied in the same topic area.

2. Assess the relevance of disability and inclusion. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3. Evaluate the strengths and limitations of ageing and health. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4. Analyse the relationship between technology and health and effective governance, administration, society or political development.

5. Discuss the challenges facing climate change and health. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

6. Explain the causes and consequences of concept of health. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

7. Suggest measures for improving determinants of health. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

8. With relevant examples, discuss health promotion. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

FULL MOCK EXAMINATION 6

Instructions: Answer all compulsory questions and follow the choice instructions. Time management, clear structure, examples and critical analysis are expected.

Section A — PSA 110

1. Assess the relevance of human rights and citizenship. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2. Evaluate the strengths and limitations of comparative politics. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3. Analyse the relationship between political institutions and effective governance, administration, society or political development.

4. Discuss the challenges facing executive, legislature and judiciary. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

5. Explain the causes and consequences of local government and devolution. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

6. Suggest measures for improving Kenyan political system. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

7. With relevant examples, discuss gender and politics. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

8. To what extent does youth and political participation influence political, administrative or social outcomes? Justify your answer.

Section B — PSA 111

1. Assess the relevance of ethics in public service. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2. Evaluate the strengths and limitations of corruption and anti-corruption. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3. Analyse the relationship between citizen participation and service delivery and effective governance, administration, society or political development.

4. Discuss the challenges facing e-government and digital public services. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

5. Explain the causes and consequences of devolution and county administration in Kenya. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

6. Suggest measures for improving public sector reform. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

7. With relevant examples, discuss New Public Management. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

8. To what extent does good governance influence political, administrative or social outcomes? Justify your answer.

Section C — PSA 114

1. Assess the relevance of state of nature. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2. Evaluate the strengths and limitations of civil society. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3. Analyse the relationship between common good and effective governance, administration, society or political development.

4. Discuss the challenges facing citizenship. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

5. Explain the causes and consequences of political obligation. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

6. Suggest measures for improving revolution and resistance. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

7. With relevant examples, discuss African political thought. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

8. To what extent does Pan-Africanism influence political, administrative or social outcomes? Justify your answer.

Section D — SOC 111

1. Assess the relevance of sociological imagination. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2. Evaluate the strengths and limitations of individual and society. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3. Analyse the relationship between social control and effective governance, administration, society or political development.

4. Discuss the challenges facing deviance. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

5. Explain the causes and consequences of community and development. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

6. Suggest measures for improving African societies. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

7. With relevant examples, discuss Kenyan society. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

8. To what extent does technology and social change influence political, administrative or social outcomes? Justify your answer.

Section E — SSC 110

1. Assess the relevance of interview skills. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2. Evaluate the strengths and limitations of group discussion. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3. Analyse the relationship between debate skills and effective governance, administration, society or political development.

4. Discuss the challenges facing professional communication. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

5. Explain the causes and consequences of digital communication. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

6. Suggest measures for improving library and information communication. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

7. With relevant examples, discuss communication process. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

8. To what extent does elements of communication influence political, administrative or social outcomes? Justify your answer.

Section F — UCC 100

1. Assess the relevance of meaning and importance of information literacy. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2. Evaluate the strengths and limitations of information needs. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3. Analyse the relationship between information sources and effective governance, administration, society or political development.

4. Discuss the challenges facing primary, secondary and tertiary sources. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

5. Explain the causes and consequences of library services. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

6. Suggest measures for improving catalogues and databases. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

7. With relevant examples, discuss search strategies. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

8. To what extent does keywords and Boolean operators influence political, administrative or social outcomes? Justify your answer.

Section G — SSC 111

1. Assess the relevance of technology and health. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2. Evaluate the strengths and limitations of climate change and health. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3. Analyse the relationship between concept of health and effective governance, administration, society or political development.

4. Discuss the challenges facing determinants of health. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

5. Explain the causes and consequences of health promotion. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

6. Suggest measures for improving disease prevention. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

7. With relevant examples, discuss communicable diseases. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

8. To what extent does non-communicable diseases influence political, administrative or social outcomes? Justify your answer.

FULL MOCK EXAMINATION 7

Instructions: Answer all compulsory questions and follow the choice instructions. Time management, clear structure, examples and critical analysis are expected.

Section A — PSA 110

1. Evaluate the strengths and limitations of executive, legislature and judiciary. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2. Analyse the relationship between local government and devolution and effective governance, administration, society or political development.

3. Discuss the challenges facing Kenyan political system. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4. Explain the causes and consequences of gender and politics. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

5. Suggest measures for improving youth and political participation. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

6. With relevant examples, discuss media and politics. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

7. To what extent does globalization and politics influence political, administrative or social outcomes? Justify your answer.

8. Critically assess political development. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

Section B — PSA 111

1. Evaluate the strengths and limitations of e-government and digital public services. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2. Analyse the relationship between devolution and county administration in Kenya and effective governance, administration, society or political development.

3. Discuss the challenges facing public sector reform. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4. Explain the causes and consequences of New Public Management. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

5. Suggest measures for improving good governance. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

6. With relevant examples, discuss accountability and transparency. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

7. To what extent does public complaints and ombudsman influence political, administrative or social outcomes? Justify your answer.

8. Critically assess performance management. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

Section C — PSA 114

1. Evaluate the strengths and limitations of citizenship. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2. Analyse the relationship between political obligation and effective governance, administration, society or political development.

3. Discuss the challenges facing revolution and resistance. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4. Explain the causes and consequences of African political thought. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

5. Suggest measures for improving Pan-Africanism. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

6. With relevant examples, discuss decolonial political thought. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

7. To what extent does relevance of classical theories to Kenya influence political, administrative or social outcomes? Justify your answer.

8. Critically assess meaning and relevance of political theory. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

Section D — SOC 111

1. Evaluate the strengths and limitations of deviance. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2. Analyse the relationship between community and development and effective governance, administration, society or political development.

3. Discuss the challenges facing African societies. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4. Explain the causes and consequences of Kenyan society. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

5. Suggest measures for improving technology and social change. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

6. With relevant examples, discuss meaning and scope of social sciences. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

7. To what extent does relationship among social science disciplines influence political, administrative or social outcomes? Justify your answer.

8. Critically assess society and social structure. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

Section E — SSC 110

1. Evaluate the strengths and limitations of professional communication. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2. Analyse the relationship between digital communication and effective governance, administration, society or political development.

3. Discuss the challenges facing library and information communication. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4. Explain the causes and consequences of communication process. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

5. Suggest measures for improving elements of communication. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

6. With relevant examples, discuss verbal and non-verbal communication. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

7. To what extent does barriers to communication influence political, administrative or social outcomes? Justify your answer.

8. Critically assess listening skills. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

Section F — UCC 100

1. Evaluate the strengths and limitations of primary, secondary and tertiary sources. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2. Analyse the relationship between library services and effective governance, administration, society or political development.

3. Discuss the challenges facing catalogues and databases. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4. Explain the causes and consequences of search strategies. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

5. Suggest measures for improving keywords and Boolean operators. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

6. With relevant examples, discuss evaluating information sources. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

7. To what extent does authority, accuracy and currency influence political, administrative or social outcomes? Justify your answer.

8. Critically assess academic databases. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

Section G — SSC 111

1. Evaluate the strengths and limitations of determinants of health. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2. Analyse the relationship between health promotion and effective governance, administration, society or political development.

3. Discuss the challenges facing disease prevention. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4. Explain the causes and consequences of communicable diseases. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

5. Suggest measures for improving non-communicable diseases. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

6. With relevant examples, discuss nutrition and healthy lifestyles. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

7. To what extent does mental health and wellbeing influence political, administrative or social outcomes? Justify your answer.

8. Critically assess substance and drug abuse. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

FULL MOCK EXAMINATION 8

Instructions: Answer all compulsory questions and follow the choice instructions. Time management, clear structure, examples and critical analysis are expected.

Section A — PSA 110

1. Analyse the relationship between gender and politics and effective governance, administration, society or political development.

2. Discuss the challenges facing youth and political participation. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3. Explain the causes and consequences of media and politics. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4. Suggest measures for improving globalization and politics. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

5. With relevant examples, discuss political development. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

6. To what extent does political stability and conflict influence political, administrative or social outcomes? Justify your answer.

7. Critically assess good governance and accountability. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

8. Examine the role of meaning, nature and scope of political science. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

Section B — PSA 111

1. Analyse the relationship between New Public Management and effective governance, administration, society or political development.

2. Discuss the challenges facing good governance. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3. Explain the causes and consequences of accountability and transparency. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4. Suggest measures for improving public complaints and ombudsman. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

5. With relevant examples, discuss performance management. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

6. To what extent does crisis and disaster administration influence political, administrative or social outcomes? Justify your answer.

7. Critically assess meaning, nature and scope of public administration. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

8. Examine the role of public administration and private administration. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

Section C — PSA 114

1. Analyse the relationship between African political thought and effective governance, administration, society or political development.

2. Discuss the challenges facing Pan-Africanism. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3. Explain the causes and consequences of decolonial political thought. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4. Suggest measures for improving relevance of classical theories to Kenya. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

5. With relevant examples, discuss meaning and relevance of political theory. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

6. To what extent does classical political thought influence political, administrative or social outcomes? Justify your answer.

7. Critically assess Socrates and political thought. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

8. Examine the role of Plato's ideal state. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

Section D — SOC 111

1. Analyse the relationship between Kenyan society and effective governance, administration, society or political development.

2. Discuss the challenges facing technology and social change. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3. Explain the causes and consequences of meaning and scope of social sciences. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4. Suggest measures for improving relationship among social science disciplines. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

5. With relevant examples, discuss society and social structure. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

6. To what extent does culture and socialization influence political, administrative or social outcomes? Justify your answer.

7. Critically assess social institutions. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

8. Examine the role of family. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

Section E — SSC 110

1. Analyse the relationship between communication process and effective governance, administration, society or political development.

2. Discuss the challenges facing elements of communication. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3. Explain the causes and consequences of verbal and non-verbal communication. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4. Suggest measures for improving barriers to communication. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

5. With relevant examples, discuss listening skills. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

6. To what extent does speaking skills influence political, administrative or social outcomes? Justify your answer.

7. Critically assess reading strategies. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

8. Examine the role of critical reading. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

Section F — UCC 100

1. Analyse the relationship between search strategies and effective governance, administration, society or political development.

2. Discuss the challenges facing keywords and Boolean operators. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3. Explain the causes and consequences of evaluating information sources. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4. Suggest measures for improving authority, accuracy and currency. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

5. With relevant examples, discuss academic databases. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

6. To what extent does Google Scholar and scholarly searching influence political, administrative or social outcomes? Justify your answer.

7. Critically assess referencing systems. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

8. Examine the role of plagiarism and academic integrity. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

Section G — SSC 111

1. Analyse the relationship between communicable diseases and effective governance, administration, society or political development.

2. Discuss the challenges facing non-communicable diseases. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3. Explain the causes and consequences of nutrition and healthy lifestyles. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4. Suggest measures for improving mental health and wellbeing. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

5. With relevant examples, discuss substance and drug abuse. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

6. To what extent does sexual and reproductive health influence political, administrative or social outcomes? Justify your answer.

7. Critically assess environmental health. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

8. Examine the role of sanitation and hygiene. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

FULL MOCK EXAMINATION 9

Instructions: Answer all compulsory questions and follow the choice instructions. Time management, clear structure, examples and critical analysis are expected.

Section A — PSA 110

1. Discuss the challenges facing globalization and politics. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2. Explain the causes and consequences of political development. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3. Suggest measures for improving political stability and conflict. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4. With relevant examples, discuss good governance and accountability. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

5. To what extent does meaning, nature and scope of political science influence political, administrative or social outcomes? Justify your answer.

6. Critically assess politics and political science. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

7. Examine the role of political concepts and terminology. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

8. Discuss the advantages and disadvantages of state and its characteristics. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

Section B — PSA 111

1. Discuss the challenges facing public complaints and ombudsman. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2. Explain the causes and consequences of performance management. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3. Suggest measures for improving crisis and disaster administration. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4. With relevant examples, discuss meaning, nature and scope of public administration. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

5. To what extent does public administration and private administration influence political, administrative or social outcomes? Justify your answer.

6. Critically assess evolution of public administration. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

7. Examine the role of politics-administration relationship. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

8. Discuss the advantages and disadvantages of public bureaucracy. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

Section C — PSA 114

1. Discuss the challenges facing relevance of classical theories to Kenya. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2. Explain the causes and consequences of meaning and relevance of political theory. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3. Suggest measures for improving classical political thought. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4. With relevant examples, discuss Socrates and political thought. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

5. To what extent does Plato's ideal state influence political, administrative or social outcomes? Justify your answer.

6. Critically assess Aristotle's classification of governments. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

7. Examine the role of social contract theory. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

8. Discuss the advantages and disadvantages of Thomas Hobbes. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

Section D — SOC 111

1. Discuss the challenges facing relationship among social science disciplines. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2. Explain the causes and consequences of society and social structure. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3. Suggest measures for improving culture and socialization. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4. With relevant examples, discuss social institutions. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

5. To what extent does family influence political, administrative or social outcomes? Justify your answer.

6. Critically assess education. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

7. Examine the role of religion. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

8. Discuss the advantages and disadvantages of economy. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

Section E — SSC 110

1. Discuss the challenges facing barriers to communication. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2. Explain the causes and consequences of listening skills. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3. Suggest measures for improving speaking skills. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4. With relevant examples, discuss reading strategies. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

5. To what extent does critical reading influence political, administrative or social outcomes? Justify your answer.

6. Critically assess note-making. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

7. Examine the role of note-taking. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

8. Discuss the advantages and disadvantages of academic vocabulary. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

Section F — UCC 100

1. Discuss the challenges facing authority, accuracy and currency. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2. Explain the causes and consequences of academic databases. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3. Suggest measures for improving Google Scholar and scholarly searching. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4. With relevant examples, discuss referencing systems. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

5. To what extent does plagiarism and academic integrity influence political, administrative or social outcomes? Justify your answer.

6. Critically assess copyright and intellectual property. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

7. Examine the role of open educational resources. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

8. Discuss the advantages and disadvantages of digital literacy. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

Section G — SSC 111

1. Discuss the challenges facing mental health and wellbeing. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2. Explain the causes and consequences of substance and drug abuse. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3. Suggest measures for improving sexual and reproductive health. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4. With relevant examples, discuss environmental health. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

5. To what extent does sanitation and hygiene influence political, administrative or social outcomes? Justify your answer.

6. Critically assess occupational health. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

7. Examine the role of community health. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

8. Discuss the advantages and disadvantages of health inequalities. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

FULL MOCK EXAMINATION 10

Instructions: Answer all compulsory questions and follow the choice instructions. Time management, clear structure, examples and critical analysis are expected.

Section A — PSA 110

1. Explain the causes and consequences of good governance and accountability. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2. Suggest measures for improving meaning, nature and scope of political science. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3. With relevant examples, discuss politics and political science. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4. To what extent does political concepts and terminology influence political, administrative or social outcomes? Justify your answer.

5. Critically assess state and its characteristics. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

6. Examine the role of nation, nationality and nationalism. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

7. Discuss the advantages and disadvantages of sovereignty. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

8. Explain how power, authority and legitimacy. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

Section B — PSA 111

1. Explain the causes and consequences of meaning, nature and scope of public administration. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2. Suggest measures for improving public administration and private administration. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3. With relevant examples, discuss evolution of public administration. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4. To what extent does politics-administration relationship influence political, administrative or social outcomes? Justify your answer.

5. Critically assess public bureaucracy. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

6. Examine the role of principles of organization. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

7. Discuss the advantages and disadvantages of division of labour and specialization. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

8. Explain how hierarchy and span of control. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

Section C — PSA 114

1. Explain the causes and consequences of Socrates and political thought. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2. Suggest measures for improving Plato's ideal state. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3. With relevant examples, discuss Aristotle's classification of governments. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4. To what extent does social contract theory influence political, administrative or social outcomes? Justify your answer.

5. Critically assess Thomas Hobbes. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

6. Examine the role of John Locke. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

7. Discuss the advantages and disadvantages of Jean-Jacques Rousseau. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

8. Explain how natural rights. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

Section D — SOC 111

1. Explain the causes and consequences of social institutions. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2. Suggest measures for improving family. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3. With relevant examples, discuss education. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4. To what extent does religion influence political, administrative or social outcomes? Justify your answer.

5. Critically assess economy. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

6. Examine the role of politics as a social institution. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

7. Discuss the advantages and disadvantages of social groups and organizations. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

8. Explain how social stratification. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

Section E — SSC 110

1. Explain the causes and consequences of reading strategies. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2. Suggest measures for improving critical reading. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3. With relevant examples, discuss note-making. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4. To what extent does note-taking influence political, administrative or social outcomes? Justify your answer.

5. Critically assess academic vocabulary. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

6. Examine the role of grammar and sentence structure. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

7. Discuss the advantages and disadvantages of paragraph development. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

8. Explain how essay writing. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

Section F — UCC 100

1. Explain the causes and consequences of referencing systems. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2. Suggest measures for improving plagiarism and academic integrity. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3. With relevant examples, discuss copyright and intellectual property. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4. To what extent does open educational resources influence political, administrative or social outcomes? Justify your answer.

5. Critically assess digital literacy. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

6. Examine the role of misinformation and disinformation. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

7. Discuss the advantages and disadvantages of information ethics. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

8. Explain how data privacy and cybersecurity. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

Section G — SSC 111

1. Explain the causes and consequences of environmental health. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

2. Suggest measures for improving sanitation and hygiene. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

3. With relevant examples, discuss occupational health. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

4. To what extent does community health influence political, administrative or social outcomes? Justify your answer.

5. Critically assess health inequalities. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

6. Examine the role of health systems. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

7. Discuss the advantages and disadvantages of universal health coverage. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

8. Explain how health policy and governance. Support your answer with relevant examples, illustrations or Kenyan applications where appropriate.

FINAL SEMESTER ONE REVISION CHECKLIST

PSA 110 — Introduction to Political Science

■ Meaning, Nature And Scope Of Political Science — define, explain, give examples, compare where relevant, identify challenges, and propose solutions.

■ Politics And Political Science — define, explain, give examples, compare where relevant, identify challenges, and propose solutions.

■ Political Concepts And Terminology — define, explain, give examples, compare where relevant, identify challenges, and propose solutions.

■ State And Its Characteristics — define, explain, give examples, compare where relevant, identify challenges, and propose solutions.

■ Nation, Nationality And Nationalism — define, explain, give examples, compare where relevant, identify challenges, and propose solutions.

■ Sovereignty — define, explain, give examples, compare where relevant, identify challenges, and propose solutions.

■ Power, Authority And Legitimacy — define, explain, give examples, compare where relevant, identify challenges, and propose solutions.

■ Government And Its Forms — define, explain, give examples, compare where relevant, identify challenges, and propose solutions.

■ Democracy And Democratic Principles — define, explain, give examples, compare where relevant, identify challenges, and propose solutions.

■ Political Participation — define, explain, give examples, compare where relevant, identify challenges, and propose solutions.

■ Political Socialization — define, explain, give examples, compare where relevant, identify challenges, and propose solutions.

■ Political Culture — define, explain, give examples, compare where relevant, identify challenges, and propose solutions.

■ Political Parties And Party Systems — define, explain, give examples, compare where relevant, identify challenges, and propose solutions.

■ Pressure Groups And Civil Society — define, explain, give examples, compare where relevant, identify challenges, and propose solutions.

■ Elections And Electoral Systems — define, explain, give examples, compare where relevant, identify challenges, and propose solutions.

■ Representation — define, explain, give examples, compare where relevant, identify challenges, and propose solutions.

■ Public Opinion — define, explain, give examples, compare where relevant, identify challenges, and propose solutions.

■ Political Leadership — define, explain, give examples, compare where relevant, identify challenges, and propose solutions.

■ Constitutionalism And Rule Of Law — define, explain, give examples, compare where relevant, identify challenges, and propose solutions.

■ Human Rights And Citizenship — define, explain, give examples, compare where relevant, identify challenges, and propose solutions.

■ Comparative Politics — define, explain, give examples, compare where relevant, identify challenges, and propose solutions.

■ Political Institutions — define, explain, give examples, compare where relevant, identify challenges, and propose solutions.

■ Executive, Legislature And Judiciary — define, explain, give examples, compare where relevant, identify challenges, and propose solutions.

■ Local Government And Devolution — define, explain, give examples, compare where relevant, identify challenges, and propose solutions.

■ Kenyan Political System — define, explain, give examples, compare where relevant, identify challenges, and propose solutions.

■ Gender And Politics — define, explain, give examples, compare where relevant, identify challenges, and propose solutions.

■ Youth And Political Participation — define, explain, give examples, compare where relevant, identify challenges, and propose solutions.

■ Media And Politics — define, explain, give examples, compare where relevant, identify challenges, and propose solutions.

■ Globalization And Politics — define, explain, give examples, compare where relevant, identify challenges, and propose solutions.

■ Political Development — define, explain, give examples, compare where relevant, identify challenges, and propose solutions.

■ Political Stability And Conflict — define, explain, give examples, compare where relevant, identify challenges, and propose solutions.

■ Good Governance And Accountability — define, explain, give examples, compare where relevant, identify challenges, and propose solutions.

PSA 111 — Introduction to Public Administration

■ Meaning, Nature And Scope Of Public Administration — define, explain, give examples, compare where relevant, identify challenges, and propose solutions.

■ Public Administration And Private Administration — define, explain, give examples, compare where relevant, identify challenges, and propose solutions.

■ Evolution Of Public Administration — define, explain, give examples, compare where relevant, identify challenges, and propose solutions.

■ Politics-Administration Relationship — define, explain, give examples, compare where relevant, identify challenges, and propose solutions.

■ Public Bureaucracy — define, explain, give examples, compare where relevant, identify challenges, and propose solutions.

■ Principles Of Organization — define, explain, give examples, compare where relevant, identify challenges, and propose solutions.

■ Division Of Labour And Specialization — define, explain, give examples, compare where relevant, identify challenges, and propose solutions.

■ Hierarchy And Span Of Control — define, explain, give examples, compare where relevant, identify challenges, and propose solutions.

■ Unity Of Command And Coordination — define, explain, give examples, compare where relevant, identify challenges, and propose solutions.

■ Delegation And Decentralization — define, explain, give examples, compare where relevant, identify challenges, and propose solutions.

■ Centralization And Deconcentration — define, explain, give examples, compare where relevant, identify challenges, and propose solutions.

■ Merit System And Civil Service — define, explain, give examples, compare where relevant, identify challenges, and propose solutions.

■ Public Personnel Administration — define, explain, give examples, compare where relevant, identify challenges, and propose solutions.

■ Leadership And Motivation In Public Organizations — define, explain, give examples, compare where relevant, identify challenges, and propose solutions.

■ Decision-Making In Public Administration — define, explain, give examples, compare where relevant, identify challenges, and propose solutions.

■ Communication In Public Organizations — define, explain, give examples, compare where relevant, identify challenges, and propose solutions.

■ Public Budgeting — define, explain, give examples, compare where relevant, identify challenges, and propose solutions.

■ Public Finance And Accountability — define, explain, give examples, compare where relevant, identify challenges, and propose solutions.

■ Policy Formulation And Implementation — define, explain, give examples, compare where relevant, identify challenges, and propose solutions.

■ Monitoring And Evaluation — define, explain, give examples, compare where relevant, identify challenges, and propose solutions.

■ Ethics In Public Service — define, explain, give examples, compare where relevant, identify challenges, and propose solutions.

■ Corruption And Anti-Corruption — define, explain, give examples, compare where relevant, identify challenges, and propose solutions.

■ Citizen Participation And Service Delivery — define, explain, give examples, compare where relevant, identify challenges, and propose solutions.

■ E-Government And Digital Public Services — define, explain, give examples, compare where relevant, identify challenges, and propose solutions.

■ Devolution And County Administration In Kenya — define, explain, give examples, compare where relevant, identify challenges, and propose solutions.

■ Public Sector Reform — define, explain, give examples, compare where relevant, identify challenges, and propose solutions.

■ New Public Management — define, explain, give examples, compare where relevant, identify challenges, and propose solutions.

■ Good Governance — define, explain, give examples, compare where relevant, identify challenges, and propose solutions.

■ Accountability And Transparency — define, explain, give examples, compare where relevant, identify challenges, and propose solutions.

■ Public Complaints And Ombudsman — define, explain, give examples, compare where relevant, identify challenges, and propose solutions.

■ Performance Management — define, explain, give examples, compare where relevant, identify challenges, and propose solutions.

■ Crisis And Disaster Administration — define, explain, give examples, compare where relevant, identify challenges, and propose solutions.

PSA 114 — Fundamentals of Political Theories

■ Meaning And Relevance Of Political Theory — define, explain, give examples, compare where relevant, identify challenges, and propose solutions.

■ Classical Political Thought — define, explain, give examples, compare where relevant, identify challenges, and propose solutions.

■ Socrates And Political Thought — define, explain, give examples, compare where relevant, identify challenges, and propose solutions.

■ Plato'S Ideal State — define, explain, give examples, compare where relevant, identify challenges, and propose solutions.

■ Aristotle'S Classification Of Governments — define, explain, give examples, compare where relevant, identify challenges, and propose solutions.

■ Social Contract Theory — define, explain, give examples, compare where relevant, identify challenges, and propose solutions.

■ Thomas Hobbes — define, explain, give examples, compare where relevant, identify challenges, and propose solutions.

■ John Locke — define, explain, give examples, compare where relevant, identify challenges, and propose solutions.

■ Jean-Jacques Rousseau — define, explain, give examples, compare where relevant, identify challenges, and propose solutions.

■ Natural Rights — define, explain, give examples, compare where relevant, identify challenges, and propose solutions.

■ Liberalism — define, explain, give examples, compare where relevant, identify challenges, and propose solutions.

■ Conservatism — define, explain, give examples, compare where relevant, identify challenges, and propose solutions.

■ Socialism — define, explain, give examples, compare where relevant, identify challenges, and propose solutions.

■ Marxism — define, explain, give examples, compare where relevant, identify challenges, and propose solutions.

■ Utilitarianism — define, explain, give examples, compare where relevant, identify challenges, and propose solutions.

■ Nationalism — define, explain, give examples, compare where relevant, identify challenges, and propose solutions.

■ Feminist Political Theory — define, explain, give examples, compare where relevant, identify challenges, and propose solutions.

■ Democratic Theory — define, explain, give examples, compare where relevant, identify challenges, and propose solutions.

■ Justice And Equality — define, explain, give examples, compare where relevant, identify challenges, and propose solutions.

■ Liberty — define, explain, give examples, compare where relevant, identify challenges, and propose solutions.

■ Authority And Obligation — define, explain, give examples, compare where relevant, identify challenges, and propose solutions.

■ State Of Nature — define, explain, give examples, compare where relevant, identify challenges, and propose solutions.

■ Civil Society — define, explain, give examples, compare where relevant, identify challenges, and propose solutions.

■ Common Good — define, explain, give examples, compare where relevant, identify challenges, and propose solutions.

■ Citizenship — define, explain, give examples, compare where relevant, identify challenges, and propose solutions.

■ Political Obligation — define, explain, give examples, compare where relevant, identify challenges, and propose solutions.

■ Revolution And Resistance — define, explain, give examples, compare where relevant, identify challenges, and propose solutions.

■ African Political Thought — define, explain, give examples, compare where relevant, identify challenges, and propose solutions.

■ Pan-Africanism — define, explain, give examples, compare where relevant, identify challenges, and propose solutions.

■ Decolonial Political Thought — define, explain, give examples, compare where relevant, identify challenges, and propose solutions.

■ Relevance Of Classical Theories To Kenya — define, explain, give examples, compare where relevant, identify challenges, and propose solutions.

SOC 111 — Introduction to Social Sciences

■ Meaning And Scope Of Social Sciences — define, explain, give examples, compare where relevant, identify challenges, and propose solutions.

■ Relationship Among Social Science Disciplines — define, explain, give examples, compare where relevant, identify challenges, and propose solutions.

■ Society And Social Structure — define, explain, give examples, compare where relevant, identify challenges, and propose solutions.

■ Culture And Socialization — define, explain, give examples, compare where relevant, identify challenges, and propose solutions.

■ Social Institutions — define, explain, give examples, compare where relevant, identify challenges, and propose solutions.

■ Family — define, explain, give examples, compare where relevant, identify challenges, and propose solutions.

■ Education — define, explain, give examples, compare where relevant, identify challenges, and propose solutions.

■ Religion — define, explain, give examples, compare where relevant, identify challenges, and propose solutions.

■ Economy — define, explain, give examples, compare where relevant, identify challenges, and propose solutions.

■ Politics As A Social Institution — define, explain, give examples, compare where relevant, identify challenges, and propose solutions.

■ Social Groups And Organizations — define, explain, give examples, compare where relevant, identify challenges, and propose solutions.

■ Social Stratification — define, explain, give examples, compare where relevant, identify challenges, and propose solutions.

■ Social Class — define, explain, give examples, compare where relevant, identify challenges, and propose solutions.

■ Gender And Society — define, explain, give examples, compare where relevant, identify challenges, and propose solutions.

■ Race And Ethnicity — define, explain, give examples, compare where relevant, identify challenges, and propose solutions.

■ Social Change — define, explain, give examples, compare where relevant, identify challenges, and propose solutions.

■ Modernization — define, explain, give examples, compare where relevant, identify challenges, and propose solutions.

■ Urbanization — define, explain, give examples, compare where relevant, identify challenges, and propose solutions.

■ Globalization — define, explain, give examples, compare where relevant, identify challenges, and propose solutions.

■ Population And Society — define, explain, give examples, compare where relevant, identify challenges, and propose solutions.

■ Social Problems — define, explain, give examples, compare where relevant, identify challenges, and propose solutions.

■ Social Research — define, explain, give examples, compare where relevant, identify challenges, and propose solutions.

■ Sociological Imagination — define, explain, give examples, compare where relevant, identify challenges, and propose solutions.

■ Individual And Society — define, explain, give examples, compare where relevant, identify challenges, and propose solutions.

■ Social Control — define, explain, give examples, compare where relevant, identify challenges, and propose solutions.

■ Deviance — define, explain, give examples, compare where relevant, identify challenges, and propose solutions.

■ Community And Development — define, explain, give examples, compare where relevant, identify challenges, and propose solutions.

■ African Societies — define, explain, give examples, compare where relevant, identify challenges, and propose solutions.

■ Kenyan Society — define, explain, give examples, compare where relevant, identify challenges, and propose solutions.

■ Technology And Social Change — define, explain, give examples, compare where relevant, identify challenges, and propose solutions.

SSC 110 — Communication Skills

■ Communication Process — define, explain, give examples, compare where relevant, identify challenges, and propose solutions.

■ Elements Of Communication — define, explain, give examples, compare where relevant, identify challenges, and propose solutions.

■ Verbal And Non-Verbal Communication — define, explain, give examples, compare where relevant, identify challenges, and propose solutions.

■ Barriers To Communication — define, explain, give examples, compare where relevant, identify challenges, and propose solutions.

■ Listening Skills — define, explain, give examples, compare where relevant, identify challenges, and propose solutions.

■ Speaking Skills — define, explain, give examples, compare where relevant, identify challenges, and propose solutions.

■ Reading Strategies — define, explain, give examples, compare where relevant, identify challenges, and propose solutions.

■ Critical Reading — define, explain, give examples, compare where relevant, identify challenges, and propose solutions.

■ Note-Making — define, explain, give examples, compare where relevant, identify challenges, and propose solutions.

■ Note-Taking — define, explain, give examples, compare where relevant, identify challenges, and propose solutions.

■ Academic Vocabulary — define, explain, give examples, compare where relevant, identify challenges, and propose solutions.

■ Grammar And Sentence Structure — define, explain, give examples, compare where relevant, identify challenges, and propose solutions.

■ Paragraph Development — define, explain, give examples, compare where relevant, identify challenges, and propose solutions.

■ Essay Writing — define, explain, give examples, compare where relevant, identify challenges, and propose solutions.

■ Academic Writing — define, explain, give examples, compare where relevant, identify challenges, and propose solutions.

■ Argument And Evidence — define, explain, give examples, compare where relevant, identify challenges, and propose solutions.

■ Summary Writing — define, explain, give examples, compare where relevant, identify challenges, and propose solutions.

■ Paraphrasing — define, explain, give examples, compare where relevant, identify challenges, and propose solutions.

■ Citation And Referencing — define, explain, give examples, compare where relevant, identify challenges, and propose solutions.

■ Plagiarism — define, explain, give examples, compare where relevant, identify challenges, and propose solutions.

■ Report Writing — define, explain, give examples, compare where relevant, identify challenges, and propose solutions.

■ Research Writing — define, explain, give examples, compare where relevant, identify challenges, and propose solutions.

■ Oral Presentation — define, explain, give examples, compare where relevant, identify challenges, and propose solutions.

■ Interview Skills — define, explain, give examples, compare where relevant, identify challenges, and propose solutions.

■ Group Discussion — define, explain, give examples, compare where relevant, identify challenges, and propose solutions.

■ Debate Skills — define, explain, give examples, compare where relevant, identify challenges, and propose solutions.

■ Professional Communication — define, explain, give examples, compare where relevant, identify challenges, and propose solutions.

■ Digital Communication — define, explain, give examples, compare where relevant, identify challenges, and propose solutions.

■ Library And Information Communication — define, explain, give examples, compare where relevant, identify challenges, and propose solutions.

UCC 100 — Information Literacy

■ Meaning And Importance Of Information Literacy — define, explain, give examples, compare where relevant, identify challenges, and propose solutions.

■ Information Needs — define, explain, give examples, compare where relevant, identify challenges, and propose solutions.

■ Information Sources — define, explain, give examples, compare where relevant, identify challenges, and propose solutions.

■ Primary, Secondary And Tertiary Sources — define, explain, give examples, compare where relevant, identify challenges, and propose solutions.

■ Library Services — define, explain, give examples, compare where relevant, identify challenges, and propose solutions.

■ Catalogues And Databases — define, explain, give examples, compare where relevant, identify challenges, and propose solutions.

■ Search Strategies — define, explain, give examples, compare where relevant, identify challenges, and propose solutions.

■ Keywords And Boolean Operators — define, explain, give examples, compare where relevant, identify challenges, and propose solutions.

■ Evaluating Information Sources — define, explain, give examples, compare where relevant, identify challenges, and propose solutions.

■ Authority, Accuracy And Currency — define, explain, give examples, compare where relevant, identify challenges, and propose solutions.

■ Academic Databases — define, explain, give examples, compare where relevant, identify challenges, and propose solutions.

■ Google Scholar And Scholarly Searching — define, explain, give examples, compare where relevant, identify challenges, and propose solutions.

■ Referencing Systems — define, explain, give examples, compare where relevant, identify challenges, and propose solutions.

■ Plagiarism And Academic Integrity — define, explain, give examples, compare where relevant, identify challenges, and propose solutions.

■ Copyright And Intellectual Property — define, explain, give examples, compare where relevant, identify challenges, and propose solutions.

■ Open Educational Resources — define, explain, give examples, compare where relevant, identify challenges, and propose solutions.

■ Digital Literacy — define, explain, give examples, compare where relevant, identify challenges, and propose solutions.

■ Misinformation And Disinformation — define, explain, give examples, compare where relevant, identify challenges, and propose solutions.

■ Information Ethics — define, explain, give examples, compare where relevant, identify challenges, and propose solutions.

■ Data Privacy And Cybersecurity — define, explain, give examples, compare where relevant, identify challenges, and propose solutions.

■ Research Question Development — define, explain, give examples, compare where relevant, identify challenges, and propose solutions.

■ Literature Searching — define, explain, give examples, compare where relevant, identify challenges, and propose solutions.

■ Citation Management — define, explain, give examples, compare where relevant, identify challenges, and propose solutions.

■ Credible Online Sources — define, explain, give examples, compare where relevant, identify challenges, and propose solutions.

SSC 111 — Contemporary Health Issues

■ Concept Of Health — define, explain, give examples, compare where relevant, identify challenges, and propose solutions.

■ Determinants Of Health — define, explain, give examples, compare where relevant, identify challenges, and propose solutions.

■ Health Promotion — define, explain, give examples, compare where relevant, identify challenges, and propose solutions.

■ Disease Prevention — define, explain, give examples, compare where relevant, identify challenges, and propose solutions.

■ Communicable Diseases — define, explain, give examples, compare where relevant, identify challenges, and propose solutions.

■ Non-Communicable Diseases — define, explain, give examples, compare where relevant, identify challenges, and propose solutions.

■ Nutrition And Healthy Lifestyles — define, explain, give examples, compare where relevant, identify challenges, and propose solutions.

■ Mental Health And Wellbeing — define, explain, give examples, compare where relevant, identify challenges, and propose solutions.

■ Substance And Drug Abuse — define, explain, give examples, compare where relevant, identify challenges, and propose solutions.

■ Sexual And Reproductive Health — define, explain, give examples, compare where relevant, identify challenges, and propose solutions.

■ Environmental Health — define, explain, give examples, compare where relevant, identify challenges, and propose solutions.

■ Sanitation And Hygiene — define, explain, give examples, compare where relevant, identify challenges, and propose solutions.

■ Occupational Health — define, explain, give examples, compare where relevant, identify challenges, and propose solutions.

■ Community Health — define, explain, give examples, compare where relevant, identify challenges, and propose solutions.

■ Health Inequalities — define, explain, give examples, compare where relevant, identify challenges, and propose solutions.

■ Health Systems — define, explain, give examples, compare where relevant, identify challenges, and propose solutions.

■ Universal Health Coverage — define, explain, give examples, compare where relevant, identify challenges, and propose solutions.

■ Health Policy And Governance — define, explain, give examples, compare where relevant, identify challenges, and propose solutions.

■ Epidemics And Pandemics — define, explain, give examples, compare where relevant, identify challenges, and propose solutions.

■ Health Communication — define, explain, give examples, compare where relevant, identify challenges, and propose solutions.

■ First Aid Principles — define, explain, give examples, compare where relevant, identify challenges, and propose solutions.

■ Maternal And Child Health — define, explain, give examples, compare where relevant, identify challenges, and propose solutions.

■ Adolescent Health — define, explain, give examples, compare where relevant, identify challenges, and propose solutions.

■ Disability And Inclusion — define, explain, give examples, compare where relevant, identify challenges, and propose solutions.

■ Ageing And Health — define, explain, give examples, compare where relevant, identify challenges, and propose solutions.

■ Technology And Health — define, explain, give examples, compare where relevant, identify challenges, and propose solutions.

■ Climate Change And Health — define, explain, give examples, compare where relevant, identify challenges, and propose solutions.
